- (B) The New Chargors have agreed, on the terms contained in the Principal Deed, to charge in favour of the Security Agent (acting as security agent and trustee for the Beneficiaries), all of their property, undertaking and assets to secure the Secured Sums, and to accede to the Principal Deed.

**THIS DEED WITNESSES as follows:**

1. **DEFINITIONS AND INTERPRETATION**

1.1 **Incorporation**

Words or expressions defined in the Principal Deed and principles of interpretation provided for in the Principal Deed shall, unless the context otherwise requires or unless otherwise re-defined below, have the same meaning and shall apply (as the case may be) in this Deed.

1.2 **Additional Definitions**

In this Deed:

**"Intellectual Property"** means patents (including supplementary protection certificates), utility models, registered and unregistered trade marks (including service marks), rights in passing off, copyright, database rights, registered and unregistered rights in designs (including in relation to semiconductor products) anywhere in the world and, in each case, any extensions and renewals of, and any applications for, such rights.

**"Land"** means freehold and leasehold, and any other estate in, land and (outside England and Wales) immovable property and in each case all buildings and structures upon and all things affixed to Land (including trade and tenant's fixtures).

**"Restricted Land"** means any leasehold property held by a New Chargor under a lease which precludes either absolutely or conditionally that New Chargor from creating a mortgage or charge over its leasehold interest in that property.

5.1 Each New Chargor, with full title guarantee, charges to the Security Agent (as trustee for the Beneficiaries) as security for the payment or discharge of all Secured Sums, by way of floating charge:

- (a) all its Assets, except to the extent that such Assets are for the time being effectively assigned by way of security by virtue of Clause 3 (*Assignments*) or charged by any fixed charge contained in Clause 4 (*Fixed security*), including any Assets comprised within a charge which is reconverted under Clause 4.4 (*Reconversion*) of the Principal Deed; and
- (b) all its Assets in so far as they are for the time being situated in Scotland,

with the exception in the case of Young's Seafood Limited (only) of any RBSIF Debts, Sales Contracts and Remittances, but in each case so that such New Chargor shall not create any Security over any such Floating Charge Asset (whether having priority over, or ranking *pari passu* with or subject to, this floating charge) or take any other step referred to in Clause 6 (*Negative pledge and other restrictions*) with respect to any such Floating Charge Asset, and such Chargor shall not, without the consent of the Security Agent, sell, transfer, part with or dispose of any such Floating Charge Asset (except as permitted by Section 6.1 (*Dispositions*) of the Credit Agreement).

5.2 The parties agree (without limitation to the general nature of the New Chargors' accession to the Principal Deed contained in Clause 2) that the crystallisation provisions contained in Clause 4 of the Principal Deed shall equally apply to the floating charge contained in this Deed as if set out in full in this Deed.

## 6. NEGATIVE PLEDGE AND OTHER RESTRICTIONS

Without the prior written consent of the Security Agent, no New Chargor shall:

- (a) create, or agree or attempt to create, or permit to subsist, any Lien or any trust over any of its Assets; or
- (b) sell, assign, lease, license or sub-license, or grant any interest in, any of its Fixed Security Assets, or part with possession or ownership of them, or purport or agree to do so,

except as specifically permitted by the Credit Agreement in respect of an Asset that is not a Specified Investment or a Derivative Right.

**7. RIGHT OF APPROPRIATION**

- 7.1 The parties acknowledge and intend that the charges over each New Chargor's Financial Collateral provided under or pursuant to this Deed will each constitute a "security financial collateral arrangement" for the purposes of the Financial Collateral Regulations.
- 7.2 The Security Agent may, on or at any time after the security constituted by this Deed becomes enforceable in accordance with the terms of the Principal Deed, by notice in writing to the relevant New Chargor appropriate with immediate effect all or any of its Financial Collateral hereby charged which is subject to a security financial collateral arrangement (within the meaning of the Financial Collateral Regulations) and apply it in or towards the discharge of the Secured Sums, whether such Assets are held by the Security Agent or otherwise.
- 7.3 The value of any Financial Collateral appropriated under Clause 7.2 shall be:
- (a) in the case of cash, its face value at the time of appropriation; and
  - (b) in the case of financial instruments or other financial collateral, their market value at the time of appropriation as determined (after appropriation) by the Security Agent by reference to a public index or other applicable generally recognised price source or such other process as the Security Agent may reasonably select, including a valuation carried out by an independent firm of accountants or valuers appointed by the Security Agent;

