### Directors' report

The directors present their annual report for the year ended 31 July 2004.

#### Results and dividends

The trading loss for the period, after taxation, amounted to £96,772 (2003: profit £13,063). The directors do not recommend the payment of a dividend,

#### Principal activities

The principal activity is to invest in start-up companies with innovative technology derived from University research and to promote businesses that use this technology.

#### **Business Review**

The Board has had an active year. First stage investment in CXR Ltd, a new spin out company, was completed. As a result of a recapitalisation of CXR Ltd later in the year, the Board took the opportunity to sell this investment at cost. Additionally, the Board agreed a development loan to NTX another spin-out project. The Board has adopted an active role in monitoring and mentoring the growing portfolio of investments. As a result the Company participated in a further financing round for Cybersense Ltd and in second financing rounds for OmniPerception Ltd, Polarmetrix Ltd and Genie Healthcare Ltd achieved performance milestones and the shares have now been fully paid. The Board also agreed to a further investment of £50,000 in Genie Healthcare Ltd to be made in 2004/5.

The Board has applied their experience and contacts to help potential investees develop their strategy and business plans and where needed has authorised stimulus funding in the form of convertible loans. The Board agreed to write down the investment in IEcoS Ltd. as in the Directors' opinion the investment has suffered a permanent diminuition in value.

During the year the University agreed to invest an additional £100,000 into the Fund in the form of ordinary share capital which will take place in the 2004/5 year. The University has approved a similar annual top up until the Fund becomes self sustaining,

#### Directors and directors' interests

The directors who held office during the period were as follows:

Professor B Blunden

Dr P Bailey
Professor P Dowling (Resigned 20/01/04)

Mrs P Drakes

Professor B Evans

Dr B Ferrari (Appointed 20/01/04)

Mr A Knapp (Appointed 20/01/04)

Mr G Melly

Mr P Norman

None of the directors who held office at the end of the financial year had any disclosable interest in the shares of the company.

According to the register of directors' interests, no rights to subscribe for shares in the company were granted to any of the directors or their immediate families, or exercised by them, during the financial year.

### Auditors

In accordance with Section 384 of the Companies Act 1985, a resolution for the re-appointment of Ernst & Young LLP as auditors of the company was proposed and carried at the Annual General Meeting.

By order of the board

F D Smith

Company Secretary

Senate House University of Surrey

Guildford

Surrey GU2 7XH

Date: 15 November 2004

## Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- \* select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- \* state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- \* prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE UNIVERSITY OF SURREY SEED FUND LIMITED

We have audited the company's financial statements for the year ended 31 July 2004 which comprise the Profit and Loss Account, Statement of Total Recognised Gains and Losses, Balance Sheet and the related notes 1 to 16. These

financial statements have been prepared on the basis of the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our

audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation

of the financial statements in accordance with applicable United Kingdom Law and accounting standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements

and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding

directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent

misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the

financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's

circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are

free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we

also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the company as at 31 July 2004 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act

1985.

A. J. Knapp Director

### **Notes**

## (forming part of the financial statements)

#### 1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

#### Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

#### Investments

Investments are valued at cost unless in the Directors' opinion an investment an investment has suffered a permanent diminuition in value.

#### Cash Flow Statement

The company is exempt from the requirement of Financial Reporting Standard No 1 (revised) to prepare a cash flow statement as it is entitled to the filing exemptions as a small company under sections 246 to 249 of the Companies Act 1985 when filing accounts with the Registrar of Companies.

#### Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, with the exception that deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

#### 2 Operating loss

•	2004	2003
	£	£
Operating loss is stated after charging:		
Auditors' remuneration for audit work	1,653	1,605

### 3 Remuneration of directors

Directors fees to the value of £20,740 (2003: £8,318) were paid during the period. Under the terms of the Directors Agreement the Directors are eligible to participate in options to be granted by the Company over a percentage of each investment made during their term as Director. No pension contributions were made in respect of Directors (2003: nil). No options were granted in the year (2003: nil).

#### 4 Staff numbers and costs

The company had no employees during the period.

#### 5 Interest receivable and similar income

	2004 £	2003 £
On loan to parent undertaking	16,929	22,597

Cybersense Biosystems Ltd, IEcoS Ltd, Omniperception Ltd, Polarmetrix Ltd and GENIE Ltd are not regarded as associate undertakings as the University of Surrey Seed Fund Ltd is not in a position to exercise significant influence in the management of any company.

All of these companies are incorporated in the UK,

The Board approved on 20th September 2004 a further £50,000 investment in GENIE Healthcare Ltd to match a similar investment to be made by the University.

As at 31 July 2004	850,000	(94,272)	755,728

#### 13 Investment Commitments

As at 31 July 2004 the company had commitments to invest in NTX Technologies(£67,000) and Recombinogen Limited (£90,000). These investment commitments are subject to certain contractual milestones being met. No provision has been made within the accounts as, at 31 July 2004, these milestones had not been met.

#### 14 Related party transactions

As the company is a wholly owned subsidiary of the University of Surrey, the company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group (or investees of the group qualifying as related parties). The consolidated financial statements of the University of Surrey within which this company is included can be obtained from the address given in note 15.

#### 15 Ultimate parent undertaking

The company is a subsidiary undertaking of the University of Surrey, England. The ultimate controlling party is the University of Surrey.

The largest group in which the results of the company are consolidated is that headed by the University of Surrey. The consolidated accounts of the University are available to the public and may be obtained from the Finance Department, University of Surrey, Guildford, Surrey, GU2 7XH. No other group accounts include the results of the company.

#### 16 Post Balance Sheet Events

On the 20th September 2004, the Board also agreed to a further investment of £50,000 in Genie Healthcare Ltd, to be made in the 2004/5 financial year.

During the year the University agreed to invest an additional £100,000 into the Fund in the form of ordinary share capital which will take place in the 2004/5 year. The University has approved a similar annual top up until the Fund becomes self sustaining.
