Directors' responsibilities

United Kingdom company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company at the end of the year and of the profit or loss for the year then ended. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

THE BOARD

The directors are responsible for keeping proper accounting records, for safeguarding the assets of the company and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

On 1 July 2004, the Grant Thornton partnership transferred its business to a limited liability partnership, Grant Thornton UK LLP. Under section 26(5) of the Companies Act 1989, the director(s) consented to extend the audit appointment to Grant Thornton UK LLP from 1 July 2004.

Grant Thornton UK LLP offer themselves for reappointment as auditors in accordance with section 385 of the Companies Act 1985.

Report of the independent auditors to the members of Tradesman Link Limited

We have audited the financial statements of Tradesman Link Limited for the year ended 31 May 2004 which comprise the principal accounting policies, profit and loss account, balance sheet and notes 1 to 16. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the report of the directors and the financial statements in accordance with United Kingdom law and accounting standards are set out in the statement of directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom auditing standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the report of the directors is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read other information contained in the report of the directors and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of opinion

We conducted our audit in accordance with United Kingdom auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

Report of the independent auditors to the members of Tradesman Link Limited (continued)

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the company as at 31 May 2004 and of its loss for the year then ended, and have been properly prepared in accordance with the Companies Act 1985.

Principal accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost convention. The principle accounting policies of the company have remained unchanged from the previous year.

Goodwill

Purchased goodwill, representing the excess of the fair value of the consideration given over the fair values of the identifiable net assets acquired, is capitalised and is amortised on a straight line basis over its estimated useful economic life.

Software development costs

Software development costs incurred on specific projects are capitalised when recoverability can be assessed with reasonable certainty and amortised on a straight line basis over their estimated useful life of three years commencing with the first year of sale. All other research and development expenses are charged to the profit and loss account as incurred.

Amortisation

Amortisation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Purchased goodwill

- 5 years

Database licenses

- 3 years

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Fixtures & Fittings

20%

Computer equipment

- 33 1/3%

Deferred taxation

Deferred tax is recognised on all timing differences where the transactions or events that give the company an obligation to pay more tax in the future, or a right to pay less tax in the future, have occurred by the balance sheet date. Deferred tax assets are recognised when it is more likely than not that they will be recovered. Deferred tax is measured using rates of tax that have been enacted or substantively enacted by the balance sheet date.

3 Directors and employees

No salaries or wages have been paid to employees, including the directors, during the year.

4 Taxation on ordinary activities

(a) Factors affecting current tax charge

The tax assessed for the year does not equate to the small companies rate of corporation tax in the UK of 19% (2003 - 19%). The differences are explained as follows:

Loss on ordinary activities before taxation	2004 £ (80,143)	2003 £ (138,552)
Loss on ordinary activities by small companies rate of corporation tax in the UK of 19% (2003 - 19%) Tax losses carried forward	(15,227) 15,227	(26,325) 26,325
Total current tax		

(b) Factors that may affect future tax charges

Unrelieved tax losses of £765,000 (2003 - £730,000) remain available to offset against future taxable trading profits subject to agreement with the Inland Revenue, however no deferred tax asset has been recognised due to the uncertainty of their use.
