DIRECTORS' REPORT

The directors submit their report and the financial statements of Gourmet Burger Kitchen Limited for the year ended 30 March 2008

Principal activities

The principal activity of the company during the year was that of operating gourmet burger restaurants

Review of the business and future developments

The results for the year ended 30 March 2008 are set out in the company profit and loss account on page 8

The company has had another strong year Turnover increased 101% to £27,505,000 (2007 £13,668,000) The company achieved full year profit after taxation of £3,247,000 (2007 £745,000)

During the year, the company opened 21 (2007 13) new restaurants taking the total number of restaurants operated by the company as at 30 March 2008 to a total of 43 The company will open further restaurants over the coming years

Dividends

No dividends were declared in the year

Principal risks

The Directors consider the following to be the principal risks faced by the company

Development programme

The company's development programme is dependent on securing the requisite number of new properties. The prime, high footfall restaurant property market is competitive. To mitigate these issues, the company has an experienced property team concentrating on securing new sites for the company.

Supply chain

The company focuses on the freshness and quality of the produce used in its restaurants. It is exposed to potential supply chain disruptions due to the delay or losses of inventory in transit. The company mitigates this risk through effective supplier selection and appropriate back-up supply chain.

Employees

The company's performance depends largely on its brand management team and its local managers and staff. The inability to recruit people with the right experience and skills could adversely affect the company's results. To mitigate these issues the company has implemented a number of schemes designed to retain key individuals.

Risks are formally reviewed by the board and appropriate processes put in place to monitor and mitigate them

DIRECTORS' REPORT

Financial risk management

The board of directors regularly reviews the financial requirements of the company and the risks associated therewith. The company does not use complicated financial instruments, and where financial instruments are used it is for reducing interest rate risk. The company does not trade in financial instruments. Company operations are primarily financed from retained earnings, loans from parent undertaking and bank borrowings (including overdraft facilities). In addition to the primary financial instruments, the company also has other financial instruments such as debtors, prepayments, trade creditors and accruals that arise directly from the company's operations.

Key performance indicators

The directors of The Clapham House Group PLC manage the group's operations at a group level, rather than at an individual business unit level. For this reason, the company's directors believe that an analysis of the group's key performance indicators for the company is not necessary or appropriate for an understanding of the development, performance and position of the business of Gourmet Burger Kitchen Limited's business. The development, performance and position of The Clapham House Group PLC, which include those of the company, are discussed in the group's annual report, which does not form part of this report.

Directors

The following directors have held office since 2 April 2007

PA Campbell ACA DM Page N Mankarious D Sykes NCW Wong ACA

Directors' liability insurance and indemnity

The company has arranged insurance cover in respect of legal action against its Directors. To the extent permitted by UK law, the company also indemnifies the Directors

Employment policy

The company's policies respect the individual regardless of gender, age, race or religion. Where reasonable and practical under the existing legislation, all persons, including disabled persons, have been treated fairly and consistently, including matters relating to employment, training and career development.

The company takes a positive view of employee communication and has established systems for employee consultation and communication of developments. The company operates employee share schemes and a number of profit-related pay schemes as a means of further encouraging the involvement of employees in the company's performance.

Supplier payment policy

The company's policy is that payments to suppliers are made in accordance with those terms and conditions agreed between the company and its suppliers, provided that all trading terms and conditions have been complied with The company does not follow a standard code for dealing specifically with the payments of creditors At 30 March 2008, the company had an average of 44 days (2007 35 days) purchases outstanding in trade creditors

Gourmet Burger Kitchen Limited DIRECTORS' REPORT

Statement as to disclosure of information to auditors

The directors who were in office on the date of approval of these financial statements have confirmed, as far as they are aware, that there is no relevant audit information of which the auditors are unaware. The directors have confirmed that they have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditors

Going concern

After making reasonable enquiries, the Board consider that the company has adequate resources and facilities to continue in operational existence for the foreseeable future and therefore the financial statements are prepared on a going concern basis

Auditors

Baker Tilly UK Audit LLP has indicated its willingness to continue in office

By order of the board

N C W Wong ACA Company Secretary

7 August 2008

Gourmet Burger Kitchen Limited DIRECTORS' RESPONSIBILITIES IN THE PREPARATION OF FINANCIAL STATEMENTS

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period In preparing those financial statements, the directors are required to

- a select suitable accounting policies and then apply them consistently,
- b make judgements and estimates that are reasonable and prudent,
- c prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the requirements of the Companies Act 1985 They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF GOURMET BURGER KITCHEN LIMITED

We have audited the financial statements on pages 8 to 22

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland)

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition, we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion

- the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the company's affairs at 30 March 2008 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985, and
- the information given in the Directors' Report is consistent with the financial statements

The financial statements on pages 8 to 22 were approved by the board of directors and authorised for issue on 7 August 2008 and are signed on its behalf by

David Page Chairman

ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards

CASH FLOW STATEMENT

The company has taken the exemption in Financial Reporting Standard 1 for subsidiary undertakings where 90 per cent or more of the voting rights are controlled within the group and has not prepared a cash flow statement

INTANGIBLE FIXED ASSETS

Intangible fixed assets which mainly comprise trademarks and licences are stated at historical cost less amortisation. Amortisation is provided in order to write off each asset over its estimated useful life at a rate of 5% to 10% straight line.

