Dear Madams/Sirs

Prestbury West Coast Holdings Limited - In Creditors' Voluntary Liquidation ('the Company') Registered number: 03794886

I am now in a position to conclude this Liquidation and below is my final report as required by Section 106(1) of the Insolvency Act 1986 and Rule 18.14 of the Insolvency (England and Wales) Rules 2016 (hereafter 'the Rules'). This report covers the period from 23 March 2020 to 20 July 2020 ('the Final Period').

The Company's affairs are fully wound up and unless any substantive issues are raised by creditors, no further report will be issued and this report will be presented as the final report.

I confirm that notice of no further dividend is attached as required by Rule 14.36 of the Rules.

### Professional information regarding the Joint Liquidators

The Joint Liquidators are Danny Dartnaill (officeholder No: 10110) of BDO LLP, Thames Tower, Level 12, Station Road, Reading, RG1 1LX and Martha Thompson (officeholder No: 8678) of BDO LLP, 55 Baker Street, London, W1U 7EU. The Liquidation commenced on 31 August 2010 and the Joint Liquidators carry out their functions jointly and severally meaning any action can be done by one Liquidator or by both of them.

### **Receipts and Payments**

I attach for your information a summary of my Receipts and Payments account, analysed to show activity in the Final Period compared to the whole of the Liquidation. The account shows a nil balance in hand with the transactions shown during the Final Period being largely self-explanatory.

### **Progress of the Liquidation**

No further asset realisations are anticipated in the Liquidation and, now that all outstanding statutory matters are finalised, the Joint Liquidators will now take the necessary steps to move the Company to dissolution.

### **Assets**

There are no further assets left to realise.

I can confirm that there are no assets of a peculiar or special nature which cannot be sold. Consequently there has been no distribution of unsold assets to creditors, as mentioned in Rules18.10/14.13 of the Insolvency (England & Wales) Rules 2016.

BDO LLP, a UK limited liability partnership registered in England and Wales under number OC305127, is a member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms. A list of members' names is open to inspection at our registered office, 55 Baker Street, London W1U 7EU. BDO LLP is authorised and regulated by the Financial Conduct Authority to conduct investment business

The Joint Liquidators are Data Controllers as defined by the General Data Protection Regulations. 8DO LLP will act as Data Processor on the instruction of the Data Controllers. Personal data will be kept secure and processed only for matters relating to the Liquidation of Prestbury West Coast Holding Limited. Please

### **Future Prospects**

### Secured Creditors & Preferential Creditors

There are no secured or preferential creditors.

### **Unsecured Creditors**

In June 2016, a first interim distribution of £1.65m was paid to unsecured creditors at a rate of 12.04p in the £. A second and final distribution at a rate of 0.85p in the £ totalling £116,515 was declared and paid in February 2019. The total amount returned to creditors was £1.77m representing a return of 12.9p in the £.

I can confirm there will be no further dividends in regards to this matter.

### **Prescribed Part**

Under Section 176A of the Insolvency Act 1986 where after 15 September 2003 a company has granted to a floating charge to a secured creditor, a proportion of the net property of that company must be made available purely for the unsecured creditors.

The Company has not granted a floating charge to any creditor after the 15 September 2003 and consequently there will be no prescribed part in this Liquidation.

### Investigations

The Joint Liquidators have a duty to investigate the affairs of the Company and also the conduct of the directors and in respect of the latter, to submit a confidential statutory report to the Secretary of State. I confirm that a report has been submitted.

I have completed my review of the Company's affairs and assets to establish whether there are any actions that can be investigated for the benefit of the creditors and concluded there are no causes of action to be pursued.

### Joint Liquidators' Remuneration

Pursuant to the Rules, the Joint Liquidators are obliged to fix their remuneration in accordance with Rule 18.16. This permits remuneration to be fixed either:

- (1) As a percentage of the assets realised and distributed; and/or
- (2) By reference to the time the Joint Liquidators and the staff have spent attending to matters in the Liquidation; and/or
- (3) As a set amount; and/or
- (4) As a combination of the above.

The Joint Liquidators' remuneration has been approved on the basis of time properly spent in dealing with issues in the Liquidation. To date, the Joint Liquidators have drawn £188,197 in respect of remuneration as shown on the enclosed Receipts and Payments account.

I attach three schedules detailing the time costs incurred to date. The first schedule covers the Final Period. This records time costs of £6,171 which represents 30 hours spent at an average charge out rate of £206 per hour.

