#### FINAL ACCOUNT TO CREDITORS AND MEMBERS AS AT 30 AUGUST 2023

#### Natural Solutions (South Wales) Limited ("the Company") - In Creditors' Voluntary Liquidation

#### STATUTORY INFORMATION

Company name: Natural Solutions (South Wales) Limited

Registration number: 03977957

Registered Office: The Clock House, High Street, Wrington, North Somerset,

BS40 5QA

Principal trading activity: Cleaning & environmental services

Liquidator's name: Samantha Hawkins

Liquidator's address: The Clock House, High Street, Wrington, BS40 5QA

Liquidator contact details: ofo@hawkinsinsolvengy colub, and 01934 862877.

Date of appointment: 06 July 2017

#### **ACTIONS SINCE APPOINTMENT**

I was appointed Liquidator of the Company at a meeting of creditors following an objection received to the Deemed Consent. The Company held a General Meeting of Members and a Creditors Meeting on 06 July 2017

No committee was appointed.

Immediately upon my appointment I filed the relevant documents at Companies House and advertised in the London Gazette. I obtained an Insolvency Bond and opened an estate account. I wrote to all known creditors and all connected third parties notifying them of my Appointment and requesting that they share with me any information they may have to assist me with my investigations into the running of the Company and potential asset realisations

There were a number of book debts owing to the Company and investigations commenced immediately into the recovery of these. I will report later in more detail regarding this. Investigations were also made into the number of assets listed on the directors statement of affairs, again I will go into further detail on this below.

Enquiries were also made into the Company's membership of another company and of the sale of assets to Newco. I was assisted throughout these investigations by my solicitor at DAC Beachcroft LLP

Investigations into possible claims were made which consisted of recovering and reviewing documents relating to transactions entered into by the Company in order to advise on any claims that arise, this included a possible preference claim, misfeasance claim and unlawful dividend claims.

Work consisted of recovering historic bank statements from the bank and reviewing, reviewing paperwork concerning employee benefit trust ("EBT") and payments to third parties in order to ascertain what claims may have existed by reason of these matters. I came to the conclusion that the EBT claims were complex and would have required funding to pursue further.

I did establish that there was a preference claim to Premiere Pictures worth circa £23,000. I instructed my solicitor at DAC Beachcroft LLP to pursue this and a settlement was eventually agreed, £5,000 was received by my solicitor.

I am now satisfied that all investigations into possible recoveries are complete and there is nothing further to realise or to do in the liquidation.

There is certain work that I am required by the insolvency legislation to undertake in connection with the liquidation that provides no financial benefit for the creditors. A description of the routine work undertaken since the appointment is contained in Appendix 1.

#### RECEIPTS AND PAYMENTS ACCOUNT

My Receipts & Payments Account for the period from 06 July 2017 to 30 August 2023 and for the period since 05 July 2017 is attached at Appendix 2. All amounts are shown inclusive of VAT. I have reconciled the account against the financial records that I am required to maintain.

#### **ASSET REALISATIONS**

The director's Statement of Affairs listed total assets available to the liquidation totalling £177,375. These were listed as:

Uncharged assets

Estimated to realise £

Plant & machinery Other debtors 6,000.00 25.092.00

Prepayments	875.00
Book debts	30,000.00
Partnership net current assets	92,923.00
Computer equipment	6,000.00
Bank deposit account	50.00
Intercompany accounts	3,201.00
Bank account no 1	4,231.00

I will comment on these assets individually below;

#### Plant & machinery

A valuation completed at the premises prior to my appointment by Gavel Auctioneers and Valuers valued the plant and machinery at £4,750 in situ and £3,000 ex situ. These assets were sold to Newco prior to my appointment.

#### Book debts and other debtors

Total debtors were estimated at £55,092. This was made up of trade debtors and loans to Geo Pollutions Technologies and an employee. We worked on the information we were provided with in order to try to collect these debts owed to the Company but unfortunately we were not provided with enough substantial information to be able to follow these debts up despite our best efforts.

#### **Prepayments**

I have made the decision that it is not cost efficient to spend time investigating the prepayments in respect of the return that may or may not be made.