TANGIBLE FIXED ASSETS

Fixed assets are stated at historical cost less depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write each asset down to its estimated residual value evenly over its expected useful life, as follows -

Leasehold properties and improvements

Plant and equipment

Furniture, fixtures and fittings Motor Vehicles over lease term or renewal term

20% to 33% straight line

10% straight line

20% straight line

Depreciation is charged from the date when the asset is brought into use

IMPAIRMENT

Fixed assets are reviewed for impairment if events or changes in circumstances indicate that the carrying amount may not be recoverable or as otherwise required by relevant accounting standards

Shortfalls between the carrying value of fixed assets and their recoverable amounts, being the higher of net realizable value and value-in-use, are recognised as impairments. Impairments of revalued assets, except those caused by a clear consumption of economic benefit, are recognised in the statement of total recognised gains and losses until the carrying amount reaches depreciated historic cost. All other impairment losses are recognised in the profit and loss account.

INVESTMENTS

Long term investments in subsidiary undertakings and other long term investments are classified as fixed assets and stated at cost in the company's balance sheet

Provision is made for any impairment in the value of fixed asset investments

STOCKS

Stocks are valued at the lower of cost and net realisable value. Net realisable value is based upon estimated selling price less further costs expected to be incurred to completion and disposal. Provision is made for obsolete and slow-moving items.

FOREIGN CURRENCIES

Assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to the profit and loss account.

ACCOUNTING POLICIES

DEFERRED TAXATION

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the group's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantially enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis

PENSIONS

The amount charged to the profit and loss account in respect of pension costs is the contributions payable to money purchase schemes in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the balance sheet.

GOVERNMENT GRANTS

Grants are credited to deferred revenue. Grants towards capital expenditure are released to the profit and loss account over the expected useful life of the assets. Grants towards revenue expenditure are released to the profit and loss account as the related expenditure is incurred.

LEASED ASSETS AND OBLIGATIONS

All leases are "operating leases" and the annual rentals are charged to profit and loss on a straight line basis over the lease term

Rent free periods or other incentives received for entering into a lease are accounted for over the period of the lease so as to spread the benefit received over the period to first rent review

SHARE BASED PAYMENTS

The company has applied the optional transitional exemptions in FRS 20 Share-based Payment and implemented its requirements for grants of equity instruments made after 7 November 2002 which had not vested by the date of incorporation

The Clapham House Group PLC issues equity-settled share based payments to certain employees involved in the operations of Gourmet Burger Kitchen Limited. The fair value of share-based payments is determined at the date of the grant and expensed with a corresponding increase in equity on a straight-line basis over the vesting period, based on the estimate of the shares that will eventually vest, in accordance with the UITF 44 'Group and Treasury Share Transactions'. The amount expensed is adjusted over the vesting period for changes in the estimate of the number of shares that will eventually vest, save for changes resulting from any market-related performance conditions.

The fair value of share-based payments granted in the form of options is measure by the use of the Black-Scholes valuation technique, adjusted for future dividend receipts and for any market-related performance conditions

TURNOVER

Turnover represents the value, net of Value Added Tax, of goods sold and services provided to customers after deducting discounts. Turnover is recognised when the significant risks and rewards of ownership are transferred

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 30 March 2008

I TURNOVER AND PROFIT ON ORDINARY ACTIVITIES BEFORE TAXATION

The company's turnover and profit before taxation were all derived from its principal activity which is carried on entirely within the United Kingdom. The Directors consider that there is only one class of business

The Clapham House Group PLC operates five share based payment schemes

- a Enterprise Management Incentive ('EMI') Share Option Plan
- b Unapproved Share Option Plan,
- c Approve Share Option Scheme 2006 ('CSOP), and
- d 2007 Long Term Incentive Plan ("LTIP"), and
- e Restricted Share Plan

The Clapham House Group PLC's share option plans provide for a grant price equal to the average quoted market price of the shares on the date of grant. The vesting period on all share options is 3 years with an expiration date 10 years from the date of grant. Furthermore, share options are fortified if the employee leaves before the options vest.

The Clapham House Group PLC has granted share options to certain employees involved in the operations of Gourmet Burger Kitchen Limited. The company has measured the services received from the employees by reference to the fair value of the shares at the date those rights to shares were originally granted by The Clapham House Group PLC in accordance with UITF 44 'Group and Treasury Share Transactions'

The details of the share-based payments of The Clapham House Group PLC are discussed in the group's annual report
