Directors' report

The directors present their annual report on the affairs of the Company, together with the audited financial statements. This annual report covers the year ended 30 September 2012.

Business review and activities

The Freedom Travel Group Limited is a wholly owned subsidiary of Thomas Cook Group plc, ('the Group') a company that is listed on the London Stock Exchange. The principal activities of the Company during the period were that of a Travel Agent and the provision of Travel agent Management services.

The results for the Company show a pre-tax gain/(loss) of £2 4 million (2011 £0.5 million) for the year and sales of £88.5 million (2011 £66.5 million) The Company has net assets/ (liabilities) of £1.4 million (2011 £(0.3) million) Net cash outflow/ (inflow) from operating activities for 2012 was £(26.3) million (2011 £30.6 million) The directors believe that preparing the accounts on the going concern basis is appropriate due to the continued financial support of the ultimate parent company Thomas Cook Group plc

Thomas Cook Group plc operates in the UK through a number of subsidiary companies the activities of which include packaged holidays, airline operations, sales channels including retail & online dynamic packaging / component travel businesses and scheduled tour operators

Business environment

There are two distinct segments in the UK leisure and travel market direct suppliers and travel intermediaries. Direct suppliers are the airlines, hotels and cruise companies that sell directly to the customer. Thomas Cook operates in the travel intermediary segment, made up of travel agents and tour operators.

Growth in international tourism is closely correlated to economic growth and has enjoyed strong and sustained growth for most of the last three decades. While the global economic crisis in 2008 and subsequent contraction in gross domestic product and employment, combined with fuel and currency volatility, have restrained growth in the recent years, the long term outlook for the industry remains attractive

Strategy and future outlook

The Group operates a multi-channel distribution strategy, selling through its own and third-party channels. The Group's own distribution channels comprise retail stores, online via various Group websites and call centres

In-house distribution gives the Group greater control over the volume and cost of distributing its products and, over the last three years, the Group has increased in-house distribution of package holidays from 53% to 61% of bookings

In most of the Group's operating segments, retail stores remain a significant distribution channel for mainstream package holidays. However, over time, the Group's strategy is to increase the share of mainstream package holidays sold online.

At the beginning of the financial year end, Thomas Cook and The Co-operatives merged their high street networks to create the UK's largest high street travel retailer

Directors' report (continued)

Principal risks and uncertainties

The UK group have identified a number of principal risks and uncertainties that could potentially damage the current business model and future growth opportunities

- Downturn in the global economy and in the economies of our source markets leading to a reduction in demand for our products and services
- Failure to implement the UK turnaround plan
- Any significant damage to the UK group's reputation or brands
- · Environmental risks and regulations
- Major health and safety incident
- Loss of, or difficulty in replacing, senior talent

For further information on the potential impact of these risks, and the procedures implemented by the Group to mitigate these risks, please refer to pages 18-19 of the Group's annual report

For details on financial risk management please refer to Note 19

Key performance indicators ("KPI's")

The directors of Thomas Cook Group plc manage the Group's operations on a segmental basis. For this reason, the Company's directors believe that analysis using key performance indicators for the Company is not necessary or appropriate for an understanding of the development, performance or position of the business of The Freedom Travel Group Limited. The development, performance and position of the UK segment of the Group, which include the results of the Company, are discussed in the financial review on pages 28 to 31 of the Group's annual report which does not form part of this report.

Dividends

The directors do not recommend the payment of a dividend in respect of the year to 30 September 2012 (2011 £2 5Million)

Directors

The directors, who served for the whole of the year, except where noted, were as follows

N Arthur (appointed 14 March 2013)

1 S Ailles (appointed 1 October 2011 and resigned 11 January 2013)

P J Aird-Mash (appointed I October 2011 and resigned 11 January 2013)

MD Greenacre (resigned 1 October 2011)

PA Hemingway(resigned 1October 2011 and appointed 14 January 2013)

M L MacMahon (appointed 1 October 2011 and resigned 11 January 2013)

M Nevin (resigned 1 October 2011)

D Taylor (appointed 11 January 2013 and resigned 21 February 2013)

J Wild (appointed 14 March 2013)

Thomas Cook Group Management Services Limited (appointed 7 November 2012)

Directors' report (continued)

Company secretary

C Sellars (resigned 1 October 2011) S Bradley (appointed 1 October 2011)

Directors' indemnities

The Company has made qualifying third party indemnity provisions for the benefit of its directors, which were made during the year and remain in force at the date of this report. In accordance with its Articles, the Company has granted a qualifying third party indemnity, to the extent permitted by law, to each Director. The Company also maintains Directors' and Officers' liability insurance.

