Registered in England and Wales No. 3649465

## **Directors' Report**

### **For the year ended 31 December 2016**

The directors present their report and the audited financial statements for ('the Company') for the year ended 31 December 2016.

#### **Directors**

The current directors and those in office during the year are as follows:

Capita Trust Company Limited  
Capita Trust Corporate Services Limited  
C S Baldry

#### **Principal Activities**

Chichester Health (Holdings) Limited is a holding company for the finance company, Chichester Health Plc.

The directors have reviewed the activities of the business for the year and the position as at 31 December 2016 and consider them to be satisfactory.

#### **Business Review**

#### **Financial Position and Performance**

The financial position of the Company at 31 December 2016 is shown in the Statement of Financial Position on page 9, with trading results shown in the Statement of Comprehensive Income account on page 8.

#### **Future Outlook**

The directors expect the level of activity to be maintained in the foreseeable future.

#### **Key Performance Indicators**

The directors consider that the key performance indicator for the Company's business is post tax profit. A loss for the financial year of £5,107 was reported for the year (2015: £7,805).

#### **Results and Dividends**

The trading results for the year and the Company's financial position at the end of the year are shown in the attached financial statements.

The directors do not recommend the payment of a dividend for the financial year ending 31 December 2016 (2015: £nil).

#### **Going Concern**

At the balance sheet date the Company had net liabilities £139,987 (2015: £134,880). The Company is supported by the Norwich Union Public Private Partnership Fund to carry out long term investments and the directors are confident that funding will be made available to enable the Company to meet its obligations as they fall due. In addition, a letter of support has been provided by Norwich Union Public Private Partnership Fund. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

#### **Risk and Capital Management Policies**

##### **(a) Approach to risk and capital management**

The Company operates within the governance structure and priority framework of the Group. Details of Aviva plc's governance framework are contained in the financial statements of Aviva plc.

**Directors' Report (continued)**  
**For the year ended 31 December 2016**

**Risk and Capital Management Policies (continued)**

**(b) Management of financial and non-financial risks**

Credit risk is reduced by the Company having a fixed long term PFI agreement with the Sussex Partnership NHS Trust.

Operational risk would arise as a result of inadequate or failed internal processes, people or systems, or from external events. Details of Aviva plc's approach to operational risk are set out in the financial statements of Aviva plc.

As with other risk categories, line management of business areas have primary responsibility for the effective identification, management, monitoring and reporting of risks in accordance with Aviva Group policies. The Company's risk management function provides support and independent challenge on the completeness, accuracy and consistency of risk assessments, and the adequacy of mitigating action plans.

**(c) Capital management**

Aviva plc maintains an efficient capital structure, which is consistent with its risk profile and the regulatory and market requirements of its business. Details of the Aviva plc capital management process are contained in the financial statements of Aviva plc.

The directors do not believe that there are any material risks facing the Company.

**Employees**

The Company has no employees (2015: nil).

**Future Developments**

There are no changes expected to the Company's activities for the foreseeable future.

**Disclosure of Information to the Auditors**

Each person who was a director of the Company on the date that this report was approved, confirms that:

- (a) so far as the director is aware, there is no relevant audit information of which the auditors are unaware; and
- (b) each director has taken all the steps that he/she ought to have taken as a director in order to make him/herself aware of any relevant audit information and to establish that the auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 418 of the Companies Act 2006.

## **Directors' Report (continued)**

### **For the year ended 31 December 2016**

#### **Independent Auditors**

It is the intention of the directors to reappoint the auditors, PricewaterhouseCoopers LLP, under the deemed appointment rules of Section 487 of the Companies Act 2006.

#### **Statement of Directors' Responsibilities**

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the Board  2017:

Capita Trust Corporate Services Limited  
Director

**Colin Arthur Benford**

# ***Independent auditors' report to the members of Chichester Health (Holdings) Limited***

## **Report on the financial statements**

---

### **Our opinion**

In our opinion, Chichester Health (Holdings) Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the company's affairs as at 31 December 2016 and of its loss for the year then ended;
  - have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
  - have been prepared in accordance with the requirements of the Companies Act 2006.
- 

### **What we have audited**

The financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), comprise:

- the Statement of Financial Position as at 31 December 2016;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Equity for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

---

## **Opinion on other matter prescribed by the Companies Act 2006**

---

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

In addition, in light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we are required to report if we have identified any material misstatements in the Directors' Report. We have nothing to report in this respect.

