Dear Sirs

MCT Mitchell Cotts Limited – in Administration ("the Company")
Former Trading Address: Winterstoke Road, Weston Super Mare, North Somerset, BS24
9AT

In accordance with Rule 2 47 of the Insolvency Rules 1986 ("IR86"), the Joint Administrators ("the Administrators") write to provide creditors with details of the progress of the Administration of the Company in the six months since the Administrators' last progress report dated 8 December 2009

# 1 Statutory and financial information

The following are enclosed for your information

Appendix A Statutory information on the Administration
 Appendix B Administrators' receipts and payments accounts to 10 May 2010
 Form 2 24B Administrators' progress report

## 2 Overview of the administration

A summary of the Company's history and the circumstances giving rise to the Administrators' appointment were set out in the Administrators' last progress report dated 8 December 2009 and are not repeated here for the purposes of this report

# 3 Steps taken by the Administrators

On appointment, a sale of the majority of the business and assets to MCT Reman Limited ("Reman") was completed. The transaction involved the sale of the business and the assets in their entirety and totalled £600,000. The Administrators have received the balance in full.

In addition to the sale consideration detailed above, £33,000 has been received in respect of the release of escrow monies relating to employee redundancies and £33,000 of rent pre-paid by the Company has been refunded by Reman

A balance of £8,469 has also been realised into the Administration in respect of busines rate refunds

# 3.1 The fulfilment of the Administrators' statutory duties

The Administrators have a duty to review the conduct of everyone who has acted as a director of the Company in the three years prior to the Administration and report to the Department for Business, Innovation and Skills on their findings. We can confirm that this has been completed, however for confidentiality reasons we are unable to give any further information.

All statutory matters are completed on an ongoing basis. Key outstanding matters include the finalisation of the Company's Corporation Tax position and receipt of the final VAT refund

## 4 Receipts & payments account

Attached at Appendix B is an abstract of the receipts and payments for the Company to 10 May 2010

#### 5 Estimated outcome for creditors

#### 5.1 Secured creditor

The Company's assets are subject to a fixed charge held by the Company's bank, Bank of Scotland Pic ("the Bank")

The Company was part of a group which also comprises Hasgo Group Limited (holding company) and WDS Components Limited (trading subsidiary). As part of the group, the Company is jointly liable for the group debt to the Bank, which stands at £17,929,000.

To date the Bank has received a total distribution of £400,000. The final deferred consideration payment in the sum of £75,000 has been received and will be sent to the bank together with a final distribution upon closure of the Administration.

The sale to Reman included an element of non-cash deferred consideration triggered according to profit levels achieved by Reman in the 24 month period post completion. The Administrators are looking to assign the benefit of any such consideration payable to the Bank to facilitate progress of the Administration to closure.

It is anticipated that the Bank will suffer a significant shortfall in respect of its debt

#### 5.2 Preferential creditors

All of the Company's employees were transferred to the purchaser under Transfer of Undertakings (Protection of Employment) Regulations (TUPE) 2006. Therefore, there are no preferential claims in respect of arrears of wages and unpaid holiday pay.

Since the Administrators' last report it has been established that there is a preferential creditor claim in the sum of £5,901 in relation to the Company's pension scheme. A distribution of 100p in £ has been made in respect of this claim.

# 5 3 Unsecured creditors

Due to the significant shortfall to the Bank as a secured creditor there is no prospect of a distribution to unsecured creditors

The Prescribed Part provisions do not apply to this Administration because there is no floating charge created on or after 15 September 2003

#### 6 Administrators' remuneration

In accordance with Rule 2 106(5A) IR86, as there will not be a distribution to unsecured creditors, the Administrators' remuneration is agreed by the secured creditor and the majority (by value) of the voting preferential creditors

The Administrators have obtained approval from both the secured and preferential creditors on their remuneration being fixed on the basis of the time costs incurred in dealing with the Administration. To date the Administrators have drawn fees of £36,000 and no further fees are anticipated.

# 7 Extension to the Administration

The Administrators considered it necessary for the Administration to be extended to allow the outstanding matters in the Administration to be completed, principally

- Pay the preferential creditor in full,
- Receive and distribute the deferred consideration payments to the secured creditor until
  an assignment of the remaining benefits under the sale agreement to Reman has been
  completed,
- Completion of a surrender of the lease relating to the Company's main premises at Winterstoke Road.
- Receive the VAT refund due,
- Obtain Tax clearance.
- Make a final distribution to the secured creditor

The extension of the Administration was granted by the secured and preferential creditors until 11 November 2010

# 8 Ending the Administration

The Administration will be ended by filing Form 2 35B with the Registrar of Companies in accordance with Paragraph 84(1) of Sch B1 IA86. The Company will be dissolved three months later (subject to the final outcome of the Administration)

Such notice would be filed once the Administrators have concluded all work within the Administration

# 9 Future reporting

Pursuant to Rule 2 47 of the Rules, the Administrators will provide a further progress report to creditors in six months time, or earlier should the Administrations come to an end before that date

Should you have any queries, please do not hesitate to contact my colleague, Neil Weldrick, on 0113 289 4253

Yours faithfully For and on behalf of the Company