Charitable and political contributions

The Company made no charitable or political donations during the year (2011 £nil)

Equal opportunities

The Company is committed to employment policies, which follow best practice, based on equal opportunities for all employees, irrespective of sex, race, colour, disability or marital status and offers appropriate training and career development for disabled staff. If members of staff become disabled, the Company continues employment wherever possible and arranges retraining.

Employee involvement

The Company is also committed to providing employees with information on matters of concern to them on a regular basis, so that the views of employees can be taken into account when making decisions that are likely to affect their interests. In the year the Company has held regular briefing meetings, supplemented by a range of staff magazines to encourage the involvement of employees. Surveys are held regularly as a means of measuring the effectiveness of the ways in which staff are managed.

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable International Financial Reporting Standards (IFRSs) as adopted by the European Union have been followed, subject to any material departures disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

Directors' report (continued)

Statement of directors' responsibilities (continued)

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the _____ Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Provision of information to auditors

In accordance with Section 418 of the Companies Act 2006, in the case of each director in office at the date the directors' report is approved, the following applies

- (a) so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- (b) they have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information

Independent auditors

PricewaterhouseCoopers LLP have expressed their willingness to be re-appointed as auditors of the Company A resolution will be proposed at the next Annual General Meeting to re-appoint PricewaterhouseCoopers LLP as auditors of the Company

The Directors' report has been approved and is signed on behalf of the board by

P Hemingway Director

Independent auditors' report to the members of The Freedom Travel Group Limited

We have audited the financial statements of The freedom Travel Group Limited for the year ended 30 September 2012 which comprise the Statement of comprehensive income, the Balance sheet, the Statement of changes in equity, the Cash flow statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union

Respective responsibilities of directors and auditors

As explained more fully in the Statement of directors' responsibilities set out on pages 4 and 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual report and financial statements to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 30 September 2012 and of its profit and cash flows for the period then ended,
- have been properly prepared in accordance with IFRSs as adopted by the European Union, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- · the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

1 General information

The Freedom Travel Group Limited is a company incorporated and domiciled in England and Wales under the Companies Act 2006. The address of its registered office is The Thomas Cook Business Park, Coningsby Road, Peterborough, Cambridgeshire, PE3 8SB, England. The nature of the Company's operations and its principal activities are set out in the directors' report. These financial statements are presented in pounds sterling, which is the Company's functional currency because that is the currency of the primary economic environment in which the Company operates. The Company is a wholly-owned subsidiary company and is included within the audited consolidated financial statements of Thomas Cook Group plc, a company incorporated in Great Britain, which have been prepared in accordance with International Financial Reporting Standards and filed with the Registrar of Companies.

Change in accounting policy

Change in accounting policy

In the year the Company's became a part of Thomas cook Group Plc and aligned its accounting policy with respect to revenue recognition as follows

Revenue recognised on departure basis rather than a booked basis
Tour operator sales recognised as sales by principal rather than by an agent

1 General information (continued)

Adoption of new or amended standards and interpretations in the current year

In the current year, the following new or amended standards have been adopted. Their adoption has not had a significant impact on the amounts reported or the disclosure and presentation in these financial statements, but may impact the accounting or the disclosure and presentation for future transactions and arrangements.

IAS 24 Amendment "Related parties" is effective for annual reporting periods commencing on or after 1 January 2011. The amendment clarifies the definition of related parties.

IFRIC 14 Amendment "Prepayments of a minimum funding requirement" is effective for annual reporting periods commencing on or after 1 January 2011. The amendment remedies one of the consequences of IFRIC 14, whereby an entity under certain circumstances was not allowed to recognise an asset for the prepayment of a minimum funding requirement.

In addition, the Group has adopted the various amendments to International Financial Reporting Standards and the related Bases for Conclusions and guidance made in the International Accounting Board's annual improvement process. The relevant IFRSs subject to Annual Improvements 2010 and applicable to the Group include

IFRS 7 Financial Instruments Disclosure	
IAS 1 Presentation of Financial Statements	
IAS 27 Consolidated and Separate Financial Statemen	ts
IAS 34 Interim Financial Reporting	

New or amended standards and interpretations in issue but not yet effective and not EU endorsed. The following new standards, amendments to standards and interpretations that are expected to impact the Group, which have not been applied in these financial statements, were in issue, but are not yet effective and are not EU endorsed.

