Sussex Health Care Limited UNAUDITED ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention and in accordance with applicable UK accounting standards

GOING CONCERN

The financial statements have been prepared under the going concern basis despite the deficiency of funds shown on the balance sheet. The directors believe that the going concern basis is appropriate because the major creditors have indicated that they will not call the amounts owing for repayment to the detriment of the company

CASH FLOW STATEMENT

The directors have taken advantage of the exemption in Γinancial Reporting Standard No 1 (Revised 1996) from including a cash flow statement in the financial statements on the grounds that the company is small

TURNOVER

Turnover is recognised at the fair value of the consideration received or receivable for sale of goods and services in the ordinary nature of the business. Turnover is shown net of Value Added Tax of goods and services provided to customers.

FIXED ASSETS

All fixed assets are initially recorded at cost

DEPRECIATION

Depreciation is calculated so as to write off the cost of an asset less its estimated residual value, over the useful economic life of that asset as follows

Fixtures & Fittings

15% reducing balance

WORK IN PROGRESS

Work in progress is valued on the basis of direct costs plus attributable overheads based on normal level of activity. Provision is made for any foreseeable losses where appropriate. No element of profit is included in the valuation of work in progress.

FINANCIAL INSTRUMENTS

Financial instruments are classified and accounted for according to the substance of the contractual arrangement as either financial assets financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
