- (b) The parties acknowledge that the ranking of the security created pursuant to Clause 3.1(a) (*Fixed charges*) is subject to the Existing Security and the Intercreditor Deed and that the application of proceeds pursuant to this Deed and the Existing Security is provided for in the Intercreditor Deed.

### 3.2 Floating charge

- (a) As further security for the payment of the Indebtedness, subject to sub-paragraph (b) below, each Charging Company charges with full title guarantee in favour of the Security Agent (for the benefit of the Security Agent and the other Secured Parties) by way of first floating charge all its present and future assets not otherwise effectively mortgaged by way of first legal mortgage under Clause 3.1(a)(i) (*Fixed charges*), charged by way of first fixed charge under Clause 3.1(a)(ii) (*Fixed charges*) or assigned under Clause 3.3 (*Security assignment*) including any assets comprised within a charge which is reconverted under Clause 3.5(c) (*Automatic conversion of floating charge*), heritable property and all other assets in Scotland.

The floating charge created by each Charging Company shall:

- (i) except as otherwise agreed in writing by the Security Agent, rank in priority to any other Security Interest created by a Receiver appointed under this Deed; and
- (ii) be a qualifying floating charge for the purposes of paragraph 14 of schedule B1 to the Insolvency Act 1986.
- (b) The parties acknowledge that the ranking of the security created pursuant to Clause 3.2(a) (*Floating charge*) is subject to the Existing Security and the Intercreditor Deed and that the application of proceeds pursuant to this Deed and the Existing Security is provided for in the Intercreditor Deed.

### 3.3 Security assignment

- (a) On and from the date on which the Assigned Agreements are re-assigned to the relevant Charging Company under each of the March 2015 Debenture, November 2014 Debenture, June 2013 Debenture, May 2012 Debenture, the March 2012 Debenture and May 2010 Debenture as further security for the payment of the Indebtedness, each Charging Company assigns absolutely (subject to the right to reassignment on redemption pursuant to Clause 24.6 (*Covenant to release*)) to the Security Agent all its rights, title and interest in the Assigned Agreements, together with the benefit of all its rights, claims and remedies in respect of such Assigned Agreements.
- (b) Until the occurrence of a Declared Default, but subject to Clause 8.7 (*Assigned agreements*), each Charging Company may continue to deal with the counterparties to the relevant Assigned Agreements.

### 3.4 Conversion of floating charge

If:

- (a) a Declared Default has occurred; or
- (b) the Security Agent is, acting reasonably, of the view that any legal process or execution is being enforced against any Floating Charge Asset or that any Floating Charge Asset is in danger of being seized or otherwise in jeopardy,

the Security Agent may, by notice to any Charging Company, (**provided that**, in respect of any conversion of the floating charge under paragraph (b) above, the Security Agent may only specify the Floating Charge Asset in question or the group of assets into which that Floating Charge Asset falls) convert the floating charge created under this Deed into a fixed charge as regards those assets which it specifies in the notice. Each relevant Charging Company shall promptly execute a fixed charge or legal assignment over those assets in the form which the Security Agent requires.

### 3.5 Automatic conversion of floating charge

- (a) Notwithstanding any other provision of this Deed (and without prejudice to the circumstances in which the floating charge created under Clause 3.2 (*Floating charge*) will crystallise under general law but subject to Clause 3.5(b) below):
- (i) if any Charging Company creates (or purports to create) any Security Interest (except as permitted by the Relevant Secured Documents or with the prior consent of the Security Agent) on or over any Floating Charge Asset;
  - (ii) if any third party levies or attempts to levy any distress, attachment, expropriation, sequestration, execution or other legal process against any Floating Charge Asset;
  - (iii) a resolution is passed or a petition is presented for the winding-up or administration in relation to any Charging Company which is not discharged within 14 days (in the case of a winding-up petition) or 5 days (in the case of a petition for an administration order) or in any event before such petition is heard or a resolution is passed for a creditors' voluntary winding-up or a creditors' voluntary winding-up is commenced, or
  - (iv) an Administrator or Receiver is appointed in respect of any Charging Company or the Security Agent receives notice of an intention to appoint an Administrator pursuant to paragraphs 15 or 26 of schedule B1 of the Insolvency Act 1986 in respect of any Charging Company;

the floating charge created under this Deed will automatically (without notice) and immediately be converted into a fixed charge over the relevant Floating Charge Asset.

- (b) No floating charge created by Clause 3.2 (*Floating charge*) may be converted into a fixed charge or otherwise crystallise solely by reason of:
- (i) the obtaining of a moratorium by any Charging Company;
  - (ii) anything done with a view to obtaining a moratorium,
- under section 1A and schedule A1 of the Insolvency Act 1986 as inserted by the Insolvency Act 2000 section 1, schedule 1, paragraphs 1 and 2.
- (c) Any charge which has crystallised under Clause 3.4 (*Conversion of floating charge*) or Clause 3.5(a) above may be reconverted into a floating charge by notice given at any time by the Security Agent to the Charging Company concerned in relation to the assets specified in such notice.