The second and third schedules cover the whole period of appointment and cumulatively record time costs of £206,426 which represents 794 hours spent at an average charge out rate of £260 per hour.

The Joint Administrators will write off all outstanding time costs.

### **Detail of Work Undertaken**

During the Liquidation, the Joint Liquidators and their staff spent a proportionate amount of time completing the first and second dividend to unsecured creditors. This involved reviewing all claims submitted by creditors and formally adjudicating these, contacting creditors where further information was needed, completing statutory requirements to give creditors notice and opportunity to prove their claims where they had not submitted a claim previously. After the final claim adjudication, the value of the p in the £ was calculated, declared, with individual dividend payments then being made to unsecured creditors.

Time was also spent during the Liquidation reviewing the case to be able to progress the Liquidation and bring it to a close. This included time spent on closing matters such as submitting final VAT and corporation tax returns and seeking clearances from HMRC.

The Joint Liquidators and their staff also spent a proportion of time reporting to creditors and statutory reporting.

For guidance, I enclose a document that outlines the policy of BDO LLP in respect of fees and disbursements.

### Joint Liquidators' Disbursements

Where disbursements are recovered in respect of precise sums expended to third parties there is no necessity for these costs to be authorised. These are known as category 1 disbursements. Since my last report no category 1 disbursements have been incurred.

Some Liquidators recharge expenses, for example printing, photocopying and telephone costs, which cannot economically be recorded in respect of each specific case. Such expenses, which are apportioned to cases, require the approval of the creditors before they can be drawn, and these are known as category 2 disbursements. The policy of BDO LLP in respect of this appointment is not to charge any category 2 disbursements with the exception of mileage on the basis of the mileage scale approved by HMRC, being 45p per mile unless otherwise disclosed to the creditors. Since my last report no category 2 disbursements have been incurred.

Total disbursements of £2,548 have been incurred in this Liquidation as detailed below.

### Prestbury West Coast Holdings Limited - In Creditors' Voluntary Liquidation

In accordance with best practice I provide below details of policies of BDO LLP in respect of fees and expenses for work in relation to the above insolvency.

The current charge out rates per hour of staff within my firm who may be involved in working on the insolvency, follows:

| GRADE                | Ĺ         |
|----------------------|-----------|
| Partner              | 646-783   |
| Manager              | 285-604   |
| Assistant Manager    | 257-311 · |
| Senior Administrator | 240-291   |
| Administrator        | 83-291    |
| Other Staff          | 90-114    |

This in no way implies that staff at all such grades will work on the case. The rates charged by BDO LL are reviewed on a regular basis and are adjusted to take account of inflation and the firm's overheads.

Time spent on casework is recorded directly to the relevant case using a computerised time recording system and the nature of the work undertaken is recorded at that time. Units of time can be as small as 3 minutes. BDO LLP records work in respect of insolvency work under the following categories:

Pre Appointment
Steps upon Appointment
Planning and Strategy
General Administration
Asset Realisation/Management
Trading Related Matters
Employee Matters
Creditor Claims
Reporting
Distribution and Closure
Other Issues.

Under each of the above categories the work is recorded in greater detail in sub categories. Please note that the 11 categories provide greater detail than the six categories recommended by the Recognised Professional Bodies who are responsible for licensing and monitoring insolvency practitioners.

Where an officeholder's remuneration is approved on a time cost basis the time invoiced to the case will be subject to VAT at the prevailing rate.

Where remuneration has been approved on a time costs basis a periodic report will be provided to any committee appointed by the creditors or in the absence of a committee to the creditors. The report will provide a breakdown of the remuneration drawn and will enable the recipients to see the average rates of such costs.

### Other Costs

Where expenses are incurred in respect of the insolvent estate they will be recharged. Such expenses can be divided into two categories.

### Category 1

This heading covers expenses where BDO LLP has met a specific cost in respect of the insolvent estate where payment has been made to a third party. Such expenses may include items such as advertising, couriers, travel (by public transport), land registry searches, fees in respect of swearing legal documents etc. In each case the recharge will be reimbursement of a specific expense incurred.

### Category 2

We propose to recover from the estate the cost of travel where staff use either their own vehicles or company cars in travelling connected with the insolvency. In these cases a charge of 45p per mile is raised which is in line with the HM Revenue & Customs Approved Mileage Rates (median less than 10,000 miles per annum) which is the amount the firm pays to staff. Where costs are incurred in respect of mileage, approval will be sought in accordance with the Insolvency (England and Wales) Rules 2016 to recover this disbursement.

Where applicable, all disbursements will be subject to VAT at the prevailing rate.
