## Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## **Independent auditor's report to the members of Claridge's Hotel Holdings Limited**

We have audited the financial statements of Claridge's Hotel Holdings Limited for the year ended 31 December 2014 which comprise the profit and loss account, balance sheet and related notes. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditor**

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Financial Reporting Council's Ethical Standards for auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the case of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2014 and of its result for the year then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Independent auditor's report to the members of Claridge's Hotel Holdings Limited**  
*(continued)*

**Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the directors' report is consistent with the financial statements.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

## Statement of accounting policies

*for the year ended 31 December 2014*

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

### **Basis of preparation and going concern**

The financial statements are prepared in Sterling in accordance with generally accepted accounting principles under the historical cost convention and comply with financial reporting standards of the Accounting Standards Board.

The financial statements have been prepared on a going concern basis.

### **Cash flow statement**

The company's ultimate parent undertaking publishes financial statements which are publicly available. Those financial statements include a consolidated cash flow statement. For this reason the exemption requirements of FRS 1 (Revised) "Cash Flow Statements" are met and the company has therefore not prepared a cash flow statement.

### **Group accounts**

The company is exempt from the obligation to prepare consolidated accounts by virtue of section 400 of the Companies Act 2006 in that it is a wholly owned subsidiary of its ultimate parent and controlling undertaking which itself prepares group accounts which are publicly available. These financial statements are therefore entity financial statements and are not consolidated financial statements.

### **Investment in subsidiaries**

Investments in subsidiaries are stated at cost less any provision for impairment in value.

## Notes

*forming part of the financial statements*

### 1 Staff numbers and costs

The company has no employees. The directors receive no remuneration for their services to this company. The audit fee is borne by another group company.

### 2 Tax charge on profit on ordinary activities

*Factors affecting corporation tax charge for the current year*

The corporation tax assessment for the year is different from that resulting from applying the standard rate of corporation tax in the UK of 21.49% (2013: 23.25%). The differences are explained below:

	2014 £'000	2013 £'000
<i>Investments in subsidiary undertaking</i>		
Profit on ordinary activities before tax	-	-
	<hr/>	<hr/>
Tax at 21.49% (2013: 23.25%) thereon:	-	-
<b>Effects of:</b>		
Group relief provided for nil consideration	301	326
Other permanent differences	(301)	(326)
	<hr/>	<hr/>
<b>Current tax charge for the year</b>	-	-
	<hr/>	<hr/>

Reductions in the UK corporation tax rate from 26% to 24% (effective from 1 April 2012) and to 23% (effective 1 April 2013) were substantively enacted on 26 March 2012 and 3 July 2012 respectively. Further reductions to 21% (effective from 1 April 2014) and 20% (effective from 1 April 2015) were substantively enacted on 2 July 2013. This will reduce the company's future current tax charge accordingly. The deferred tax asset/liability at the balance sheet date has been calculated based on the rate of 20% substantively enacted at the balance sheet date.
