DIRECTOR'S RESPONSIBILITIES STATEMENT

The director is responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the director is required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS

31 March 2010

1. ACCOUNTING POLICIES

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and the preceding period.

Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

The financial statements have been prepared on a going concern basis. In view of the fact that the company has net liabilities at 31 March 2010, Specialist Computer Holdings plc, the ultimate parent company, has confirmed its intention to provide financial support for the foreseeable future, such that the company can meet its liabilities as they fall due.

Under the provisions of Financial Reporting Standard Number 1, the company has not prepared a cash flow statement as Specialist Computer Holdings plc, the ultimate parent undertaking, has prepared publicly available consolidated financial statements which include the financial statements of the company for the year ended 31 March 2010.

Taxation

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

2. PROFIT AND LOSS ACCOUNT

The company did not trade during the current or preceding year and has made neither a profit or loss, nor any other recognised gain or loss. Accordingly, no profit and loss account has been presented.

3. STAFF COSTS

There were no staff costs charged during the year or the preceding year.

The average monthly number of employees (including executive directors) during the year was 1 (2009 - 1).

4. DIRECTOR'S REMUNERATION

Remuneration

There were no director's emoluments charged during the year or the preceding year

The emoluments of Sir Peter Rigby are paid by other group undertakings. It is not practicable to determine the proportions of such emoluments which are attributable to the director's services to the company. The total emoluments for Sir Peter Rigby are taken into account in the disclosure of director's emoluments in the financial statements of Specialist Computer Holdings plc, the ultimate parent undertaking.

5. DEBTORS
