## **Notes to the Abbreviated Accounts for the Period Ended 31st December 2011**

### **1. Accounting policies**

#### **Basis of measurement and preparation of accounts**

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets and in accordance with the Financial Standard for Smaller Entities ( Effective April 2008)

#### **Turnover policy**

The turnover shown in the profit and loss account represents revenue recognised by the company in respect of goods and services supplied during the period, exclusive of Value Added Tax and trade discounts.

#### **Tangible fixed assets depreciation policy**

Depreciation is provided, after taking account of any grants receivable, at the following annual rates in order to write off each asset over its estimated life. Freehold buildings- 2% on cost or revalued amounts, Plant and Machinery-15% on cost, fixtures and fittings-10% on cost, Motor vehicles-25% on cost.

#### **Intangible fixed assets amortisation policy**

Intangible fixed assets on a straight basis over their estimated useful economic lives, not to exceed twenty years. Impairment of intangible assets is only reviewed where circumstances indicate that the carrying value of an asset may not be recoverable.

#### **Valuation information and policy**

Stocks and work in-progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

#### **Other accounting policies**

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives or the lease term, whichever is the shorter. The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability. Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over a period of the lease. Research and Development Expenditure on research and development is written off in the year in which it is incurred. Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. Deferred taxation is calculated at the rates of tax that are expected to apply in the periods when the timing differences will reverse and has not been discounted.
