Principal activities

The Company's principal activity is to act as a holding company for its overseas subsidiary in the People's Republic of China.

Review of the business

The Company did not conduct any business during the reporting period or the previous period and has not incurred any liabilities in this time.

The Company's only investment is in EBP Consultancy (Beijing) Co. Ltd. (EBP). EBP was established to support Royal Mail Group Limited's (RMG) alliance with ZJS Express (ZJS) in a new China to Europe parcels service. In September 2014 RMG announced its intention to dissolve its alliance with ZJS for the China to Europe parcel operation and significantly reduced the size of EBP's operations. Since that time EBP has been operating at a reduced level with no further investment from the Company. Whilst EBP are exploring new revenue streams, there has been no indication that the original factors which led to the reduction of the investment in EBP are no longer present.

Under an agreement dated 25 May 2012, EBP provides services to RMG for a charge covering all costs incurred and agreed to or approved by RMG.