### 3.6 Fixed and floating security

- (a) Subject to paragraph (b) below, if for any reason any Security Interest in respect of any asset created or purported to be created pursuant to this Clause 3 (*Charging clause*) as a fixed charge or assignment, does not, or ceases to, take effect as a fixed charge or assignment, then it shall take effect as a first floating charge in respect of such asset. However it is the intent of the parties that the Security Interests over other Charged Property shall remain unaffected.
- (b) The parties acknowledge that the ranking of the security created pursuant to Clause 3.6(a) (*Fixed and floating security*) is subject to the Existing Security and the Intercreditor Deed and that the application of proceeds pursuant to this Deed and the Existing Security is provided for in the Intercreditor Deed.

### 3.7 **Excluded Assets**

There shall be excluded from the fixed charge created by Clause 3.1 (*Fixed charges*), any assets that are Excluded Assets.

### 3.8 **Leasehold interests containing prohibition on charging**

- (a) Until the relevant consent has been obtained, there shall be excluded from the mortgage and charge created by Clause 3.1 (*Fixed charges*) (and from the operation of the further assurance provisions set out in Clause 5 (*Further assurance*)) any leasehold property held by a Charging Company under a lease the terms of which either preclude absolutely such Charging Company from creating any charge over its leasehold interest in such property or require the consent of any third party prior to the creation of such charge and such consent shall not have been previously obtained (each an "**Excluded Property**").
- (b) With regard to each Excluded Property, each relevant Charging Company undertakes to make application for the consent of the relevant third party to the creation of the charge contained in Clause 3.1 (*Fixed charges*) (or to be created pursuant to Clause 5 (*Further assurance*)) within twenty Business Days of the date of this Deed or, if later, the date of entry into such lease, and to use all reasonable endeavours to obtain such consent as soon as possible and to keep the Security Agent or its solicitors regularly informed of the progress of its negotiations with such third parties.
- (c) Forthwith, upon receipt of the relevant third party's consent as aforesaid, the relevant Excluded Property shall thereupon stand charged to the Security Agent pursuant to the terms of Clause 3.1 (*Fixed charges*) above. If required by the Security Agent at any time following receipt of such consent the relevant Charging Company will execute a valid legal mortgage in such form as the Security Agent shall reasonably require and comply with the registration requirements set out in Clause 5.2 (*Land Registry*) and the requirements as to title deeds set out in Clause 8.5 (*Title documents*).

### 3.9 **Intellectual Property Rights restricting charging**

- (a) There shall be excluded from the charge created by Clause 3.1 (*Fixed charges*) and from the operation of Clause 5 (*Further assurance*) any Intellectual Property Right in which a Charging Company has an interest under any licence or other agreement which either precludes absolutely or conditionally (including requiring the consent of any third party) that Charging Company from creating any charge over its interest in that Intellectual Property (each an "**Excluded Intellectual Property Right**") until the relevant condition or waiver has been satisfied or obtained.
- (b) For each Excluded Intellectual Property Right, the relevant Charging Company undertakes to apply for the relevant consent or waiver of prohibition or condition within fourteen days of the date of this Deed or, if later, the date of acquisition of such Excluded Intellectual Property Right and, in respect of any licence or agreement which provides that the relevant third party will not unreasonably withhold its consent to charging, to use its reasonable endeavours to obtain such consent as soon as possible and to keep the Security Agent informed of the progress of its negotiations or, in any other case, to use all reasonable endeavours to obtain such consent as soon as possible.
- (c) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Intellectual Property Right shall stand charged to the Security Agent under Clause 3.1 (*Fixed charges*). At any time following receipt of that waiver or consent the relevant Charging Company will, if required by the Security Agent, forthwith execute a valid fixed charge or legal assignment in such form as the Security Agent shall require.

### 3.10 Contracts Containing Prohibition on Charging

- (a) There shall be excluded from the charge created by Clause 3.1 (*Fixed charges*) and from the operation of Clause 5 (*Further assurance*), any Charged Contract in which a Charging Company has an interest under any such agreement or other instrument which either precludes absolutely or unconditionally (including requiring the consent of any third party) such Charging Company from creating any charge over its interest charging in that Charged Contract (each an "**Excluded Contract**") until the relevant condition or waiver has been satisfied or obtained.
- (b) For each Excluded Contract, the relevant Charging Company undertakes to use reasonable endeavours to promptly obtain the consent of the relevant third party for such rights to be charged under this Deed as soon as possible and to keep the Security Agent informed of the progress of its negotiations.
- (c) Forthwith, upon receipt of the relevant third party's waiver or consent as aforesaid, the relevant Excluded Contract shall thereupon be charged to the Security Agent pursuant to the terms of Clause 3.1 (*Fixed charges*) above. If required by the Security Agent at any time following receipt of such waiver or consent the relevant Charging Company will execute a valid fixed charge or legal assignment in such form as the Security Agent shall reasonably require.

