**Notes to the abbreviated accounts**

For the year ending 30 June 2010

**1 Accounting policies**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). All fixed assets are initially recorded at cost. Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

**Turnover**

The turnover shown in the profit and loss account represents amounts invoiced during the year. In respect of long-term contracts and contracts for on-going services, turnover represents the value of work done in the year, including estimates of amounts not invoiced. Turnover in respect of long-term contracts and contracts for on-going services is recognised by reference to the stage of completion.

**Depreciation**

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Share of Freehold                      %

**2 Tangible fixed assets**