as converted, where necessary, into Canadian dollars at a market rate of exchange prevailing at the time of appropriation selected by the Security Agent.

- 7.4 The Security Agent will account to the relevant New Chargor for any amount by which the value of the appropriated Assets exceeds the Secured Sums and the New Chargers shall remain liable to the Security Agent for any amount by which the value of the appropriated Assets is less than the Secured Sums.
- 7.5 Each New Chargor agrees that the method of valuing such Financial Collateral under Clause 7.3 is commercially reasonable.

**8. APPLICATION TO HM LAND REGISTRY**

Each New Chargor:

- (a) in relation to each register of title of any present and future Material Land of that New Chargor which is charged to the Security Agent under this Deed, consents to the Security Agent (or its solicitors) at any time submitting to HM Land Registry:

  - (ii) a form AN1 (*application to enter an agreed notice*) in respect of the security created by this Deed;
  - (iii) a form RX1 (*application to register a restriction*) in the following terms:

"No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [date] in favour of [Chargee] referred to on the charges register or their conveyancer."; and

- (iv) a form CH2 (*application to enter an obligation to make further advances*); and
- (b) covenants to submit an application to the appropriate Land Registry for the first registration of any unregistered Material Land in England and Wales mortgaged by Clause 4 (*Fixed security*) at its own expense, immediately following its execution of this Deed.

## 9. POWER OF ATTORNEY

- (a) do anything which that New Chargor is obliged to do (but has not done within 5 Business Days of being notified in writing by the Security Agent of such failure and being requested to comply) in accordance with this Deed, including to execute and deliver and otherwise perfect any agreement, assurance, deed, instrument or document the Security Agent considers in its reasonable opinion is necessary for these purposes;
- (b) following the occurrence of an Event of Default that is continuing, enable the Security Agent, any such nominee and/or Receiver to exercise (or to delegate) all or any of the rights conferred on it by this Deed or by statute in relation to this Deed or the Assets charged, or purported to be charged, by it.

### 9.2 Ratification

Each New Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to its appointment under this clause.

### 9.3 Sums recoverable

All sums expended by the Security Agent or any Receiver under this clause shall be recoverable from each New Chargor under the terms of Section 10.3 (*Expenses; Indemnity; Damage Waiver.*) of the Credit Agreement and clause 28 (*Indemnity to the Security Agent*) of the Security Trust Deed.

- (b) Where a Dispute is the subject of proceedings commenced by one or more Beneficiaries, the Beneficiaries are entitled to bring such proceedings in any court or courts of competent jurisdiction (including but not limited to the courts of England). If any Chargor raises a counter-claim in the context of proceedings commenced by one or more of the Beneficiaries, that Chargor shall bring such counter-claim before the court seized of the Beneficiaries' claim and no other court.
- (c) The commencement of legal proceedings in one or more jurisdictions shall not, to the extent allowed by law, preclude the Beneficiaries from commencing legal actions or proceedings in any other jurisdiction, whether concurrently or not.
- (d) To the extent allowed by law, each New Chargor irrevocably waives any objection it may now or hereafter have on any grounds whatsoever to the laying of venue of any legal proceeding, and any claim it may now or hereafter have that any such legal proceeding has been brought in an inappropriate or inconvenient forum.

- (a) irrevocably appoints UK 111 Limited as its agent for service of process in relation to any proceedings before the English courts in connection with this Deed; and