#### Partnership net current assets

This was described as the accumulated part ownership in Brangwyn Avenue LLP. Due to lack of information it has not been possible to make any realisations here.

#### Computer equipment

I made the decision not to pursue this as it would be of a nominal value and not cost efficient.

#### Bank deposit account

We have only been supplied with details of the current account and have been unable to obtain the details of this account. Despite our continued enquiries into this we were unable to move forward.

#### Intercompany accounts

This was an amount owed by group undertaking, owed by Geo Pollutions Technologies as a current trading balance but we have been told that the amount has probably changed. Our investigations found that Geo Pollutions were owed more by the Company than they owed to the Company, as such there was nothing to realise.

#### Bank account no 1

We contacted the pre-appointment bank and requested statements and balance to be sent to the liquidation account. A review of the account showed that it was actually overdrawn by a substantial amount and there was nothing to realise.

#### Preference claim

As reported above, a settlement figure was agreed in respect of a preference payment made to Premiere Pictures two months after the Company first contacted us and £5,000 was received in respect of this.

Time was spent by my solicitor liaising with Premiere Pictures to gain information regarding this payment.

#### Refund received

During the course of the liquidation the following refunds have been received into the estate account held by Hawkins Insolvency Limited;

Lloyds Bank Plc, £45.59 – refund for incorrect interest rate charged. South West Water, £19.50 – refund for credit in respect of duplicate payment.

#### INVESTIGATION INTO THE AFFAIRS OF THE COMPANY

I undertook an initial investigation into the Company's affairs to establish whether there were any potential asset recoveries or conduct matters that justified further investigation, taking account of the public interest, potential recoveries, the funds likely to be available to fund an investigation, and the costs involved. I am required by the Statements of Insolvency Practice to undertake such an initial investigation and the work detailed below has been undertaken in connection with that initial investigation.

Specifically, I recovered, listed and reviewed the Company's accounting records; obtained and reviewed copy bank statements for the 6 months prior to the Company ceasing to trade from the Company's bankers; and compared the information in the Company's last set of accounts with that contained in the statement of affairs lodged in the liquidation and made enquiries about the reasons for the changes.

There were no matters that justified further investigation in the circumstances of this appointment.

Finally within three months of my appointment as , I am required to submit a confidential report to the Secretary of State to include any matters which have come to my attention during the course of my work which may indicate that the conduct of any past or present Director would make them unfit to be concerned with the management of the Company. I would confirm that my report has been submitted.

#### **PRE-APPOINTMENT FEES**

The Board previously authorised the payment of a fee of £6,900 plus VAT for my assistance with preparing the statement of affairs and arranging the decision/deemed consent procedure for creditors to appoint a Liquidator at a Board Meeting held on 26 April 2017. Of this £3,450 plus VAT was to be paid to Ferncloud Limited for their assistance with preparing the statement of affairs and arranging the deemed consent/decision procedure. in connection with the statement of affairs.

The fee for preparing the statement of affairs and arranging the decision/deemed consent procedure for creditors to appoint a Liquidator was paid by the Company.

#### REMUNERATION

My remuneration was approved on a time cost basis based on a fees estimate of £22,307. The fees estimate acts as a cap and I cannot draw remuneration in excess of that estimate without first seeking approval from the creditors. My total time costs amount to £13,720.14, representing 43.95 hours of work at a blended charge out rate of £312.18 per hour, of which £2,503, representing 7.80 hours of work, was charged in the period since 05 July 2023, at a blended charge out rate of £320.90 per hour. The actual blended charge out rate incurred compares with the estimated blended charge out rate of £221.16 in my fees estimate. There is a difference in the blended rate charged, compared with the estimated blended rate because more time has been spent at partner level than lower charged staff due to the complexities of the case.

I have drawn remuneration of £2,923.81 plus VAT of which £2,923.81 plus VAT was drawn in the period since 05 July 2023.

A detailed schedule of my total time costs incurred and since 05 July 2023, compared with my original fees estimate is attached as Appendix 3.

#### **EXPENSES**

Expenses are any payments from the estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements. #### Category 1 expenses

Nature of category 1 expense	Amount incurred/ accrued in total	Amount unpaid
