The Design Portfolio Marketing Services Limited Directors' Responsibilities & Report of the Auditors

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements, the directors are required to select suitable accounting policies and then apply them consistently; make judgements and estimates that are reasonable and prudent; prepare the financial statements on a going concern basis unless it is inappropriate to assume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditors' Report to the Shareholders of The Design Portfolio Marketing Services Limited

We have audited the financial statements of The Design Portfolio Marketing Services Limited which comprise the Profit and Loss Account, the Balance Sheet and the related notes for the year ended 31 July 2004. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken for no purpose other than to draw to the attention of the company's members those matters which we are required to include in an auditor's report addressed to them. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the directors and auditors

As described in the statement of directors' responsibilities, the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the directors' report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 July 2004 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

The Design Portfolio Marketing Services Limited Notes to the Financial Statements For the year ended 31 July 2004

1 Accounting Policies

a) Accounting basis and standards

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

There has been no change in accounting policies applied in the year under review.

b) Depreciation

Depreciation on fixed assets is provided at rates estimated to write off the cost, less estimated residual value of each asset over its expected useful life, as follows:

Plant and machinery 25% straight line Fixtures, fittings & equipment 25% straight line

c) Stocks and work in progress

Work in progress is stated at the lower of cost and net realisable value. The work in progress figure represents expenses incurred by the company relating to specific jobs which were in progress at the year end, but it does not include any staff costs as these are considered an overhead expense of the company.

d) Turnover

Turnover represents the invoiced value of goods and services provided net of value added tax. It is attributable to the principal activity of the group being that of design and marketing services and is derived wholly from within the United Kingdom.

e) Deferred taxation

In accordance with FRS 19, deferred tax is recognised as a liability or asset if transactions or events that give the company the obligation to pay more tax in future or a right to pay less tax in future have occurred by the balance sheet date.

f) Pension scheme arrangements

The company operates a money purchase pension for the benefit of its employees. The assets of the scheme are administered by trustees in a fund independent from those of the company. All contributions were paid during the year. Contributions paid during the year were £1,725 (2003: £780).