### 3.11 Exceptions to the Security

## 4. CONTINUING SECURITY

### 4.1 Continuing security

This security is to be a continuing security and will extend to the ultimate balance of sums payable by any Group Company or any other grantor of Transaction Security under the Secured Documents, notwithstanding any intermediate payment or settlement of all or any part of the Indebtedness or any other matter or thing.

### 4.2 Other security

This security is to be in addition and shall neither be merged in nor in any way exclude or prejudice or be affected by any other security, guarantee, or indemnity or other right which the Security Agent and/or any other Secured Party or any other person may now or after the date of this Deed hold for any of the Indebtedness, and this security may be enforced against any Charging Company without first having recourse to any other rights of the Security Agent or any other Secured Party.

- (c) In respect of any part of the Charged Property title to which is registered at the Land Registry or which is in the process of first registration at the Land Registry, it is certified that the security created by this Deed does not contravene any of the provisions of the memorandum or articles of association of any Charging Company.
- (d) In relation to all real property acquired by any Charging Company at any time following the date of this Deed and which shall be charged by way of legal mortgage under this Deed situated in England and Wales, such Charging Company shall, as soon as reasonably practicable following the completion of the acquisition, apply to the Land Registry for a restriction to be entered on the Register of Title to that property in the same form as the restriction set out in Clause 5.2(a) above, together with an application to the Land Registry in the form set out in Clause 5.2(b) above.

### 10.3 Statutory powers

The powers conferred on mortgagees, Receivers or Administrators by the Law of Property Act 1925 and the Insolvency Act 1986 (as the case may be) shall apply to the security created by this Deed, unless they are expressly or impliedly excluded. If there is ambiguity or conflict between the powers contained in those Acts and those contained in this Deed, those contained in this Deed shall prevail. Such powers shall be extended so as to authorise mortgagees, Receivers or Administrators to lease, make arrangements for leases, accept surrenders of leases and grant options as they think fit and without the need to comply with any of the provisions of sections 99 and 100 of the Law of Property Act 1925 and any lease granted will bind any holder of a subsequent Security Interest deriving title under the mortgagees, Receivers or Administrators.

### 10.4 Fixtures

After the occurrence of a Declared Default, the Security Agent may sever any fixtures from the property to which they are attached and sell them separately from that property.

### 10.5 Appointment of Receivers and Administrators

- (a) If:
  - (i) so requested by a Charging Company; or
  - (ii) at any time after a Declared Default has occurred,

the Security Agent may, subject to paragraph (e) below, by deed under seal or in writing under the hand of any officer of the Security Agent appoint any one or more persons to be Receiver of any Charged Property of that Charging Company or, when permitted by law, may appoint an Administrator of that Charging Company pursuant to paragraph 14 of schedule B1 of the Insolvency Act 1986.

- (b) The Security Agent may by writing under hand (except subject to any requirement for a court order under the Insolvency Act 1986 or any other applicable insolvency law) similarly remove any Receiver.
- (c) If more than one person is appointed Receiver or Administrator of any assets, each Receiver or Administrator may act either jointly or severally unless the document of appointing him states otherwise.
- (d) Section 109(1) of the Law of Property Act 1925 shall not apply to this Deed.
- (e) The Security Agent is not entitled to appoint a Receiver solely as a result of the obtaining of a moratorium (or anything done with a view to obtaining a moratorium) under the Insolvency Act 1986, except with the leave of the court.
- (f) The Security Agent is not entitled to appoint an administrative receiver if prohibited from doing so under section 72A of the Insolvency Act 1986.

#### **10.6 Powers of leasing**

The Security Agent may at any time on or after the Security Interests constituted by this Deed have become enforceable lease, make agreements for leases at a premium or otherwise, accept surrenders of leases and grant options or vary or reduce any sum payable under any leases or tenancy agreements as it thinks fit, without the need to comply with any of the provisions of sections 99 and 100 of the Law of Property Act 1925.

#### **10.7 Exercise of powers**

All or any of the powers conferred upon mortgagees by the Law of Property Act 1925 as varied or extended by this Deed, and all or any of the rights and powers conferred by this Deed on a Receiver (whether expressly or impliedly), may be exercised by the Security Agent without further notice to any Charging Company at any time after the Security Interests constituted by this Deed have become enforceable, irrespective of whether the Security Agent has taken possession or appointed a Receiver of the Charged Property.