---

## **Other matters on which we are required to report by exception**

---

### **Adequacy of accounting records and information and explanations received**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

## ***Independent auditors' report to the members of Chichester Health (Holdings) Limited (continued)***

---

### **Directors' remuneration**

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

---

### **Entitlement to exemptions**

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

---

## **Responsibilities for the financial statements and the audit**

---

### **Our responsibilities and those of the directors**

As explained more fully in the Statement of Directors' Responsibilities set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

---

### **What an audit of financial statements involves**

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report. With respect to the Directors' Report, we consider whether those reports include the disclosures required by applicable legal requirements.

**Notes to the financial statements**  
for the year ended 31 December 2016

---

**1. General information**

Chichester Health (Holdings) Limited provides facilities management services to a mental health unit constructed under a PFI with the NHS Trust.

The Company is a private company limited by shares and is incorporated in England. The registered office is Victoria House, Victoria Road, Chelmsford, Essex, CM1 1JR

**2. Statement of compliance**

The individual financial statements of Chichester Health (Holdings) Limited have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006.

**3. Accounting policies**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated. The Company has adopted FRS 102 in these financial statements.

**a) Basis of preparation**

These financial statements are prepared on a going concern basis, under the historical cost convention.

The preparation of financial statements in conformity with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 4.

**b) Strategic report**

A strategic report has not been included in these audited financial statements as the Company qualifies for exemption as a small entity under Section 382 of the Companies Act 2006 relating to small companies.

**c) Basis of consolidation**

The Company has taken advantage of exemptions under section 400 of the Companies Act 2006 not to prepare group financial statements as it and its subsidiaries are included in the consolidated financial statements of Norwich Union Public Private Partnership Fund.

In addition, the Company holds 99.9% of the ordinary share capital of one subsidiary undertaking, Chichester Health Plc. The operations of this Company are controlled by another entity NUPPP (Care Technology and Learning Centres) Limited. Long-term restrictions hinder the exercise of the rights of Chichester Health (Holdings) Limited over the management of this undertaking and, therefore, consolidated financial statements have not been prepared in accordance with section 400 of the Companies Act 2006. These financial statements present information about the Company as an individual undertaking and not about its group.

**d) Cash flow statement**

The Company has taken advantage of the exemption, under FRS 102 paragraph 1.12(b), from preparing a statement of cash flows, on the basis that it is a qualifying entity and its parent entity, Norwich Union Public Private Partnership Fund, includes the Company's cash flows in its own consolidated financial statements.

**Notes to the financial statements (continued)**  
for the year ended 31 December 2016

---

**3. Accounting policies (continued)**

**e) Going concern**

At the balance sheet date the Company had net liabilities £139,987 (2015: £134,880). The Company is supported by the Norwich Union Public Private Partnership Fund to carry out long term investments and the directors are confident that funding will be made available to enable the Company to meet its obligations as they fall due. In addition, a letter of support has been provided by Norwich Union Public Private Partnership Fund. Accordingly the financial statements have been drawn up on a going concern basis.

**f) Taxation**

The charge for taxation is based on the loss for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 102. Deferred tax assets are recognised to the extent that it is regarded as more likely than not profits will be available against which they can be realised.

**g) Investments**

Investments are included in the financial statements at cost. Provision is made for any permanent diminution in value.

**h) Financial instruments**

The Company has chosen to adopt Sections 11 and 12 of FRS 102 in respect of financial instruments.

**(i) Financial assets**

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

Basic financial assets, including trade and other receivables, cash at bank and in hand balances, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Such assets are subsequently carried at amortised costs using the effective interest method.

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in the Statement of Comprehensive Income.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been had the impairment not previously been recognised. The impairment reversal is recognised in the Statement of Comprehensive Income.

