Notes to the Abbreviated Accounts

For the year ending 31 March 2011

1 **Accounting policies**

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents the value of sales to customers, net of discounts, allowances, volume and promotional rebates and other payments to customers. Sale of goods are recognised when the company has delivered product to the customer, the customer has accepted the products and collectability of the related receivable is reasonably assured.

Deferred tax

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future, at the tax average rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

| | |
|---------------------|-------------------------|
| Plant and machinery | 25% on reducing balance |
| Computer equipment | 25% on reducing balance |