#### **10.8 Appropriations**

Until all Indebtedness has been irrevocably and unconditionally paid and discharged in full, each Secured Party (or any trustee or agent on its behalf) may, subject to the terms of the Intercreditor Deed and without affecting the liability of any Charging Company under this Deed:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by that Secured Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Charging Company shall be entitled to the benefit of the same;
- (b) to the extent that any of the Charged Property constitute "financial collateral" and this Deed and the obligations of any Charging Company hereunder constitute a "security financial collateral arrangement" (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No.2) Regulations 2003 (SI 2003 No. 3226) (the "**Regulations**")) the Security Agent shall have the right once the security constituted by this Deed becomes enforceable to appropriate all or any part of such financial collateral in or towards discharge of

the Indebtedness. For this purpose, the parties agree that the value of such financial collateral so appropriated shall be (a) in the case of cash, the amount standing to the credit of each of the Charged Accounts, together with any accrued but un-posted interest, at the time the right of appropriation is exercised; and (b) in the case of Investments, the market price of such Investments determined by the Security Agent by reference to a public index or by such other process as the Security Agent may select, including independent valuation. In each case, the parties agree that the method of valuation provided for in the Deed shall constitute a commercially reasonable method of valuation for the purposes of the Regulations; and

- (c) hold in an interest-bearing suspense account any monies received from any Charging Company or on account of such Charging Company's liability under this Deed.

#### **10.9 Security Agent's Duties**

The Security Agent shall, following the occurrence of a Declared Default exercise all its rights, powers and discretions under this Deed in accordance with the Intercreditor Deed.

### **11. STATUS, POWERS, REMOVAL AND REMUNERATION OF RECEIVER**

#### **11.1 Receiver as agent**

Each Receiver shall be the agent of the relevant Charging Company which shall be solely responsible for his acts or defaults, and for his remuneration, and be liable on any agreements or engagements made or entered into by him. The Security Agent will not be responsible for any misconduct, negligence or default of a Receiver.

#### **11.2 Powers of Receiver**

Each Receiver appointed under this Deed shall, in relation to the Charged Property, have all the powers conferred from time to time on Receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (each of which is deemed incorporated in this Deed), and any other applicable law so that the powers set out in schedule 1 to the Insolvency Act 1986 shall extend to every Receiver, whether or not an administrative receiver. In addition, notwithstanding any liquidation of the relevant Charging Company, each Receiver shall have power to:

- (a) take possession of, collect and get in any of the Charged Property and, for that purpose, take any proceedings in the name of the relevant Charging Company or otherwise;

Any such sale, lease or disposition may be made for cash payable by instalments, loan stock, other debt obligations, shares or securities of another company, or other valuable consideration;

- (i) redeem any prior Security Interests on or relating to the Charged Property and settle and pass the accounts of the person entitled to those prior Security Interests, so that any accounts so settled and passed shall (subject to any manifest error) be conclusive and binding on the relevant Charging Company and the money so paid shall be deemed to be an expense properly incurred by the Receiver;
- (j) appoint and discharge employees, officers, managers, agents, professionals and others for any of the purposes of this Deed and/or to guard or protect the Charged Property upon terms as to remuneration or otherwise as he may think fit;
- (k) settle, refer to arbitration, compromise and arrange any claims, accounts, disputes, questions and demands with or by any person who is or claims to be a creditor of the relevant Charging Company or relating to any of the Charged Property;

The Security Agent may by notice remove from time to time any Receiver appointed by it (subject to the provisions of section 45 of the Insolvency Act 1986 in the case of an administrative receivership) and, whenever it may deem appropriate, appoint a new Receiver in the place of any Receiver whose appointment has terminated, for whatever reason.

**11.4 Section 109 Law of Property Act 1925**

**11.5 Several Receivers**

If at any time there is more than one Receiver, each Receiver may separately exercise all of the powers conferred by this Deed (unless the document appointing such Receiver states otherwise).

**12. APPLICATION OF MONIES AND INTERCREDITOR DEED**

**12.1 Order of application**

All monies received by the Security Agent or any Receiver appointed under this Deed shall be held on trust for the Secured Parties and applied in the following order:

- (a) in payment of the costs and losses incurred, and payments made, by the Security Agent and/or any Receiver (including the payment of preferential debts);

- (d) the surplus (if any) shall be paid to the relevant Charging Company or other person entitled to it.

**12.2 Suspense account**

Until the Indebtedness is paid in full, the Security Agent may place and keep (for such time as it shall determine) any money received pursuant to this Deed or on account of any Charging Company's liability in respect of the Indebtedness in an interest bearing separate suspense account (to the credit of either the relevant Charging Company or the Security Agent as the Security Agent shall think fit) and the Receiver may retain the same for the period which he and the Security Agent consider expedient without having any obligation to apply all or any part of that money in or towards discharge of the Indebtedness.

