NOTES TO THE ABBREVIATED ACCOUNTS
For The Year Ended 31 January 2015

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The company was dormant throughout the current year and previous year.

Deferred tax

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse.

Deferred tax is not recognised when assets are revalued unless, by the balance sheet date, the company has entered into a binding agreement to sell the assets and recognised the gains and losses expected to arise on sale. Deferred tax is also not recognised where assets have been sold and it is expected that the taxable gain will be rolled over into a replacement asset.
