NOTES TO THE FINANCIAL STATEMENTS Year ended 30 April 2017

1. ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable United Kingdom accounting standards. The particular accounting policies adopted are described below.

Accounting convention

The financial statements are prepared under the historical cost convention.

Basis of preparation

The company ceased trading on the 1 November 2003 and has become dormant. As required by FRS 18 'Accounting Policies', the director has prepared the financial statements on a basis other than that of a going concern which includes, where appropriate, writing down the company's assets to net realisable value. The financial statements do not include any provision for the future costs of terminating the business of the company except to the extent those costs were committed at the balance sheet date.

Group accounts

No group accounts have been prepared as the company has taken advantage of the exemption conferred by Section 398 of the Companies Act 2006 on the basis that the group satisfied the "small size" group criteria. Information is therefore presented for the individual company not its group.

Cash flow statement

No cash flow statement has been prepared as the company has taken advantage of the exemption in FRS 1 (Revised) "Cash Flow Statements" relating to small companies.

Investments

Investments held as fixed assets are stated at cost less provision for any impairment in value.

2. PROFIT AND LOSS ACCOUNT

The company did not trade during the financial year and the preceding financial year, therefore, made neither a profit or a loss nor any other recognised gains or losses in either year.
