21 Expenses and indemnity

Forthwith upon demand the Assignor shall pay all costs and expenses (including, without limitation, legal fees) incurred in connection with the preparation, preservation or enforcement of this Deed by Lloyds, or any attorney, manager, agent or other person appointed by Lloyds in connection with the preservation or enforcement of this Deed or by statute, and keep each of them indemnified against any failure or delay in paying the same.

22 Further assurance

The Assignor shall, at its own expense, take whatever action (including, without limitation, payment of all stamp duties and other registration fees) Lloyds may require for:

- 22.1 perfecting or protecting the security intended to be created by this Deed over any of the Assigned Property; and
- 22.2 facilitating the realisation of any of the Assigned Property or the exercise of any right, power or discretion exercisable, by Lloyds or any of its or delegates or sub-delegates in respect of any of the Assigned Property, including the execution of any transfer, conveyance, assignment or assurance of any property whether to Lloyds or to its nominees, and the giving of any notice, order or direction and the making of any registration, which in any such case, Lloyds may think expedient.

23 **Notice of second charge**

If Lloyds receives or is deemed to have received notice that the Assignor has assigned, charged or otherwise disposed of any interest in any of the Assigned Property or has attempted to do so, Lloyds shall be entitled to rule off any account it maintains in respect of the Secured Liabilities and open new accounts in its books. If, despite being entitled to do so, Lloyds does not open a new account or accounts, it shall nevertheless be deemed to have done so at the time Lloyds received such notice and as from that time all payments made by the Assignor to Lloyds shall, in the absence of any express appropriation by Lloyds, be treated as having been credited to such new account(s) and not as having been applied in reduction of the Secured Liabilities.

24 **Suspense account**

All monies received, recovered or realised by Lloyds in the exercise of any powers conferred by this Deed may, in Lloyds's discretion, be credited by it to any suspense or impersonal account and may be held in such account so long as Lloyds thinks fit pending the application from time to time of such monies (and any interest thereon) in or towards the discharge of the Secured Liabilities but without any obligation to apply all or any part of such monies in or towards payment or performance of the Secured Liabilities.

25 **Effect of Insolvency**

If Lloyds considers that any amount paid by the Assignor in respect of the Secured Liabilities is capable of being avoided or set aside on the liquidation or administration of the Assignor or otherwise, then for the purposes of this Deed such amount shall not be considered to have been paid.

26 **Certificates etc**

A certificate, determination, notification or opinion of Lloyds as to any amount payable under this Deed will be prima facie evidence thereof except in the case of manifest error.

27 **Discharge and Avoidance of Payments**

Any settlement or discharge between the Assignor and Lloyds shall be conditional upon no security or payment granted or made to Lloyds by the Assignor or any other person being avoided or reduced by virtue of any provision or enactment relating to administration, bankruptcy, insolvency or liquidation for the time being in force and accordingly (but without prejudice to any other rights of Lloyds) Lloyds shall be entitled to recover from the Assignor the value or amount of such security or payment from the Assignor or to enforce this Deed to the full extent of the Secured Liabilities as if such settlement or discharge had not occurred.

28 **Currency**

28.1 Lloyds may convert any monies received under this Deed from their existing currency of denomination into such other currency or denomination as Lloyds may think fit.

28.2 Any such conversion shall be effected at Lloyds's then prevailing spot selling rate of exchange for such other currency against the existing currency as conclusively determined by Lloyds.

29 **Additional powers of Lloyds**

Lloyds may at any time and from time to time delegate by power of attorney or in any other manner to any person, firm or company or fluctuating body of persons all or any of the powers authorities and discretions which are for the time being exercisable by Lloyds under this Deed or under any legislation in relation to the Assigned Property and any such delegation may be made upon such terms and conditions (including power to sub delegate) and subject to such

regulations as Lloyds may think fit and Lloyds shall not be in any way liable or responsible to the Assignor for any loss or damage arising from any act, default omission or misconduct on the part of any such delegate (or sub-delegate).

30 Further protection

In addition to all other protection afforded by law any person dealing with Lloyds or any Receiver or any delegate or sub delegate as aforesaid shall be entitled to assume without enquiry that monies are owing on the security hereof and have become payable.

31 Immediate recourse

The Assignor hereby irrevocably waives any right it may have of first requiring Lloyds to proceed against or enforce any other rights or security or claim payment from any other person before enforcing the security constituted by this Deed.

32 Assignment

Lloyds shall be entitled to assign to any person its interest in this Deed and/or the Assigned Property whether absolutely or by way of charge and whether in whole or in part. The Assignor cannot transfer, assign or deal in any way with this Deed.

33 Contracts (Rights of Third Parties) Act 1999

A person who is not a party to this Deed has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Deed. This does not affect any right or remedy of a third party which exists or is available apart from that Act.

34 Counterparts

This Deed may be executed in any number of counterparts, all of which, taken together, shall constitute one and the same document and either party may enter into this Deed by executing a counterpart.

IN WITNESS WHEREOF this Deed is executed and delivered as a deed on the date first above written.
