In the case of any physical meeting to which such arrangements apply the Trustees may, for the purposes of ensuring the comfort, safety and security of those attending, when specifying the place of the meeting:

37. Such arrangements for simultaneous attendance may include arrangements for regulating the level of attendance in any manner aforesaid as between the Principal Place and any of such other places, provided that they shall operate so that any Members (or their proxies) who cannot be accommodated in the Principal Place or wish to attend at other places or by electronic means as aforesaid are able to attend at one of such other places or by such means.
