Accounting Policies

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year and also have been consistently applied within the same accounts

1 Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention (as modified by the revaluation of certain fixed assets) and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002)

The effect of events relating to the year ended 31st March 2007 before the date of approval of the financial statements by the Board of Directors, have been included in the statements to the extent required to show a true and fair view of the state of affairs at and of the results of the for the year ended on that date

2 Depreciation

Depreciation is calculated to write off the cost or valuation of the fixed assets over their estimated useful lives as follows -

Plant & Equipment	at 10% reducing balance
Computer Equipment	at 33 33% straight line
Motor vehicles	at 25% reducing balance

3 Turnover

Turnover is based on the invoiced value of sales excluding Value Added Tax where applicable

4 Profit or Loss on Trading

Profit or loss on trading reflects profits or losses arising from the trading activities during the year. Extraordinary items arising outside the normal trading activities are shown separately in the Profit and Loss Account
