Respective Responsibilities of Directors and Auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 1, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the Audit of the Financial Statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Fundamental Uncertainty

The financial statements have been prepared on a going concern basis, the validity of which depends upon the continued support of the company's other group companies as explained in Note 1 to the accounts. Our opinion is not qualified in this respect.

1. Accounting Policies

Basis of Accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

The financial statements have also been prepared in accordance with applicable accounting standards and on the going concern basis which assumes that the company will continue in operational existence for the foreseeable future. If the company were unable to continue trading then certain adjustments would have to be made to restate assets to their recoverable amounts, to provide for future liabilities which may arise and to reclassify long term assets and liabilities as current.

The validity of this assumption depends on the continued support of the company's other group companies.

Related Parties Transactions

The company is a wholly owned subsidiary of Architectural & Building Products Limited, the consolidated accounts of which are publicly available. Accordingly, the company has taken advantage of the exemption in the Financial Reporting Standard for Smaller Entities (effective April 2008) from disclosing transactions with members or investees of the Architectural & Building Products Limited group.