- IFRS 9 "Financial Instruments" is effective for annual reporting periods commencing on or after 1 January 2015. The standard will eventually replace IAS 39 but currently only details the requirements for recognition and measurement of financial assets.
- IFRS 10 "Consolidated financial statements" is effective for annual reporting periods beginning on or after 1 January 2013. This standard builds on existing principles by identifying the concept of control as the determining factor in whether an entity should be included within consolidated financial statements.
- IFRS 11 "Joint arrangements" is effective for annual periods beginning on or after 1 January 2013

 This standard provides for a more realistic reflection of joint arrangements by focusing on the rights and obligations of the arrangement, rather than its legal form
- IFRS 12 "Disclosure of interests in other entities" is effective for annual periods beginning on or after 1 January 2013. This standard includes the disclosure requirements for all forms of interests in other entities, including joint arrangements, associates, special purpose vehicles and other off balance sheet vehicles.
- IFRS 13 "Fair value measurement" is effective for annual periods beginning on or after 1 January 2013. This standard applies to IFRSs that require or permit fair value measurements or disclosures and provides a single IFRS framework for measuring fair value and requires disclosures about fair value measurement.
- IAS 19 (revised 2011) "Employee benefits" is effective for annual periods beginning on or after 1 January 2013. This amendment makes significant changes to the recognition and measurement of defined benefit pension expense and termination benefits, and to the disclosures for all employee benefits. IAS 27 (revised) "Separate financial statements" is effective for annual periods beginning on or after

Notes to the financial statements Year ended 30 September 2012

1 General information (continued)

1 January 2013 This standard includes the provisions on separate financial statements that are left after the control provisions of IAS 27 have been included in the new IFRS 10

IAS 28 (revised) "Investments in associates and joint ventures" is effective for annual periods beginning on or after 1 January 2013. This standard includes the requirements for joint ventures, as well as associates, to be equity accounted following the issue of IFRS 11.

IAS 32 "Offsetting financial assets and habilities" is effective for annual periods beginning on or after 1 January 2014, and provides clarification on the application of offsetting rules

Management is currently assessing the impact of adopting these new or amended standards and interpretations

2 Significant accounting policies

Basis of preparation

These financial statements have been prepared in accordance with IFRSs as adopted by the EU and IFRIC interpretations and with those parts of the Companies Act 2006 applicable to Companies reporting under IFRS

The accounting policies adopted are consistent with those of the previous financial period except for those which the Company has adopted in the year

The financial statements have been prepared under the historical cost convention except for the revaluation of certain financial instruments. The principal accounting policies adopted are set out below

The Company is reliant on the support of the fellow group undertaking Thomas Cook Group UK Limited. This support has been formally provided and accordingly the directors of. The Freedom Travel Group Limited have prepared these financial statements on a going concern basis.

Property, plant and equipment

Property and equipment is stated at historical cost, net of accumulated depreciation and any provision for impairment

Where costs are incurred as part of the start-up or commissioning of an item of property, plant or equipment, and that item is available for use but incapable of operating in the manner intended by management without such a start-up or commissioning period, then such costs are included within the cost of the item. Costs that are not directly attributable to bringing an asset to the location and condition necessary for it to be capable of operating in the manner intended by management are charged to the Statement of comprehensive income as incurred.

Depreciation on property and equipment, other than freehold land, upon which no depreciation is provided, is calculated on a straight line basis and aims to write down their cost to their estimated residual value over their expected useful lives as follows

Freehold buildings 50 years Furniture, fittings and equipment 3 – 5 years

The residual values and useful economic lives are reviewed, and adjusted if appropriate, at each balance sheet date

The gain or loss on disposal of property, plant and equipment is calculated as the difference between the proceeds received and the net book value of the asset on disposal, and is recognised on the date of disposal in operating profit