**12.3 Intercreditor Deed**

The order of application of monies arising as a result of enforcement of this Deed as between the Secured Parties is governed by the terms of the Intercreditor Deed.

**13. PROTECTION OF THIRD PARTIES**

**13.1 No obligation to enquire**

No purchaser from, or other person dealing with, the Security Agent or any Receiver (or their agents) shall be obliged or concerned to enquire whether:

- (a) the right of the Security Agent or any Receiver to exercise any of the powers conferred by this Deed has arisen or become exercisable or as to the propriety or validity of the exercise or purported exercise of any such power; or
- (b) any of the Indebtedness remains outstanding or be concerned with notice to the contrary and the title and position of such a purchaser or other person shall not be impeachable by reference to any of those matters.

### **13.2 Receipt conclusive**

The receipt of the Security Agent or any Receiver shall be an absolute and a conclusive discharge to a purchaser, and shall relieve him of any obligation to see to the application of any monies paid to or by the direction of the Security Agent or any Receiver.

### **13.3 Statutory protection**

- (a) All the protection to purchasers contained in sections 104 and 107 of the Law of Property Act 1925, section 42(3) of the Insolvency Act 1986 or in any other applicable legislation shall apply to any person purchasing from or dealing with the Security Agent, any Receiver or any Delegate.
- (b) Each Senior Finance Party shall comply with its obligations under the Senior Finance Documents (including any obligations to make further advances).

## **14. PROTECTION OF SECURITY AGENT AND RECEIVER**

### **14.1 No liability**

Neither the Security Agent nor any Receiver shall be liable in respect of any of the Charged Property or for any loss or damage which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, their respective powers, unless caused by its or his gross negligence or wilful default.

### **14.2 Possession of Charged Property**

Without prejudice to Clause 14.1 (*No liability*), if the Security Agent or any Receiver enters into possession of the Charged Property, it will not be liable to account as mortgagee in possession and may at any time at its discretion go out of such possession.

### **14.3 Liability of the Charging Companies**

Each Charging Company shall be deemed to be a principal debtor and the sole, original and independent obligor for the Indebtedness and the Charged Property shall be deemed to be a principal security for the Indebtedness. The liability of each Charging Company under this Deed and the charges contained in this Deed shall not be impaired by any forbearance, neglect, indulgence, extension of time, release, surrender or loss of securities, dealing, variation or arrangement by the Security Agent or any other Secured Party, or by any other act, event or matter whatsoever whereby the liability of any Charging Company (as a surety only) or the charges contained in this Deed (as secondary or collateral charges only) would, but for this provision, have been discharged.

### **14.4 Reinstatement**

If any discharge, release or arrangement (whether in respect of the obligations of any Group Company, any other grantor of Transaction Security or other person or any security for those obligations or otherwise) is made by a Secured Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or

otherwise, without limitation, then the liability of each Charging Company under this Deed will continue or be reinstated as if the discharge, release or arrangement had not occurred.

#### **14.5 Waiver of defences**

The obligations of each Charging Company under this Deed will not be affected by an act, omission, matter or thing which, but for this Deed, would reduce, release or prejudice any of its obligations under this Deed (without limitation and whether or not known to it or any Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Group Company, any other grantor of Transaction Security or other person;
- (b) the release of any Group Company, any other grantor of Transaction Security or any other person under the terms of any composition or arrangement with any creditor of any Group Company or any grantor of Transaction Security;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Group Company, any other grantor of Transaction Security or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Group Company, any other grantor of Transaction Security or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of a Secured Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Secured Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Secured Document or any other document or security; or
- (g) any insolvency or similar proceedings.

#### **14.6 Immediate recourse**

Each Charging Company waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Charging Company under this Deed. This waiver applies irrespective of any law or any provision of a Secured Document to the contrary.

#### **14.7 Deferral of Charging Companies' rights**

Until all amounts which may be or become payable by any Group Company or any other grantor of Transaction Security under or in connection with the Secured Documents have been irrevocably paid in full and unless the Security Agent otherwise directs, no Charging Company will exercise any rights which it may have by reason of performance by it of its obligations under the Secured Documents:

- (a) to be indemnified by a Group Company or any other grantor of Transaction Security;
- (b) to claim any contribution from any other guarantor of any Group Company's or any other grantor of Transaction Security's obligations under the Secured Documents;

- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Secured Documents or of any other guarantee or security taken pursuant to, or in connection with, the Secured Documents by any Secured Party;
- (d) to bring legal or other proceedings for an order requiring any Group Company or any other grantor of Transaction Security to make any payment, or perform any obligation, in respect of which any Group Company or any other grantor of Transaction Security has given a guarantee, undertaking or indemnity under any Secured Document;
- (e) to exercise any right of set-off against any Group Company or any other grantor of Transaction Security; and/or
- (f) to claim or prove as a creditor of any Group Company or any other grantor of Transaction Security in competition with any Secured Party.

