REPORT OF THE DIRECTORS (CONTINUED)

Directors' statement of responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law of England and Wales requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2007

1 Statement of accounting policies

The financial statements have been prepared in accordance with applicable United Kingdom law and accounting standards. The particular accounting policies, all of which have been applied consistently during the current and prior year, are described below.

Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 1985 and applicable UK accounting standards

Cash flow

The company qualifies as a small company as defined within United Kingdom companies legislation. As such, the directors have taken advantage of the exemption not to prepare a cash flow statement.

Taxation

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid, or recovered, using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date

Deferred tax is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on tax rates and laws that have been enacted or substantively enacted at the balance sheet date. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those which are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.