Notes to the financial statements Year ended 30 September 2012

2 Significant accounting policies (continued)

Intangible assets

Goodwill arising on the acquisition of the assets and trade of a business represents any excess of the fair value of the consideration given over the fair value of the identifiable net assets or liabilities acquired Goodwill is recorded at cost less accumulated impairment losses, and is reviewed for impairment at least annually. Any impairment is recognised immediately in the Company's Statement of comprehensive income and is not subsequently reversed. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units). The allocation of goodwill is made to those cash-generating units that are expected to benefit from the business combination in which the goodwill arose

Intangible assets other than goodwill are carried at cost less accumulated amortisation and are tested for impairment when there is an indication that the carrying value may not be recoverable. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use

Amortisation is charged over the assets useful life as follows

Computer software 3 – 10 years

The gain or loss on disposal of computer software is calculated as the difference between the proceeds received and the net book value of the asset on disposal, and is recognised on the date of disposal in operating profit

Inventories

Inventories are stated at the lower of cost and net realisable value. Cost represents purchase price calculated on a first-in, first-out basis. Net realisable value represents the estimated selling price less all costs to be incurred in marketing, selling and distribution. Provision for impairment is made, where necessary, for slow moving, obsolete and defective stock.

Revenue recognition and associated costs

Revenue represents the aggregate amount of travel agency commissions receivable and other services supplied to customers in the ordinary course of business. Revenue and direct expenses relating to inclusive tours arranged by the Company's leisure travel providers, travel agency commission, insurance and other incentives, are recognised on holiday departure. Other revenue and associated expenses are recognised as earned or incurred.

Statement of comprehensive income presentation and exceptional items

Profit or loss from operations includes the results from operating activities of the Company, before its share of the results of associates and joint ventures

The Company separately discloses in the income statement exceptional items, amortisation of business combination intangibles, and IAS 39 fair value re-measurement

Exceptional items, namely items that are material either because of their size or their nature, and which are non-recurring, are presented within their relevant income statement category, but highlighted through separate disclosure. The separate reporting of exceptional items helps provide a full understanding of the Company's underlying performance.

Items which are included within the exceptional category include

- profits/(losses) on disposal of assets or businesses and costs of acquisitions,
- costs of integration of significant acquisitions and other major restructuring programmes,
- significant goodwill or other asset impairments,
- material write-down of assets/reassessment of accruals, reflecting a more cautious evaluation in the light of current trading and economic conditions (excluding errors or prior year items),

Notes to the financial statements Year ended 30 September 2012

2 Significant accounting policies (continued)

Statement of comprehensive income presentation and exceptional items (continued)

other individually material items that are unusual because of their size, nature or incidence

IAS 39 fair value re-measurement includes movements in forward points related to foreign exchange forward contracts and time value of options in cash flow hedging relationships. Both items are subject to market fluctuations and unwind when the options or forward contracts mature and therefore are not considered to be part of the Group's underlying performance.

Tax

Tax represents the sum of tax currently payable and deferred tax. Tax is recognised in the Statement of comprehensive income unless it relates to an item recognised directly in equity, in which case the associated tax is also recognised directly in equity.

Tax currently payable is provided on taxable profits based on the tax rates and laws that have been enacted or substantively enacted at the balance sheet date. Provision is made for deferred tax so as to recognise all temporary differences which have originated but not reversed at the balance sheet date that result in an obligation to pay more tax, or a right to pay less tax, in the future, except as set out below. This is calculated on a non-discounted basis by reference to the average tax rates that are expected to apply in the relevant jurisdictions and for the periods in which the temporary differences are expected to reverse.

Deferred tax assets are assessed at each balance sheet date and are only recognised to the extent that their recovery against future taxable profits is probable

Deferred income tax assets and habilities are offset where there is a legally enforceable right to offset current tax assets against current tax liabilities and when the deferred income taxes relate to the same fiscal authority

Pensions

Pension costs charged against profits in respect of the Company's defined contribution scheme represent the amount of the contributions payable to the schemes in respect of the accounting period

Foreign currency

Transactions in currencies other than the functional currency of the Company are translated at the exchange rate at the date of the transaction. Foreign currency monetary assets and habilities held at the year end are translated at year end exchange rates. The resulting exchange gain or loss is recognised in the Statement of comprehensive income.

Leases

Operating lease rentals are charged to the Statement of comprehensive income on a straight-line basis over the lease term

Revenue in advance

Customer monies received at the balance sheet date relating to holidays commencing and flights departing after the year end is deferred and classified as revenue in advance

Financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets are derecognised when the Company transfers the financial asset or when the contractual rights expire. Financial liabilities are derecognised when the obligation is discharged, cancelled or expires. The measurement of particular financial assets or liabilities is set out below.