If a Charging Company receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Parties by any Group Company or any other grantor of Transaction Security under or in connection with the Secured Documents to be repaid in full on trust for the Secured Parties and shall promptly pay or transfer the same to the Security Agent or as the Security Agent may direct for application in accordance with Clause 12.1 (*Order of Application*).

#### **14.8 Security Agent**

The provisions set out in clause 22 (*Appointment and Duties of Senior Security Agent*) of the Intercreditor Deed shall govern the rights, duties and obligations of the Security Agent under this Deed.

### **15. COSTS, EXPENSES, TAXES AND STAMP DUTY**

#### **15.1 Transaction Expenses**

Each Charging Company shall promptly within three Business Days of written demand pay the Security Agent (or procure that the Security Agent is paid) the amount of all costs and expenses reasonably incurred by the Security Agent, any Receiver or Delegate in connection with the negotiation, preparation, printing, execution and perfection of this Deed.

#### **15.2 Enforcement and preservation costs**

Each Charging Company shall, within three Business Days of written demand, pay to (or procure payment to) the Security Agent the amount of all costs and expenses (including legal fees) incurred by it in connection with the enforcement of or the preservation of its rights under this Deed and any proceedings instituted by or against the Security Agent as a consequence of taking or holding the security created under the Deed or enforcing these rights.

#### **15.3 Stamp duties, etc.**

Each Charging Company shall, within three Business Days of demand, indemnify each of the Security Agent and the other Secured Parties from and against any cost, loss or liability for any stamp, stamp duty land tax, documentary, filing and other similar duties and Taxes (if any) which are or may become payable in connection with this Deed other than in connection with any assignment or transfer by the Security Agent.

#### **15.4 Interest Calculation**

All interest under this Deed which accrues and is payable in arrear will accrue on a daily basis and will be calculated by reference to a 360 day year and the actual number of days elapsed (or on any other basis required by market practice).

#### **15.5 Security Agent's ongoing costs**

- (a) In the event an Event of Default is continuing, each Charging Company shall pay to (or procure payment to) the Security Agent any reasonable costs in respect of the investigation of such Event of Default that may be agreed between them.
- (b) If the Security Agent and the Charging Companies fail to agree upon such amount, that dispute shall be determined by an investment bank (acting as an expert and not as an arbitrator) selected by the Security Agent and approved by the Charging Companies or, failing approval, nominated (on the application of the Security Agent) by the President for the time being of the Law Society of England and Wales (the costs of the nomination and of the investment bank being payable by the Charging Companies) and the determination of any investment bank shall be final and binding upon the parties to this Deed.

#### **15.6 Amendment costs**

If any Charging Company requests an amendment, waiver or consent in relation to this Deed, that Charging Company shall, within three Business Days of written demand, reimburse (or procure the reimbursement of) each of the Facility Agent, the Security Agent and the Original Senior Secured Note Trustee for the amount of all reasonable costs and expenses (including reasonable legal fees) incurred by the Facility Agent, the Security Agent, the Original Senior Secured Note Trustee, any Receiver or Delegate in responding to, evaluating, negotiating or complying with that request or requirement.

#### **15.7 Taxes**

All sums payable by or on behalf of each Charging Company under this Deed shall be paid free and clear of all deductions or withholdings (including for or on account of Tax) unless the deduction or withholding is required by law, in which event the relevant Charging Company shall (i) pay such additional amounts as shall be required to ensure that the net amount received and retained (after deduction or withholding) by the person receiving the payment will equal the full amount which would have been received and retained by it had no such deduction or withholding been required to be made, and (ii) remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law.

#### **15.8 VAT**

All sums payable by each Charging Company under this Deed are exclusive of any applicable VAT and the relevant Charging Company shall pay an amount equal to any such VAT in addition to and at the same time as the sum otherwise payable under this Deed.

### **16. CUMULATIVE POWERS AND AVOIDANCE OF PAYMENTS**

#### **16.1 Cumulative powers**

The powers which this Deed confers on the Security Agent, the other Secured Parties and any Receiver appointed under this Deed are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate. The Security Agent, the other Secured Parties or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The respective powers of the Security Agent, the other Secured Parties and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

**16.2 Amounts avoided**

If any amount paid by any Charging Company in respect of the Indebtedness is capable of being avoided or set aside on the liquidation or administration of that Charging Company or otherwise, then for the purposes of this Deed that amount shall not be considered to have been paid.

**16.3 Discharge conditional**

Any settlement or discharge between any Charging Company and any Secured Party shall be conditional upon no security or payment to the Secured Party by that Charging Company or any other person being avoided, set aside, ordered to be refunded or reduced by virtue of any provision or enactment relating to insolvency and accordingly (but without limiting the other rights of the Secured Party under this Deed) the Secured Party shall be entitled to recover from that Charging Company the value which that Secured Party has placed on that security or the amount of any such payment as if that settlement or discharge had not occurred.

