ABBREVIATED BALANCE SHEET (continued) AS AT 31 MAY 2013

The directors consider that the company is entitled to exemption from the requirement to have an audit under the provisions of section 477 of the Companies Act 2006 ("the Act") and members have not required the company to obtain an audit for the year in question in accordance with section 476 of the Act

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and for preparing financial statements which give a true and fair view of the state of affairs of the company as at 31 May 2013 and of its profit for the year in accordance with the requirements of sections 394 and 395 of the Act and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company

R G Gilbert Director S A Johnson Director

The notes on pages 3 to 6 form part of these financial statements

Keen

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MAY 2013

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention as modified by the revaluation of freehold property and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

The company is the parent undertaking of a small group and as such is not required by the Companies Act 2006 to prepare group accounts. These financial statements therefore present information about the company as an individual undertaking and not about its group.

12 Going concern

The company depends on its existing bank facilities to meet its day to day working capital requirements. Current forecasts indicate that the company expects to be able to operate within these facilities for the whole of the foreseeable future. These facilities are renewed annually and are not guaranteed for the period covered by the going concern review. The directors are not aware, however, of any circumstances that may adversely affect the renewal of these facilities. Accordingly, the directors believe it is appropriate to prepare the financial statements on the going concern basis.

13 Cash flow

The financial statements do not include a Cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.4 Turnover

Turnover comprises revenue recognised by the company in respect of rents received during the year, exclusive of Value Added Tax

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases.

Freehold property - 2% straight line Freehold property improvements - 2% straight line

1.6 Investments

Investments held as fixed assets are shown at cost less provision for impairment

1.7 Investment properties

Investment properties are included in the Balance sheet at their open market value in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) and are not depreciated. This treatment is contrary to the Companies Act 2006 which states that fixed assets should be depreciated but is, in the opinion of the directors, necessary in order to give a true and fair view of the financial position of the company.