Notes to the financial statements Year ended 30 September 2012

2 Significant accounting policies (continued)

Derivative financial instruments

Derivatives are recognised at their fair value. When a derivative does not qualify for hedge accounting as a cash flow hedge, changes in fair value are recognised immediately in the Statement of comprehensive income. When a derivative qualifies for hedge accounting as a cash flow hedge, changes in the fair value that are deemed to be an effective hedge are recognised directly in the hedging reserve. Any ineffective portion of the change in fair value is recognised immediately in the Statement of comprehensive income.

The Company does not designate any of its derivative financial instruments as cash flow hedges and hence takes all changes in fair value through the Statement of comprehensive income

Non derivative financial instruments

The treatment of non derivative financial instruments is set out below

Trade receivables

Trade and other receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest rate method, less provision for impairment. A provision for impairment of trade receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy or financial reorganisation, and default or delinquency in payments (more than 30 days overdue) are considered indicators that the trade receivable is impaired. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account, and the amount of the loss is recognised in the Statement of comprehensive income within 'selling and marketing costs'. When a trade receivable is uncollectible, it is written off against the allowance account for trade receivables. Subsequent recoveries of amounts previously written off are credited against 'operating costs' in the Statement of comprehensive income.

Trade payables

Trade payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest rate method

Cash and cash equivalents

In the cash flow statement, cash and cash equivalents includes cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the balance sheet, bank overdrafts are shown within borrowings in current liabilities.

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

If the effect is material provisions are determined by discounting the expected future cash flows at a pretax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. A provision for restructuring is recognised when the Company has approved a detailed and formal restructuring plan, and the restructuring has either commenced or has been announced to those affected by it. Future operating costs are not provided for. In accordance with the Company's published environmental policy and applicable legal requirements, a provision for site restoration in respect of contaminated land is recognised when the land is contaminated. A provision for onerous contracts is recognised when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract

Notes to the financial statements Year ended 30 September 2012

2 Significant accounting policies (continued)

Share capital

Ordinary shares are classified as equity

Incremental costs directly attributable to the issue of new ordinary shares or options are shown in equity as a deduction, net of tax, from the proceeds

Critical judgments in applying the Company's accounting policies

In the process of applying the Company's accounting policies, described above, management has made the following judgments that have the most significant effect on the amounts recognised in the financial statements

Residual values of tangible fixed assets

Judgments have been made in respect of the residual values of property, plant and equipment. Those judgments determine the amount of depreciation charged in the income statement.

Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below

Tax

Tax assets and liabilities represent management's estimate of tax that will be payable or recoverable in the future and may be dependent on estimates of future profitability

In addition, estimates have been made in respect of the probable future utilisation of tax losses and deferred tax assets have been recognised. The recoverability of these assets is dependent on the agreement of the losses with the relevant authorities and the estimates of future profitability.

Derivative financial instruments

Judgment is required in determining the fair value of derivative financial instruments at each balance sheet date. Where appropriate external valuations from financial institutions and internal valuations from the Thomas Cook Group treasury team are undertaken to support the carrying value of such items.

Notes to the financial statements Year ended 30 September 2012

2 Revenue

_	Revenue		
	An analysis of the Company's revenue is as follows	2012 £'000	2011 £'000 Restated
	Commission from sale of leisure travel services Principal Turnover	2,985 85,494	1,153 65,302
	Total Revenue	88,479	66,455
4	Operating expenses		
		2012 £'000	2011 £'000
	Administrative expenses	(1,877)	(2,027)
5	Finance Income		
		2012 £'000	2011 £'000
	Bank interest receivable		432
6	Profit before tax		
	Profit before tax has been arrived at after charging	2012 £'000	2011 £'000
	Depreciation of property, plant and equipment – owned assets	-	2
	Staff costs (see note 7)	203	481

Auditors' remuneration is paid for centrally and recharged to the Company Amounts payable to PricewaterhouseCoopers LLP and their associates by the Company in respect of non-audit services are disclosed in the financial statements of Thomas Cook Group plc Other operating income stated above is in respect of Management fee income from the flight broking entity

Notes to the financial statements Year ended 30 September 2012

Adjustments in respect of prior periods	-	<u> </u>
Total deferred tax	(61)	
Total tax credit	(594)	