**17. RULING OFF ACCOUNTS**

If the Security Agent or any other Secured Party receives notice of any subsequent Security Interest or other interest affecting any of the Charged Property (except as permitted by the Relevant Secured Documents) it may open a new account for the relevant Charging Company in its books. If it does not do so then (unless it gives express notice to the contrary to the Principal Obligor), as from the time it receives that notice, all payments made by that Charging Company to it (in the absence of any express appropriation to the contrary) shall be treated as having been credited to a new account of that Charging Company and not as having been applied in reduction of the Indebtedness.

**18. DELEGATION**

The Security Agent may delegate by power of attorney or in any other manner all or any of the powers, authorities and discretions which are for the time being exercisable by it under this Deed to any person or persons upon such terms and conditions (including the power to sub-delegate) as it may think fit. The Security Agent will not be liable or responsible to any Charging Company or any other person for any losses arising from any act, default, omission or misconduct on the part of any Delegate.

**19. REDEMPTION OF PRIOR CHARGES**

The Security Agent may, at any time after a Declared Default has occurred, redeem any prior Security Interest on or relating to any of the Charged Property or procure the transfer of that Security Interest to itself, and may settle and pass the accounts of any person entitled to that prior Security Interest. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on each Charging Company. Each Charging Company will on demand pay to (or procure payment to) the Security Agent all principal monies and interest and all losses incidental to any such redemption or transfer.

**20. SET-OFF**

A Senior Finance Party may at any time whilst an Event of Default is continuing set off any matured obligation due from any Charging Company in respect of the Indebtedness (to the extent beneficially owned by that Senior Finance Party) against any matured obligation owed by that Senior Finance Party to that Charging Company, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Senior Finance Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

**21. NOTICES**

Any communication to be made under or in connection with this Deed shall be made in accordance with clause 25 (*Notices*) of the Intercreditor Deed.

## **22. CHANGES TO PARTIES**

### **22.1 Assignment by the Security Agent**

The Security Agent may at any time assign or otherwise transfer all or any part of its rights under this Deed in accordance with and subject to clause 22 (*Appointment and Duties of Senior Security Agent*) of the Intercreditor Deed.

### **22.2 Changes to parties**

Each Charging Company authorises and agrees to changes to parties under section 12.6 (*Successors and Assigns, Participations and Assignments*) of the Senior Facilities Agreement and clause 23 (*Change of party*) of the Intercreditor Deed and authorises the Security Agent to execute on its behalf any document required to effect the necessary transfer of rights or obligations contemplated by those provisions.

## **23. CURRENCY CLAUSES**

### **23.1 Conversion**

All monies received or held by the Security Agent or any Receiver under this Deed may be converted into any other currency which the Security Agent considers necessary to cover the obligations and liabilities comprised in the Indebtedness in that other currency at the Security Agent's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.

### **23.2 No discharge**

No payment to the Security Agent (whether under any judgement or court order or otherwise) shall discharge the obligation or liability of the relevant Charging Company in respect of which it was made unless and until the Security Agent has received payment in full in the currency in which the obligation or liability was incurred. To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Security Agent shall have a further separate cause of action against the relevant Charging Company and shall be entitled to enforce the security constituted by this Deed to recover the amount of the shortfall.

## **24. MISCELLANEOUS**

### **24.1 Certificates conclusive**

A certificate, determination, notification or opinion of the Security Agent stipulated for in this Deed or as to any rate of interest or any other amount payable under this Deed will be conclusive and binding on each Charging Company, except in the case of manifest error.

### **24.2 Invalidity of any provision**

If any provision of this Deed is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

### **24.3 Counterparts**

This Deed may be executed in any number of counterparts and all of those counterparts taken together shall be deemed to constitute one and the same instrument.

**24.4 Failure to execute**

Failure by one or more parties ("Non-Signatories") to execute this Deed on the date hereof will not invalidate the provisions of this Deed as between the other parties who do execute this Deed. Such Non-Signatories may execute this Deed (or a counterpart thereof) on a subsequent date and will thereupon become bound by its provisions.

**24.5 Third party rights**

Unless expressly provided to the contrary in this Deed a person who is not a party to this Deed has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or enjoy the benefit of any term of this Deed.

**24.6 Covenant to Release**

Once the Security Agent is satisfied, acting reasonably, that all the Indebtedness has been paid in full and none of the Security Agent nor any other Secured Party has any contingent liability under any Secured Document to advance further monies to, or incur liability on behalf of, any Charging Company, the Security Agent and each other Secured Party shall, at the request and cost of each Charging Company, take any action which may be necessary to release the Charged Property from the security constituted by this Deed and procure the reassignment of any assets assigned to the Security Agent pursuant to this Deed.

