**Report of the Trustees  
for the Year Ended 31 March 2021**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**Chairs Report**

This report will, no doubt, mirror many others for this unprecedented year during the Covid-19 pandemic. Since 1st April 2020 until 31st March 2021 we have been in 3 national lockdowns, lasting nearly 6 months in total. We therefore have not been able to open the centre and remain closed until such time as the government allows. During the period all staff except the Head of Centre were furloughed, most of the time. Two returned to work for a few days each month to pay wages, complicated by the furlough scheme, and essential maintenance. The Head of Centre was kept on full time to work with the board on ways to reopen as soon as the government allowed. This included endless discussions with booked groups; either moving them to a new date, or handling cancellations, as well as re-opening risk assessments, new protocols for both visitors and staff, prioritising essential maintenance to our buildings and putting in place any new structures and equipment needed to ensure there were no delays to re-open the centre when allowed. Without actual visitors and activities, we have had no income, so it has been extremely fortunate we had sufficient funds saved to allow some flexibility, though it has been an extremely stressful time.

It was reassuring so many groups booked for the period were still keen to come, no matter when. Marrick Priory is clearly viewed to change our visitors lives for the better through outdoor activities and demonstrates the public benefit our work brings. Many of them moved their dates to the following year. This has ensured the bookings for 2021 and beyond are already looking positive.

As soon as the first lockdown was announced the board agreed to meet monthly. Our main aims were to keep all staff employed through the furlough scheme, ensure we had enough funds to see us through and to find ways to reopen in whatever way, keeping staff active and the centre attractive to visitors. Without any income we regularly reviewed our funds and agreed to revisit our reserves agreement when we had a better view of the recent past and an idea of the future. We are extremely grateful to the Chancellor for the provision of the furlough scheme as well as a number of grants we were able to receive. Without these we would be in a very different position. We also created a Covid Working Group, who met regularly, to find ways of reopening the centre as soon as possible. After some months the group of trustees and HoC agreed to include a number of senior staff for their ideas on reopening. It was hugely successful, and a number of new revenue streams were agreed, including a new website with online purchasing of activities.

Our work is mainly with schools and unfortunately they are still busy catching up with course work, as well as the government still not recommending a return to residential courses. Our Covid Working Group is focusing on encouraging new groups and visitors to Marrick, though we are aware it is the residential courses that financially support the charity. We are also hoping these new groups will widen our audience to ensure we are not so reliant on schools in the future.

During the year there have been no staff changes however we have welcomed 2 new trustees, bringing more expertise and knowledge in heritage buildings, adventure sports and finance. As the board has spent so much time focusing on remaining viable, reopening as soon as possible, retaining the staff and ensuring we are compliant with government regulations, not much attention has been given to our 5 year strategy and other projects.

We continue to prepare for the return of our guests, safeguarding the fabric of the buildings and equipment and implementing risk assessments for the safety of our visitors and staff. The board is constantly learning and embracing new methods of communication and are enjoying the input from the senior team. We very much hope to build on what we've learnt for the future benefit of the centre and our visitors.

I would personally like to thank all the staff, visitors, board and suppliers for their patience, perseverance and sheer hard work to ensure we can open our doors and welcome all once again.

**CHARITABLE OBJECTS AND ACTIVITIES**

**Constitution and Governing Document**

The charity is a company limited by guarantee. Marrick Priory Trust was registered as a charity on 1 December 2010 and is governed by its memorandum and articles.

**Aims and Organisation**

Marrick Priory Trust is an independent company limited by guarantee linked to the Diocese of Leeds of The Church of England.

The primary aim of the charity is to maintain and manage Marrick Priory as a Christian residential community centre for outdoor education and training, religious worship, study and recreation.

**Public Benefit**

The charity's aims and achievements are set out within this report. The activities set out in this report have been undertaken to further the Trust's charitable purposes for the public benefit. The Trustees have complied with the duty under Section 4 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission and the Trustees have paid due regard to this guidance in deciding what activities the Trust should undertake.

