3 Introduction

Further to my report of 23 March 2010 I write to provide my final report on the outcome of the Administration of Fire Realisations Limited in accordance with Rules 2.47 and 2.110 of the Insolvency (Amendment) Rules 2003

The Joint Administrators' proposals have now been completed. There is no prospect of a dividend to unsecured creditors. As such the Joint Administrators will now file this report and Form 2.35B at Companies House to enable the Company to be dissolved.

For your information, a final abstract receipts and payments account for the period 27 February 2010 to 20 August 2010 is attached at Appendix 2.

4 Progress of the Administration to 20 August 2010

Since my last report I have sought and obtained approval from the Secured Creditors for the Joint Administrators' remuneration, as detailed in paragraph 5.2.1 below. A distribution was also made to Barclays for monies owed under its fixed charge held over the Company, as detailed in paragraph 6.1.1 below.

The Joint Administrators' proposals have been completed and consequently, the Company will be dissolved approximately three months after the filing of this report at Companies House.

5 Receipts and payments

An analysis of receipts and payments for the period 27 February 2010 to 20 August 2010 is attached at Appendix 1 and details of these receipts and payments are discussed below.

The receipts and payments are shown net of VAT.

5.1 Receipts

5.1.1 Goodwill

As previously reported the business and assets of the Company were sold to the Purchaser for consideration of £94,050, of which the sum of £84,150 was deferred. At the time of my last report the sum of £18,150 had been received. The remaining element of the deferred consideration related to goodwill and since my last report I have received a further quarterly tranche of £6,600. However, the Purchaser went into liquidation on 28 June 2010 and no further payments are therefore expected in this regard.

5.1.2 Bank interest

The total sum of £9 was received in respect of interest earned on funds in the bank account

5.2 Payments

5.2.1 Joint Administrators' remuneration

The statutory provisions relating to remuneration are set out in Rule 2.106 of the Insolvency Rules 1986

To date the Joint Administrators' time has amounted to 394 hours at a total cost of £92,702 and an average hourly rate of £235. A detailed analysis of these costs, prepared pursuant to Statement of Insolvency Practice 9, is attached to this report as Appendix 3

As there is no prospect of a distribution to the unsecured or preferential creditors, Joint Administrators' fees require the approval of the Secured Creditors. The Joint Administrators have the approval of the Secured Creditors in this case to draw fees and a total of £15,187 has been drawn in this respect, split between fixed and floating charge realisations

A creditors' guide to fees can be found at

However, if you are unable to access this guide and would like a copy, please contact Carolyn Foden

5.2.2 VAT

The company was registered for the purposes of VAT and I was, therefore, able to recover VAT incurred on certain costs of the administration, where allowed under current legislation

5.2.3 Legal fees

Solicitors were instructed to advise and assist in relation to the sale of the Company's business and assets. Their charges totalled £2,500

6 Creditors

6.1 Secured creditors

6.1.1 Barclays Bank plc and Barclays Asset and Sales Finance

As previously reported, Barclays Bank held a fixed and floating charge dated 14 May 2002, over the Company's assets. According to the Company's Statement of Affairs, the

amount outstanding to Barclays at the date of my appointment was £228,658. A first and final distribution in the sum of £4,900 was recently paid to Barclays in this regard.

Barclays Asset and Sales Finance had an invoice finance agreement in place in relation to the Company's pre-appointment book debts. The amount outstanding to BASF at 27 August 2009 was £38,829 and as previously reported the sum of £13,762 was collected by RRG. The remaining debts were written off as they proved to be uncollectable. Therefore BASF suffered a shortfall in this regard.

6.1.2 Partnership Investment Small Loans Funds L.P

As previously reported, PIF held a fixed and floating charge, dated 18 May 2007, over the Company's assets and according to the Company's Statement of Affairs, the sum of £71,344 was outstanding at the time of my appointment.

There were insufficient funds available to enable a distribution to be made in respect of this charge.

6.1.3 James David Maxfield

As previously reported James Maxfield held a fixed and floating charge, dated 12 June 2008, over the Company's assets.

There were insufficient funds available to enable a distribution to be made in respect of this charge.

6.2 Preferential creditors and unsecured creditors

As previously reported, no funds became available for distribution to either the preferential or unsecured creditors.

7 Joint Administrators' proposals

A copy of the Joint Administrators' proposals was sent to all creditors on 19 October 2009 as part of the initial report to creditors. The proposals are summarised at Appendix 5. There have been no amendments to or deviations from the Joint Administrators' proposals.

Consequently, in accordance with Resolution (1) of the proposals, it is our intention to apply to have the Company dissolved.

Appendix 5 - Joint Administrators' original proposals

The Joint Administrators proposed the following

Resolution 1

- to continue to do all such things reasonably expedient and generally exercise all their powers as contained in Schedule B1 of the Insolvency Act 1986 as Joint Administrators as they, in their discretion, consider desirable in order to fulfil the objective of maximising realisations from the assets of the Company,
- to seek an extension to the Administration period if deemed necessary by the Joint Administrators pursuant to Paragraph 76 of Schedule B1 to the Act,
- when it is considered that no further distributions to creditors will be made and that the Joint Administrators have concluded their duties, to take the necessary steps to move the Company from Administration to Dissolution, pursuant to Paragraph 84 of Schedule B1 to the Act,
- to investigate and, if appropriate, pursue any claims the Company may have,
- to allow the Administration to cease to have effect following the 12 month period or any extension thereof,
- if the Joint Administrators consider that a distribution will be made to unsecured creditors of the Company to take the necessary steps to move the Company into Creditors' Voluntary Liquidation pursuant to Paragraph 83 of Schedule B1 to the Act,
- if Creditors' Voluntary Liquidation is deemed appropriate, the Joint Administrators would be permitted to seek the appointment of Howard Smith and Mark Firmin of KPMG LLP as Joint Liquidators of the Company without any further recourse to creditors. In accordance with Paragraph 83(7) and Rule 2.117(3), creditors may nominate a different person as the proposed Liquidator, provided that the nomination is made after the receipt of the proposals and before the proposals are approved,
- if one of the criteria set out in Paragraph 79(2) of Schedule B1 to the Act apply to the Company, to make an application to court to end the Administration and, if deemed appropriate, to petition the court for the winding up of the Company. If appropriate, the Joint Administrators will, at the same time, apply to be appointed as Joint Liquidators under Section 140(1) of the Act and the Joint Administrators will seek a resolution from creditors to be discharged from liability 14 days after the cessation of their appointment as Joint Administrators, in respect of any action of the Joint Administrators pursuant to Paragraph 98 of Schedule B1 of the Insolvency Act 1986
- that the Joint Administrators be discharged from liability in accordance with Paragraph 98 (2) of Schedule B1 of the Insolvency Act 1986 immediately upon their appointment as Joint Administrators ceasing to have effect
- in the event that Howard Smith and Mark Firmin are appointed Joint Liquidators then they will be allowed to act jointly and severally

Resolution 2

In relation to Administrators' fees

- That in the event that no creditors committee is formed, the Joint Administrators be authorised to draw fees on account from the assets of the Company from time to time, during the period of the Administration, based on time properly spent by KPMG LLP. Time costs incurred by the Joint Administrators are to reflect the complexity of the assignment in accordance with the charge out rates detailed in Appendix 3,
- that the costs of KPMG LLP in respect of HSE, Pension, Tax, RRG (Receivables Realisations Group) and VAT advice provided to the Joint Administrators be based upon time costs and shall be paid out of the assets of the Company