Corporation tax is calculated at 25% (2011 27%) of the estimated assessable loss for the period

Notes to the financial statements Year ended 30 September 2012

8 Tax (continued)

The tax credit for the period can be reconciled to the loss per the income statement as follows

	2012 £'000	2011 £'000
Profit/(loss) before tax	2,359	1,337
Loss before tax multiplied by the current tax rate of 25% (2011 27%)	590	357
Tax effect of		
Expenses that are not deductible for tax purposes	-	-
Group relief surrendered for nil consideration	-	(357)
Deferred tax effect of change in tax rate	4	-
Total income Tax charge for the year	594	-

The Finance (No 2) Act 2010 included legislation to reduce the main rate of UK Corporation Tax from 28% to 27% from 1st April 2011. This was amended by Finance Act 2011 which reduced the rate to 26% with effect from 1st April 2011. Finance Act 2011 also included legislation to reduce the main rate of Corporation Tax to 25% with effect from 1st April 2012, this was amended by Finance Act 2012 which reduced the rate to 24% with effect from 1st April 2012. Finance Act 2012 also included legislation to reduce the main rate of Corporation Tax to 23% with effect from 1st April 2013. The effect of these changes has been to reduce the deferred tax asset by £6k as at September 30, 2012 (reduce the deferred tax liability by £41k as at September 30, 2011)

A further reduction in the main rate of Corporation Tax in the UK by 2% to 21% by 1st April 2014 and to 20% by 1st April 2015 has also been proposed and is expected to be enacted separately. The change has not been substantially enacted at the balance sheet date and therefore is not recognised in these financial statements. The overall effect of the proposed change if applied to the deferred tax balance at the balance sheet date, would be immaterial

Deposits and prepayments	1,179	739
Amount due to group undertakings	29,777	186
	31,392	2,075

Credit risk

The Company's principal financial assets are trade and other receivables, and amounts due from other Group undertakings

The Company's credit risk is primarily attributable to these trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

The Company has no significant concentration of credit risk, with exposure spread over a large number of counterparties and customers

11 Cash and cash equivalents

	2012 £'000	2011 £'000
Cash at bank and in hand and overdrafts	2,841	29,089
	2,841	29,089

For the purpose of the cash flow statement, cash and cash equivalents comprise deposits with banks, bank and cash balances. The carrying amount of these assets approximates their fair value

Notes to the financial statements Year ended 30 September 2012

12 Trade and other payables

	2012 £'000	2011 £'000 Restated
Current habilities		
Trade payables	(27,382)	(26,475)
Other payables Social security and other taxes	(713)	(194)
Accruals	(4,032)	(4,329)
Corporation Tax payable	(623)	(502)
Amounts due to Group undertakings	(114)	-
	(32,864)	(31,500)

The directors consider that the carrying amount of trade payables approximates to their fair value

The amounts owed to the Group and subsidiary undertakings are unsecured, payable on demand

13 Deferred tax

There are no offset deferred tax assets or liabilities in these financial statements

The gross movement on the deferred income tax account is as follows

	2012 £'000	2011 £'000
Beginning of period	4	4
Income statement credit	61	
End of period	65	4

Movements on the deferred taxation assets and liabilities are as follows

Accelerated tax depreciation £'000	Other £'000	Total £'000
4	-	4
1	60	61
5	60	65
	depreciation £'000	£'000 4 - 1 60

Notes to the financial statements Year ended 30 September 2012

_13 Deferred tax (continued)

-	-	-
-	-	-
-	-	-
-	-	-
	depreciation £'000 - -	£'000

At the balance sheet date, the company had short term timing differences of £276k (2011 £14K) available for offset against future profits. There are no unrecognised deferred tax assets or liabilities

14 Financial instruments

Carrying values of financial assets and liabilities

The carrying values of the Company's financial assets and liabilities as at 30 September 2012 and 2011 are as set out below

	Loan and receivables £'000	Financial liabilities at amortised cost £'000
At 30 September 2012		
Trade and other receivables	31,392	-
Cash and cash equivalents	2,841	-
Trade and other payables	-	(32,864)
	34,233	(32,864)
	Loan and receivables £'000	Financial habilities at amortised cost £'000
At 30 September 2011		
Trade and other receivables	2,075	-
Cash and cash equivalents	29,089	-
Trade and other payables		(31,500)
	31,164	(31,500)

Notes to the financial statements Year ended 30 September 2012

15 Financial risk

The Company is subject to risks related to changes in interest rates, counterparty credit and liquidity within the framework of its business operations

Liquidity risk

The liquidity position of the Company is significantly influenced by the booking and payment pattern of customers. As a result, liquidity is at its lowest in the winter months and at its highest in the summer months. The Company manages the seasonal nature of its liquidity by making use of its bank revolving credit facility.