**ACHIEVEMENT AND PERFORMANCE**

**FINANCIAL REVIEW**

**Reserves policy**

The reserves policy of the Marrick Priory is to maintain sufficient free reserves (total reserves less restricted funds and fixed assets) to enable the Priory to meet four months expenditure. This is currently £128,000. The current level of free reserves is £524,768. The excess reserves are in anticipation of the capital expenditure plans referenced under "Future Developments" below.

**Principal funding sources**

The majority of the charity's income is derived from its charitable activities, through the provision of outdoor activities.

**FUTURE DEVELOPMENTS**

After encountering difficulty with the funding of the original plans for replacement of the ageing bungalow, the plans are on hold until such time as the trustees can outline the future of Marrick Priory once the pandemic is under control and some sense of normality resumes. We will be considering a plan to build in cost effective stages.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Method of recruitment, appointment, induction and training of trustees**

The organisation advertises for trustees on an adhoc basis. Suitable applicants are then assessed. Trustees appointed are shown around the facilities and verbally informed about the charity's activities, and provided with a copy of the financial statements. Trustees can appoint any nominated person.

**Organisational structure**

The trustees will consist of up to 14 individuals of whom :

- Up to 5 shall be nominated by the Bishop of Leeds;
- Up to 2 shall be nominated by the Leeds Diocesan Board of Finance being the custodian trustee of Marrick Priory; and
- Up to 7 shall be appointed to meet so far as possible the need for representation within the wider community.

Ultimate responsibility for the operation of Marrick Priory rests with the trustees who meet in full on a quarterly basis. A number of sub-committees have specific responsibilities for staffing, development, building works, fund raising and finance. These committees meet as and when required and liaise closely with the full-time staff at the Priory. The day to day management of Marrick Priory is the responsibility of the Head of Centre and Deputy Heads of Centre. They are assisted by a team of instructional staff, together with administrator, business development, maintenance and housekeeper with responsibility for kitchen and domestic staff.

**Key management remuneration**

The charity does not have many employees, and considers the key management personnel to consist of the Head of Centre, Jim Gleave, and unpaid trustees. The Head of Centre is employed by the Leeds Diocesan Board of Finance, but partially funded by Marrick Priory. This funding is reviewed annually by the trustees.

**Related Parties**

The Friends of Marrick Priory continue to make an invaluable contribution to the work of the Priory by raising funds for the Bursary Fund, and major items of expenditure and generating interest and support for the work of the Priory. The trustees wish to record their thanks to all the Friends of Marrick Priory.

**Investment Powers**

Trustees may invest funds as they see fit, subject to the laws and regulations in place at the time.

**Risk Management**

**Independent examiner's report to the trustees of Marrick Priory Trust (A Company Limited By Guarantee)  
(the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2021.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

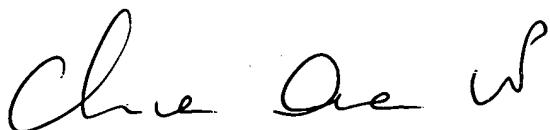

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Tangible fixed assets are measured at cost less accumulated depreciation and any impairment.

The General Fund meets all the general operating costs of the charity.

The Development Fund was established to fund the acquisition and refurbishment of The Prioress' House, and the existing Priory together with the construction of new facilities and accommodation.

Depreciation is provided at the rate of 2% per annum on the property acquired and refurbished as a result of the development. This depreciation is charged against the Development Fund.

The Bursary Fund was established some years ago to provide financial assistance to those unable to meet the full cost of a visit to the centre. The Fund is represented by money held in current and deposit accounts.

The Outdoor Classroom Fund represents funding from Army Community Covenant Fund and Richmondshire District Council towards the purchase of land and construction of the new outdoor classroom building.

The Low Ropes Course Fund represents funding from the The Jessica Bethel Charitable Foundation.
