#### 1 Accounting policies.

#### Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (Effective April 2008).

#### Going concern

The accounts have been prepared on a going concern basis, as in the opinion of the director he shall continue to financially support the company in the foreseeable future to meet the liabilities as they fall due.

#### Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of Value Added Tax.

In respect of long-term contracts and contracts for on-going services, turnover represents the value of work done in the year, including estimates of amounts not invoiced. Turnover in respect of long-term contracts and contracts for on-going services is recognised by reference to the stage of completion.

#### Fixed assets and depreciation

All fixed assets are initially recorded at cost.

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

# Asset class Depreciation method and rate Motor vehicles 25% per annum reducing balance Equipment 25% per annum reducing balance

#### Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks.

#### Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