**25. GOVERNING LAW AND SUBMISSION TO JURISDICTION**

**25.1 Governing law**

This Deed and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

**25.2 Submission to jurisdiction**

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (a "Dispute").
- (b) The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) This Clause 25.2 (*Submission to jurisdiction*) is for the benefit of the Secured Parties only. As a result, no Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Secured Parties may take concurrent proceedings in any number of jurisdictions.

**IN WITNESS** whereof this Deed has been duly executed on the date first above written.

To: [name of account bank]

[address]

Dated: [•]

Dear Sirs

[•] (the "Charging Company")

[number and description of the Relevant Account[s]] (the "Specified Account[s]")

1. Pursuant to the debenture dated [•] between, amongst others, the Charging Company and Barclays Bank PLC as Security Agent (the "Deed") the Charging Company has, subject to the Existing Security (as defined in the Deed), charged by way of first fixed charge in favour of the Security Agent all its rights to, and interest in, the balance standing from time to time to the credit of the Specified Account[s] and any other bank account maintained with you and the debts represented by them (the "Accounts"). A copy of the Deed is enclosed. The Deed sets out provisions relating to any dealing with the Accounts until the Security Agent by written notice informs you otherwise. All defined terms used herein, unless otherwise defined herein, shall have the meaning given to them in the Deed.
2. The Charging Company hereby irrevocably and unconditionally instructs and authorises you to disclose to the Security Agent any information relating to the Accounts which the Security Agent requests you to disclose.
3. Subject to any notice received pursuant to the Existing Security, the Charging Company hereby authorises you, upon written notice (substantially in the form attached at appendix A to this notice) from the Security Agent:
  - (a) to pay or to release any monies standing to the credit of the Accounts, in accordance with any instructions which you receive from the Security Agent;
  - (b) not to permit any withdrawal of any monies standing to the credit of the Accounts, without the prior written consent of the Security Agent and to hold all such monies to the order of the Security Agent; and
  - (c) to comply with the terms of any written notices or instructions relating to the Deed and/or the Accounts and the debts represented by them which you receive from the Security Agent.
4. The Security Agent hereby confirms that it consents to the following transactions in relation to the Accounts in accordance with the terms of the mandates relating to such Accounts:
  - (a) you may collect and pay to the credit of any Specified Account the proceeds of credits for the account of the Charging Company;
  - (b) you may make payments to third parties or to other Accounts in the name of the Charging Company on the instructions of the Charging Company and debit the amounts involved to any Accounts;

- (c) you may debit to any Account amounts due to you from the Charging Company for operating such Account, subject to the provisions of the Deed; and
- (d) *[in order to enable you to make available net overdraft facilities on the Accounts, you may set-off debit balances against credit balances on any of the [following] Accounts (where not in breach of the Senior Facilities Agreement);]*<sup>2</sup>

*[Specify accounts and account numbers]*

and further confirms that the Charging Company may otherwise operate the Specified Account(s) in accordance with the terms of the mandates relating to such Accounts until receipt of further notice as contemplated by paragraph 3 above.

- 5. The Security Agent may by notice to you amend or withdraw the consents given in paragraph 4.
- 6. *[If the consent referred to in paragraph 4(d) above is withdrawn, you may immediately set-off debit balances and credit balances on the Account existing immediately prior to the receipt by you of the notice of such withdrawal.]*<sup>3</sup>
- 7. Subject to paragraph 5 above, the instructions and authorisations which are contained in this letter shall remain in full force and effect until the Charging Company and the Security Agent together give you notice in writing revoking or amending them. You may comply with the instructions contained in this letter without further authority from the Charging Company.
- 8. The instructions and authorisations in this letter supersede any instructions and authorisations to the contrary given to you by or on behalf of the Charging Company other than any instructions and authorisations contained in any notice delivered in respect of the Existing Security.
- 9. This letter and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with English law.
- 10. We agree that you are not bound to enquire whether the right of any person (including the Security Agent) to withdraw any monies from the Specified Account has arisen or be concerned with:
  - (a) the propriety or regularity of the exercise of that right;
  - (b) notice to the contrary; or
  - (c) being responsible for the application of any monies received by such person (including the Security Agent).
- 11. We agree that you shall have no liability for having acted on any notice or instructions by any person (including the Security Agent) which on their face appear to be genuine, and which comply with the latest mandates held by you in connection with the Specified Account or relevant electronic banking system procedures in the case of an electronic instruction, and you, as account bank, shall not be deemed to be a trustee for the Charging Company or the Security Agent of the Specified Account.
- 12. Please acknowledge your acceptance of the instructions and authorisations contained in this notice by signing the attached Form of Acknowledgement and returning it to the Security Agent at [●] copied to the Charging Company at [●] or by email to [●].
