NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

1. **STATUTORY INFORMATION**

Tectonic International Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The company's functional and presentational currency in the financial statements is the Sterling (£), rounded to the nearest pound.

The significant accounting policies applied in the presentation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

2. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

There has been no material departures from FRS 102 1A during the year.

Going Concern

The directors are satisfied that despite the Coronavirus pandemic, it is appropriate for the company's financial statements to be prepared on a going concern basis. The pandemic has resulted in a number of uncertainties arising and the directors have taken steps to minimise the effect on the company and will continue to do so. In the circumstances they have concluded that no adjustments are required to the financial statements at this time.

Turnover

The turnover shown in the profit and loss account represents income receivable during the year, exclusive of Value Added Tax, in respect of the design and manufacture of web printing press inspection systems.

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2001, is being amortised evenly over its useful economic life of twenty years.

Based on the performance of the company since acquisition, the directors consider that the useful economic life of goodwill is still valid.

Amortisation

Amortisation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Goodwill	-5% straight line
----------	-------------------

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Website costs is being amortised evenly over its estimated useful life of eight years.

Fixed assets

All fixed assets are initially recorded at cost.

Depreciation

Depreciation is calculated so as to write off an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Freehold property	-over 50 years
Plant and machinery	-25% on reducing balance
Fixtures & fittings	-25% on reducing balance
Computer equipment	-25% on reducing balance

2. **ACCOUNTING POLICIES - continued**

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Profit and loss account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Research and development

Research and development expenditure which is regarded as part of a continuing operation required to maintain the company's business and its competitive position, is written off when incurred.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

Government grants

Government grants of a revenue nature are credited to the profit and loss account in the period to which they relate. Government grants made as a contribution towards expenditure on fixed assets are treated as deferred income and amortised until the conditions of the grant are met.

3. **EMPLOYEES AND DIRECTORS**

The average number of employees during the year was 3 (2020 - 5) .
