Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules

The company is exempt by virtue of s401 of the Companies Act 2006 from the requirement to prepare group financial statements, as it is a wholly owned subsidiary that is included in the accounts of a larger group. These financial statements therefore present information about the Company as an individual undertaking and not about its group.

Under FRS 1 the Company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements

Related party transactions

The company has taken advantage of the exemption available under Financial Reporting Standard 8, from the requirement to disclose transactions with entities that are part of the group headed by the company's ultimate parent undertaking or investees of that group qualifying as related parties, on the grounds that all of the voting rights in the company are controlled within the group and the company's ultimate parent undertaking includes the company in its own published consolidated financial statements

Taxation

The charge for taxation is based on the profit/loss for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19

Share capital and dividends

Ordinary share capital is classified as equity if it is non-redeemable by the shareholder and any dividends are discretionary. Dividends are only recognised as a liability at that date to the extent that they are declared prior to the year end. Unpaid dividends that do not meet these criteria are disclosed in the notes to the financial statements

2 Profit on ordinary activities before taxation

Auditors' remuneration is borne by other group undertakings (2010 £nil)

3 Remuneration of directors

No remuneration (2010 £nil) was received by the Directors from the Company. They are employed as managers by Unilever UK Central Resources Limited or Unilever Plc and are remunerated by those companies in respect of their services to the group as a whole

4 Interest receivable and similar income

	12 months 2011 £000	9 months 2010 £000
Interest receivable from group undertakings	581	435

Notes (continued)

5 Taxation

(a) Analysis of charge in the year

	12 months 2011 £000	9 months 2010 £000
Current tax		
UK Corporation tax on profits of the year	157	122
Total current tax	157	122
Deferred taxation		
Current year deferred tax movement	-	-
Total deferred tax	-	-
Tax charge on ordinary activities	157	122

(b) Factors affecting tax charge for year

The tax assessed for the year is equal (2010 equal) to the average standard rate of corporation tax in the UK of 27% (2010 28%). The differences are explained below

	12 months 2011 £000	9 months 2010 £000
Profit on ordinary activities before taxation	581	435
Profit on ordinary activities multiplied by the average standard rate of corporation tax in the UK of 27% (2010 28%)	157	122
Current tax charge	157	122

The current UK tax rate that has been used for the year is a hybrid rate of 27%. This is on the basis that the tax rate changed from 28% to 26% as of 1 April 2011. In addition, further reductions to the main rate are proposed to reduce the rate to 22% by 1 April 2014. These further changes have not been substantially enacted at the balance sheet date and therefore have not been included in these financial statements.

There is no recognised or unrecognised deferred taxation in either period.
