TECHNOLOGY MEANS BUSINESS LIMITED

Report of the directors for the year ended 31 March 2002

The directors present their report together with the audited financial statements for the year ended 31 March 2002.

Principal activities, trading review and future developments

The company was incorporated on 26 July 1999. The company did not trade during the year ended 31 March 2002 and has remained dormant since incorporation.

The company is a subsidiary of The Institute of Management, a company limited by guarantee and registered in England.

Directors

The directors of the company during the year and their interest in the shares of the company were as follows:

Mrs MM Chapman
Mr A L G Macken (resigned 17 July 2001)
Mrs C A Hayhurst
Mr N Southern (appointed 1 August 2001)

None of the directors had an interest in the share capital of the company.

Directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

TECHNOLOGY MEANS BUSINESS LIMITED

Report of the independent auditors

To the shareholders of Technology Means Business Limited

We have audited the financial statements of Technology Means Business Limited for the year ended 31 March 2002 on pages 4 and 5 which have been prepared under the accounting policies set out in page 5.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2002 and of its result for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