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price.

**Notes to the financial statements (continued)**  
for the year ended 31 December 2016

---

**3. Accounting policies (continued)**

**h) Financial instruments (continued)**

**(i) Financial assets (continued)**

Financial assets that are classified as receivable within one year are measured at the undiscounted amount of the cash or other consideration expected to be received, net of impairment.

Financial assets are derecognised when (a) the contractual rights to the cash flows from the asset expire or are settled, or (b) substantially all the risks and rewards of the ownership of the asset are transferred to another party or (c) despite having retained some significant risks and rewards of ownership, control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

**(ii) Financial liabilities**

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Basic financial liabilities are initially measured at transaction price (including transaction costs), except for those financial liabilities classified as at fair value through the Statement of Comprehensive Income, which are initially measured at fair value (which is normally the transaction price excluding transaction costs).

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Commitments to make which meet the conditions above are measured at cost (which may be nil) less impairment.

Non-current debt instruments which meet the following conditions, are subsequently measured at amortised cost using the effective interest method:

- a) Returns to the holder are (i) a fixed amount, or (ii) a fixed rate of return over the life of the instrument, or (iii) a variable return that, throughout the life of the instrument, is equal to a single reference quoted or observable interest rate, or (iv) some combination of such fixed rate and variable rates, providing that both rates are positive.
- b) There is no contractual provision that could by its terms result in the holder losing the principal amount or any interest attributable to the current period or prior periods.
- c) Contractual provision that permit the issuer to prepay a debt instrument or permit the holder to put it back to the issuer before maturity are not contingent on future events, other than to protect the holder against the credit deterioration of the issuer or a change in control of the issuer, or to protect the holder or issuer against changes in relevant taxation or law.

Debt instruments that are classified as payable within one year and which meet the above conditions are measured at the undiscounted amount of the cash or other consideration expected to be paid or received, net of impairment.

Other debt instruments not meeting these conditions are measured at amortised cost, using the effective interest rate method.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, is cancelled or expires.

**Notes to the financial statements (continued)**  
for the year ended 31 December 2016

**3. Accounting policies (continued)**

**h) Financial instruments (continued)**

**(iii) Offsetting**

Financial assets and liabilities are offset and the net amounts presented in the financial statements when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**4. Critical accounting adjustments and estimation uncertainty**

The preparation of the Company's Financial Statements requires the directors to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the reporting date. The estimates and associated assumptions are based on historical experience, expectations of future events and other factors that are considered to be relevant. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the assets or liabilities affected.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

In the process of applying the Company's accounting policies, the directors has made the following judgements which have the most significant effect on the amounts recognised in the Financial Statements:

- i. Non-financial assets are reviewed for impairment at each balance sheet date. An impairment loss is recognised for the amount by which the carrying amount of the asset exceeds its recoverable amount, which is the higher of an asset's net selling price and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows.

**5. Administrative expenses**

	2016 £	2015 £
Auditors' remuneration for audit services	4,773	4,632
Taxation services	334	3,173
Directors' emoluments	-	-
	<u>5,107</u>	<u>7,805</u>

The Company had no employees during the financial year (2015: nil).

**6. Tax on loss**

**(a) Tax reconciliation**

	2016 £	2015 £
<b>Current tax</b>		
UK corporation tax charge on loss for the financial year	-	-
<b>Deferred tax</b>		
Tax losses carried forward	289	403
Deferred tax not provided	(289)	(403)
<b>Total deferred tax (see note 11)</b>	-	-
<b>Tax on loss on ordinary activities</b>	<u>-</u>	<u>-</u>

**Notes to the financial statements (continued)**  
for the year ended 31 December 2016

**6. Tax on loss (continued)**

**(b) Factors affecting current tax charge for the year**

	2016 £	2015 £
Loss on ordinary activities before taxation	(5,107)	(7,805)
Current credit at standard UK corporation tax rate of 20% (2015: 20.25%)	(1,021)	(1,580)
<b>Effects of:</b>		
Adjust closing deferred tax to average rate of 20% (2015: 20.25%)	1,890	1,301
Adjust opening deferred tax to average rate of 20% (2015: 20.25%)	(1,158)	(124)
Deferred tax not recognised	289	403
Total current tax credit on ordinary activities for the year (see above)	-	-

The standard rate of corporation tax in the UK changed from 21% to 20% with effect from 1 April 2015. Accordingly the Company's loss for this accounting year are taxed at an effective rate of 20% (2015: 20.25%).

