Basis of preparation

These financial statements have been prepared in accordance with Financial Reporting Standard 102 – 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' ('FRS 102'), and with the Companies Act 2006. As the company is dormant, the accounting policies prior to the transition to FRS 102 have been retained, as allowed under FRS102.35.10.

Amounts owed to group undertakings

Amounts owed to group undertakings are recognised initially at fair value, net of transaction costs incurred. Any difference between the amount initially recognised (net of transaction costs) and the redemption value is recognised in the profit and loss account over the period of the borrowings using the effective interest rate method.

Share capital

Ordinary shares are classified as equity and are recorded at the fair value of proceeds received, net of direct issue costs. Where the shares are issued above par value, the proceeds in excess of par value are recorded in the share premium reserve.
