TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 AUGUST 2020

The Council members present this their annual report together with the audited financial statements of St. George's School, Edgbaston for the 1 September 2019 to 31 August 2020. The Council members confirm that the Annual Report and financial statements of the company comply with the current statutory requirements, the requirements of the company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Since the company qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

Overview

The School continues to focus on ensuring the governance and management has oversight of the School. Its primary focus is ensuring that the School is working efficiently and properly addressing its mandate to provide efficient education for its pupils; where necessary external consultants are consulted, also Birmingham LA where appropriate.

Objectives and activities

The Object of the School as stated in the Articles of Association is the advancement of the education of students in accordance with the principles of the Christian faith by the provision of a School (Junior, Senior and Sixth form) whose ethos is based on these principles.

The school's key objective is to continue to provide quality education to current and future generations of children. In addition to providing a formal education in accordance with statutory requirements, the School also places emphasis on preparing students for life. These objectives are delivered within a safe learning environment.

The School currently provides education to boys and girls aged between rising three and eighteen plus years of age.

At the end of the 2020 academic year, the Lower School had 101 pupils on roll and the Upper School and Sixth form had 278 pupils on roll.

The Trustees are aware of their responsibility to be open and transparent by ensuring there is clear evidence of public benefit associated with their activities. Accordingly, the School is committed to supporting the education and development of its pupils and where necessary and possible, provides financial relief to individual pupils through bursaries or scholarships of an agreed amount in accordance with School's Admissions Policy. The record of financial relief offered to students is unusually generous for a School as small as St George's.

At the time of writing, nine pupils have full remission of fees.

Bursaries in the amount of £473,726 awarded to students in 2020 (2019: £314,790). The Trustees ensure that the benefits of the School are available to as wide an audience as possible. Many of our students come from lower socio-economic groupings.

At all times the Trustees consider the Charity Commission's guidance on public benefit. Further the Trustees fully respect and support the School's policy on the Conflict of Interest.

Reserves policy and going concern

The School had £1,600,288 total reserves as at 31 August 2020 (2019: £1,434,664). Free reserves are the School's reserves that are freely available to spend on any of the School's purposes and therefore exclude restricted funds and tangible fixed assets. At 31 August 2020 the School held free reserves of £818,891 (2019: £492,185).

Ideally the Council would like to hold a reserve equivalent to a minimum of three months staff costs with an additional amount for upkeep of premises. Steps are being applied to build reserves to this level.

The trustees examined financial forecasts for the current financial year and over the next three years. It was agreed that cuts in expenditure should be identified whilst a focus on increasing income should be prioritised.

STATEMENT OF TRUSTEES RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2020

The Council members (who are also directors of St. George's School, Edgbaston for the purposes of company law) are responsible for preparing the Council members' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Council members to prepare financial statements for each financial year. Under company law the Council members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Council members are required to:

- · select suitable accounting policies and then apply them consistently;
- · observe the methods and principles in the Charities SORP;
- · make judgments and accounting estimates that are reasonable and prudent;
- · prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Council members are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions, and disclose with reasonable accuracy at any time the financial position of the charitable company, and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF ST GEORGE'S SCHOOL, EDGBASTON

Opinion

We have audited the financial statements of St George's School, Edgbaston (the 'charitable company') for the year ended 31 August 2020 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2020 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF ST GEORGE'S SCHOOL, EDGBASTON

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the Trustees report, which includes the directors' report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report included within the Trustees report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included within the Trustees report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies regime
 and take advantage of the small companies' exemptions in preparing the Trustees report and from the requirement
 to prepare a strategic report.

Responsibilities of Trustees

As explained more fully in the statement of Trustees responsibilities, the Trustees, who are also the directors of the charitable company for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF ST GEORGE'S SCHOOL, EDGBASTON

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The company is incorporated in England and Wales and its registered office is 31 Calthorpe Road, Edgbaston, Birmingham.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). 1.2 Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Charity to be able to continue as a going concern. We have taken consideration of the effects of COVID-19 in making our assessment.

1.3 Charitable funds

General funds are unrestricted funds which are are available for use at the discretion of the Council members in furtherance of the general objectives of the company and which have not been designated for other purposes.

1.4 Incoming resources

Fee Income

Fee income is the total amount receivable by the company in the accounting period for services provided in teaching children, and for services ancillary to their education. School fees are stated after deducting bursaries and discounts.

Grant income

Income from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance. Grants which represent contributions to projects not yet started at the balance sheet date are treated as deferred income.

Investment income

Investment income, including associated income tax recoveries, is recognised when receivable.

1.5 Resources expended

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity. Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

1.6 Tangible fixed assets

All assets costing more than £500 are capitalised.

A review of impairment of a fixed asset is carried out if events of changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Short-term leasehold property straight line over the period of the lease

Expenditure on building enhancement straight line over 10 years School equipment straight line over 5 years Computer Equipment straight line over 3 years

1.7 Cash and cash equivalents

Cash and cash equivalents include cash at bank and in hand.

1.8 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.10 Pensions

Retirement benefits to employees of the charitable company are provided by the Teachers' Pension Scheme ('TPS'). This is a defined benefit schemes and the assets are held separately from those of the charitable company.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the charitable company in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a projected unit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The School also contributes to a NEST defined contribution scheme for its non-teaching staff. Contributions to the scheme are recognised in the statement of financial activities as they become due in accordance with the rules of the scheme.

111 Leases

Rentals under operating leases are charged to the Statement of financial activities incorporating income and expenditure account on a straight line basis over the term of the relevant lease.

1.12 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company, this is normally upon notification of the interest paid or payable by the Bank.

1.13 Debtors

Trade and other debtors are recognised at the settlement amounts after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.14 Creditors

Creditors and provisions are recognised where the school has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount. Deferred income represents fees and trips invoiced in advance.

2 Critical accounting estimates and judgements

In the application of the charitable company's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

15 Pension Commitments

Defined contribution schemes

The charitable company operates a defined contribution pension scheme for all qualifying non-teaching employees. The assets of the scheme are held separately from those of the charitable company in an independently administered fund.

The charge to profit or loss in respect of defined contribution schemes was £45,578 (2019; £40,094). At the balance sheet date contributions amounting to £3,239 (2019; £2,905) were payable.

Defined benefits schemes

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academies. All teachers have the option to opt out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary. These contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019.

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% employer administration charge)
- total scheme liabilities (pensions currently in payment and the estimated costs of future benefits) for service
 to the effective date of £218,100 million, and notional assets (estimated future contributions together with the
 notional investments held at the valuation date) of £196,100 million giving a notional past service deficit of
 £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI. The assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the period amounted to £379,980 (2019: £288,912).

At the balance sheet date contributions amounting to £50,063 (2019: £35,133) were payable.

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The School has accounted for its contributions to the scheme as if it were a defined contribution scheme. The School has set out above the information available on the scheme.
