'Statement of capital (prescribed particulars of rights attached to shares)'

Class of share	PREFERENCE	
Prescribed particulars	The Preference Shares are redeemable at the company's option upon the delivery of fourteen days' prior written notice and at the shareholder's option upon the delivery of three month's prior written notice at a value equal to the nominal capital paid up plus any outstanding arrears, accruals and deficiencies of the Preference Dividend and any unpaid Preference Dividend thereon. The Preference Shares do not entitle the holders thereof to receive notice of, attend or vote at general meetings or to vote on a written resolution of the company. Upon the winding-up or otherwise of the company (but not on any redemption of Preference Shares), the Preference Shares entitle the holders thereof to receive back the capital paid up on such shares in preference to any other class of share for the time being in issue together with a sum consisting of all outstanding arrears, accruals and deficiencies of the Preference Dividend and any accrued unpaid Preference Dividend on such shares, but do not entitle the holders to participate any further in the distribution of any surplus assets. The Preference Shares entitle the holders to receive a dividend on the Preference Shares held by them in preference to any dividend declared on any other class of shares, but do not entitle the holders to any further or other right of participation in the profits of the company.	● Prescribed particulars of rights attached to shares The particulars are: - particulars of any voting rights, including rights that arise only in certain circumstances; - particulars of any rights, as respects dividends, to participate in a distribution; - particulars of any rights, as respects capital, to participate in a distribution (including on winding up); and - whether the shares are to be redeemed or are liable to be redeemed at the option of the company or the shareholder. A separate table must be used for each class of share.
