NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2021

1. STATUTORY INFORMATION

Bates Zambelli Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 25% on reducing balance, 20% on reducing balance and 15% on reducing balance

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Cash and cash equivalents

Cash and cash equivalent include cash in hand, deposits, held at call with banks, other short term liquid investments with original maturities of three months or less.

Basic financial assets

Basic financial assets, which include trade and other debtors and cash and bank balances, are initially measured at transaction price including transaction and where material are subsequently measured at amortised cost using the effective interest method, less any impairment

Impairment of financial assets

Financial assets, other than those held at fair value are assessed for indicators or impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. The impairment loss is recognised in the Statement of Total Comprehensive Income.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire, or when it transfer the financial asset and substantially all the risks and rewards of ownership to another entity.

Basic financial liabilities

Basic financial liabilities, including trade and other payables and loans from company undertakings that are classified as debt are initially measured at transaction price unless the arrangement constitute a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at the market rate of interest.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payables are classified as current liabilities if a payment is due within one year or less. If not, they are present as non current liabilities. Short term creditors are initially recognised at transaction price and where material are subsequently measured at amortised cost using the effective interest method.