Short-term liquidity is primarily invested in bank deposits

Financial liabilities are analysed below based on the time between the period end and their contractual maturity. The amounts shown are estimates of the undiscounted future cash flows and will differ from both carrying value and fair value.

	Amount due				
At 30 September 2012	in less than 3 months £'000	between 3 and 12 months £'000	between 1 and 5 years £'000	in more than 5 years £'000	Total £'000
Trade and other payables	(25,607)	(7,257)	-	-	(32,864)
Total	(25,607)	(7,257)	-	-	(32,864)

	Amount due				
At 30 September 2011	in less than 3 months £'000	between 3 and 12 months £'000	between 1 and 5 years £'000	in more than 5 years £'000	Total £'000
Trade and other payables	(24,544)	(6,956)	-	-	(31,500)
Total	(24,544)	(6,956)	•	-	(31,500)

Counterparty credit risk

The Company is exposed to credit risk in relation to deposits, derivatives with a positive fair value and trade and other receivables. The maximum exposure in respect of each of these items at the balance sheet date is their carrying value. The Company assesses its counterparty exposure in relation to the investment of surplus cash, foreign exchange and undrawn credit facilities. The Company uses published credit ratings, credit default swap prices and share price performance in the previous 30-day period to assess counterparty strength and therefore to define the credit limit for each counterparty.

The Company's approach to credit risk in respect of trade and other receivables is explained in Note 10

Notes to the financial statements Year ended 30 September 2012

15 Financial Risk (continued)

Capital Management

The Company's objective when managing capital is to safeguard the company's ability to continue as a going concern

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or self assets to reduce debt

The company monitors capital on the basis of net assets and the company strategy is to maintain a net asset position, the values of which are shown on the balance sheet at 30 September 2012 and 30 September 2011

16 Share capital

	2012 £'000	2011 £'000
Authorised:		
150,000 (2011 150,000) ordinary shares of £1 each	150	150
	150	150
Issued and fully paid:		
130,000 (2011 130,000) ordinary shares of £1 each	130	130
	130	130

Notes to the financial statements Year ended 30 September 2012

Cash and cash equivalents comprise cash at bank and other short-term highly liquid investments with a maturity of three months or less

18 Related party transactions

Transactions between the Company and other members of the Thomas Cook Group are disclosed below

Trading transactions	Sale of goods 2012 £'000	Purchase of goods 2012 £'000	Amounts owed by related parties 2012 £'000	Amounts owed to related parties 2012 £'000
Parent and fellow subsidiary undertakings	3,746	-	29,371	(6,428)
Trading transactions	Sale of goods 2011 £'000	Purchase of goods 2011 £'000	Amounts owed by related parties 2011 £'000	Amounts owed to related parties 2011 £'000
Parent and fellow subsidiary undertakings	-	-	-	-

18 Related party (continued)

Notes to the financial statements Year ended 30 September 2012

The Company's revenue represents the aggregate amount of travel agency commissions receivable and other services supplied to customers in the ordinary course of business. Only the commission receivable element of a holiday payment is recognised in the income statement - the balance of the amount payable by the customers is collected by the Company on behalf of the travel provider and is not included in either purchases or sales

The amounts outstanding are unsecured and will be settled in the normal course of business. No guarantees have been given or received. No provisions have been made for doubtful debts in respect of the amounts owed by related parties.

Other trading transactions

During the year, the Company did not enter into any transactions with related parties who are not members of the Thomas Cook Group

19 Ultimate controlling party

Thomas Cook Group plc, incorporated in Great Britain, is the Company's ultimate parent company and ultimate controlling party

The largest and smallest group in which the results of the Company are consolidated is that of which Thomas Cook Group plc is the parent company. The consolidated accounts of Thomas Cook Group plc may be obtained from 6th Floor South, Brettenham House, Lancaster Place, London, WC2E 7EN
