Statement of directors' responsibilities

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006..

The company did not trade throughout the year ended 31 December 2020.

For the year ending 31 December 2020, the company was entitled to exemption from audit under section 480 of the Companies Act 2006 relating to dormant companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provision applicable to companies subject to small companies' regime.

Approved by the Board and signed on its behalf on 24 June 2021

1 Authorisation of Financial Statements and FRS 102

The financial statements of United Biscuits Finance Limited (the "Company") for the year ended 31 December 2020 were authorised for issue by the board of directors on 24 June 2021 and the balance sheet was signed on the board's behalf by Helen McCarthy. United Biscuits Finance Limited is registered, incorporated and domiciled in England and Wales, United Kingdom.

The company has applied FRS102 transitional exemption applicable to dormant companies of retaining its accounting policies for the balance sheet – reported assets, liabilities and equity until such a time in the future when it does undertake a new transaction or there is a change in the balances. Accordingly, there are no transitional adjustments from transition to FRS102 that affects its current or previously reported financial position and performance.

2 Accounting Policies

Basis of accounting

The financial statements are prepared on the historical cost basis of accounting and in accordance with applicable UK accounting standards including FRS 102 mentioned above. The Company is exempt from producing group financial statements, under s400 of the Companies Act 2006, as its ultimate parent in the UK, Pladis Foods Limited has produced group financial statements for the year to 31 December 2020. These financial statements solely relate to United Biscuits Finance Limited.

Going Concern

The Company is dependent on continuing finance being made available by its parent Company to enable to meet its liabilities as they fall due.

Pladis Foods Limited, the parent company of the smallest group in which the company's results are consolidated has agreed to provide sufficient funds to the Company for these purposes. The directors believe that it is therefore appropriate to prepare the financial statements on a going concern basis.

Taxation

Current taxation for the current and prior periods is provided at the amount expected to be paid (or recovered) using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred taxation is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax, or the right to pay less tax, at a future date, at tax rates expected to apply when the timing differences reverse based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements.

Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.