**7. Investments**

	2016 £	2015 £
Cost		
At 1 January	-	-
Provision for impairment	-	-
At 31 December	-	-

Investments in group undertakings are stated at cost less impairment. The Company holds 99.9% of the ordinary share capital of Chichester Health Plc. Chichester Health Plc is a finance company which has established a programme for the issue of credit enhanced bonds. The operations of Chichester Health Plc is an indirect wholly owned subsidiary of Norwich Union Public Private Partnership Fund. Chichester Health Plc is therefore a quasi-subsiary of NUPPP (Care Technology and Learning Centres) Limited. In accordance with FRS 102 Section 9.10 "Special Purpose Entities", the financial statements of Chichester Health Plc are included in the consolidated financial statements of Norwich Union Public Private Partnership Fund. A provision for impairment of £50,000 (2015: £50,000) has been recorded as there is objective evidence that the investment in Chichester Health Plc will not be recovered.

**8. Debtors: amounts falling due within one year**

	2016 £	2015 £
Amounts falling due within one year:		
Amounts owed by group undertakings	2	2
Total debtors amounts falling due within one year	2	2

Amounts owed by group undertakings are unsecured, interest free, have no fixed date of repayment and are repayable on demand.

**Notes to the financial statements (continued)**  
for the year ended 31 December 2016

**9. Creditors: amounts falling due within one year**

	2016 £	2015 £
Trade creditors	-	2,616
Amounts owed to group undertakings	131,583	123,439
Accruals and deferred income	8,406	8,827
Total creditors falling due within one year	139,989	134,882

Amounts owed to group undertakings are unsecured, interest free, have no fixed date of repayment and are repayable on demand.

**10. Deferred taxation**

	2016 £	2015 £
Balance as at 1 January	10,424	10,021
Charge for the year	289	403
Balance as at 31 December	10,713	10,424

The provision for deferred taxation is made up of:

	2016 £	2015 £
Tax losses carried forward	10,713	10,424
Deferred tax asset not provided	10,713	10,424

The above deferred tax asset has not been recognised because there is insufficient evidence under FRS 102 as to the availability of suitable taxable profits in the foreseeable future.

Legislation already enacted at the balance sheet date means that the corporate tax rate is expected to reduce to 19% from 1 April 2017 and then 17% from 1 April 2020. On this basis, the closing deferred tax asset balance has been tax effected at the rate of 17%.

**11. Called up share capital**

	2016 £	2015 £
The allotted, called up and fully paid share capital of the Company at 31 December was:		
2 (2015: 2) ordinary shares of £1 each	2	2

**12. Contingent liabilities and commitments**

There were no contingent liabilities or commitments at the balance sheet date (2015: £nil).

**13. Related party transactions**

Expenses of £8,144 (2015: £7,248) were incurred by the Company during the year and settled on its behalf by companies in Norwich Union Public Private Partnership Fund. At the year end the Company had a balance of £81,583 (2015: £73,439) due to these companies.

There were no other related party transactions entered into by the Company during the year.

**Notes to the financial statements (continued)**  
for the year ended 31 December 2016

---

**14. Parent and ultimate controlling entity**

The Royal Exchange Trust Company Limited, a company registered in England and Wales, holds the whole of the Company's share capital under a trust established for charitable purposes.

The ultimate parent undertaking is Capita plc, a company incorporated in the United Kingdom whose registered office is situated at 71 Victoria Street, London, SW1H 0XA.

Norwich Union Public Private Partnership Fund Partnership is the smallest group of undertakings to provide consolidated financial statements at 31 December 2016.
