ABBEY DIRECT PRINT LIMITED (IN LIQUIDATION) ("THE COMPANY")

LIQUIDATORS' FINAL PROGRESS REPORT TO BE PRESENTED TO THE FINAL MEETINGS OF THE COMPANY AND ITS CREDITORS

1. Introduction

Following my appointment as Liquidator of the above Company on 24 May 2012 I report on the progress of the liquidation for the period 24 May 2013 to date ("the period"), in accordance with Rule 4.126 of the Insolvency Rules 1986

I attach:

Appendix A – Receipts and payments account

Appendix B – Details of my firm's time costs and disbursements including charge out rates

Appendix C – Statement of expenses

2. Receipts and Payments

I attach for your information a copy of a recently prepared receipts and payments detailing both transactions for the period, and also since my appointment as Liquidator

No assets were realised in the period of this report and no known assets remain outstanding

3. Work Undertaken by the Liquidator during the period

In addition to statutory matters, I have completed a first and final dividend to unsecured creditors, sought and obtained clearance from the tax authorities and agents, closed the bank account and prepared my draft final report to creditors

4. Investigations

Part of my duties include carrying out proportionate investigations into what assets the Company has, including any potential claims against directors or other parties, and what recoveries could be made I have reviewed the Company's books and records and accounting information, requested further information from the directors, and invited creditors to provide information on any concerns they have concerning the way in which the Company's business has been conducted. Having considered the information a report was sent to the Insolvency Service on 19 September 2012

5. Dividend to Creditors

The following preferential creditors' claims have been received:

	£
Employees	5,288 76
The Redundancy Payments Service	9,413 24

The preferential creditors were paid in full in the Administration. Latterly I received an amended preferential the Redundancy Payments Service and an equalising dividend was paid on 29 May 2013

I have received claims totalling £1,032,401 from unsecured creditors who have proved their debts in these proceedings

A first and final dividend of 0 35 pence in the £ was paid to unsecured creditors on 11 October 2013

CVL 65

Pursuant to rule 11.7 of the Insolvency Rules 1986 no further dividend will be declared to creditors as the funds realised were distributed, used or allocated for defraying the expenses of the administration

6. Prescribed Part

In accordance with the Enterprise Act 2002, the prescribed part is an element of net realisations due to the floating charge holder which is made available for unsecured creditors (subject to the floating charge post-dating 15 September 2003)

The floating charge holder was paid in full during the Administration of the company and therefore the prescribed part does not apply in this instance.

7. Liquidators' Remuneration, Disbursements and Expenses

Turning to my own costs in this matter, my remuneration as Liquidator is based on computerised records of all time spent on the administration of this case. Matters dealt with during the assignment are dealt with by different members of staff depending on the level of complexity and experience required. Time is charged to the case in maximum of 6 minute units. Charge-out rates are based on individual expertise, qualification and grade. The costs of the firm's support staff are not directly charged to the estate unless dealing with directly identifiable case specific matters. Charge out rates are reviewed at least annually, details of FRP Advisory LLP charge out rates are attached together with a breakdown of our time costs and disbursements incurred during the period of this report in accordance with Statement of Insolvency Practice 9

You may recall that I was authorised to draw fees on a time cost basis, I have drawn fees of £13,653 94 exclusive of VAT. My remaining time costs will be uncollectable

The Liquidators' disbursements are a recharge of actual costs incurred by the Liquidators on behalf of the Company. Mileage payments made for expenses relating to the use of private vehicles for business travel, which is directly attributable to the insolvency estate, are paid by FRP Advisory at the HMRC approved mileage rate prevailing at the time the mileage was incurred. Details of disbursements incurred during the period of this report are attached

I attach at Appendix C a statement of expenses that have been incurred during the period

Creditors have a right to request further information from the Liquidator under Rule 4 49E of the Insolvency Rules 1986 and further have a right to challenge the Liquidator's remuneration and expenses which are first disclosed in this report, under Rule 4.131 of the Insolvency Rules 1986 (For ease of reference these are the expenses incurred in the reporting period as set out above only). Further details of these rights can be found in the Creditors' Guide to Fees which can be located using the following link http://www.frpadvisory.com/fees-guide.html and select the one for liquidations. Alternatively a hard copy of the relevant guide will be sent to you on request. Please note there are time limits for requesting information of 21 days of receipt of the progress report for requesting further information and 8 weeks from receiving this report for a Court application that the remuneration or expenses are excessive

Should you have any further queries please do not hesitate to contact Natasha Gilliam of my Worthing office.
