Directors' responsibilities statement

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss for that period

In preparing the financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. Notes (forming part of the financial statements)

1 Accounting policies

The following accounting policies have been consistently applied in dealing with items which are considered material in relation to the Company's financial statements

(a) Basis of preparation

The financial statements have been prepared on a going concern basis, under the historical cost convention and in accordance with the Companies Act 2006 and applicable United Kingdom accounting standards. On 1 December 2011, the Company transferred its trade and net assets to its immediate parent undertaking, Virgin Holidays Limited (the Group), where the business will continue to operate as a division of the Group, whereas the Company will have no further trading activities in relation to the sale of holidays. Upon transfer, the Group, through an intercompany loan, assumed ownership of all assets and liabilities of the Company, leaving the Company with net current assets in the amount of £5,930,000 at the balance sheet date, solely consisting of the intercompany debtor of the same amount.

The directors have no reason to believe that the Group will not be in a position to provide the support required by the Company for the foreseeable future being at least one year from the date of the approval of these financial statements. Accordingly, the financial statements for the year ended 31 December 2014 have been prepared assuming that the Company will continue as a going concern in the foreseeable future.

Under Financial Reporting Standard 1 (Revised) "Cash Flow Statement", the Company is exempt from the requirement to prepare a cash flow statement on the grounds that it is a wholly owned subsidiary undertaking of Virgin Atlantic Limited (formerly known as Virgin Atlantic (Holdings) Limited) and its cash flows are included within the consolidated cash flow statement of that company.
