Director's report

for the year ended 31 December 2017

Metrologic Instruments UK Limited

Registration number: 03930944

The director presents their annual report and financial statements for the company for the year ended 31 December 2017.

Principal activities

The company has not traded during the year.

Results

During the year the company has not traded and has not incurred any liabilities, and consequently has made neither a profit nor a loss.

Director

The director of the company who held office during the year and up to the date of signing these financial statements is:

Asad Ali (appointed on 31 January 2018)

Mehmet Erkilic (resigned on 31 January 2018)

Director's indemnities

Pursuant of the company's articles of association, the director is throughout the year ended 31 December 2017 and at the date of this report entitled to a qualifying indemnity provision as defined in section 234 of the Companies Act 2006.

Director's responsibilities statement

The director is responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom accounting standards and applicable law). Under company law the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Events since the balance sheet date

Honeywell International Inc. recently announced its intention to separately spin off its Homes product portfolio and ADI global distribution business, as well as its Transportation Systems business, into two stand-alone, publicly-traded companies as a result of its comprehensive portfolio review. The planned separation transactions are expected to be completed by the end of 2018. However at this stage, it is not possible to determine with any degree of certainty whether there will be any direct impact on Metrologic Instruments UK Limited.

Notes to the financial statements

for the year ended 31 December 2017

Metrologic Instruments UK Limited

Registration number: 03930944

1. Significant accounting policies

These financial statements are prepared on the realisable value of assets and liabilities therein and in accordance with applicable accounting standards in the United Kingdom and the Companies Act 2006.

Accounting basis

The financial statements are prepared under the historical cost convention.

The company has elected to retain its accounting policies for reported assets, liabilities and equity at the date of transition to FRS102 until there is any change to those balances or the company undertakes any new transactions.

2. Cash flow statement and related party transactions

The company is a wholly owned subsidiary company of a group headed by Honeywell International Inc., and is included in the consolidated financial statements of that company, which are publicly available. Consequently, the company has taken advantage of the exemption within FRS 1 "Cash flow statements" (revised 1996) from preparing a cash flow statement.

In accordance with the exemptions available under FRS 8 "Related party disclosures", transactions with other wholly owned undertakings within the Honeywell group are not required to be disclosed in these financial statements, on the grounds that this company is a wholly owned subsidiary of Honeywell International Inc., whose financial statements are publicly available.

3. Employees and directors

In 2017, all directors (2016: all directors) were not remunerated by the company for their role as a director for their services.

The company has no other employees.
