For the year ended 30 April 2011 the company was entitled to exemption from audit under section 477 of the Companies Act 2006

The members have not required the company to obtain an audit in accordance with section 476 of the Companies Act 2006

The directors acknowledge their responsibility for complying with the requirements of the Act with respect to accounting records and for the preparation of accounts

The financial statements have been prepared in accordance with the special provisions of part 15 of the Companies Act 2006 relating to small companies

These accounts were approved by the Board of Directors on 27 January 2012 and were signed on its behalf by

A Barnes Director

The notes on pages 6 to 9 form part of these financial statements

YEAR ENDED 30 APRIL 2011

NOTES (forming part of the financial statements)

1 Accounting policies

The following accounting policies have been consistently applied in dealing with the items which are considered material in relation to the company's financial statements

Basis of preparation

The financial statements have been prepared under the historical cost convention and include the results of the company's operations which are described in the Director's Report and all of which are continuing and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2008)

Cash flow

The financial statements do not include a cash flow statement because the company, as a small reporting entity, is exempt for the requirements to prepare such a statement under the Financial Reporting Standard 1 'Cash flow statements'

Turnover

Turnover represents the amounts (excluding value added tax) derived from the provision of goods and services to customers during the period

Fixed assets and depreciation

Depreciation is provided by the company to write off the cost or valuation less the estimated residual value of its tangible fixed assets by equal annual instalments over their useful economic lives as follows

Tools and equipment - 4 years Motor vehicles - 5 years

Stock

Stock and Work-in-Progress is stated at the lower of cost and net realisable value and includes an appropriate proportion of overhead expenses

Taxation

The charge for taxation is based on the profit for the period and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Provision is made for deferred tax only to the extent that it is probable that an actual liability will crystallise.

Pensions - Defined contribution scheme

Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme. The assets of the scheme are held separately from those of the company in an independently administered fund.
