Mr T W Watts

Directors' interests

No Director had any interest in the shares of the Company at 31 December 2015. Details of the Directors' interests in the shares of the parent company, Oxford BioMedica plc, are disclosed in the annual report of the parent.

Directors' responsibilities statement

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have prepared the financial statements in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable International Financial Reporting Standards (IFRSs) as adopted by the European Union have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Notes to the financial statements
for the year ended 31 December 2015**

1. Principal accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the financial periods presented, unless otherwise stated.

Basis of preparation

The financial statements have been prepared in accordance with International Financial Reporting Standards ('IFRS') as adopted by the European Union and International Financial Reporting Interpretations Committee ('IFRIC') interpretations endorsed by the European Union and with those parts of the Companies Act 2006 applicable to companies reporting under IFRS. The financial statements are prepared in accordance with the historical cost convention as modified by revaluation of available for sale investments.

The preparation of financial statements in conformity with IFRS requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best knowledge of the amount, event or actions, actual results ultimately may differ from those estimates.

2. Financial risk management

Since the sale of all assets and liabilities to Oxford BioMedica (UK) Limited, the Company's only remaining asset is an inter-company receivable. All financial risks therefore relate to Oxford BioMedica (UK) Limited.
