Reserves Policy

TRUSTEES' RESPONSIBILITIES STATEMENT

The trustees (who are also the directors of the Abdo College of Education for the purposes of company law) are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the income and expenditure of the company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

TRUSTEES ANNUAL REPORT (continued)

YEAR ENDED 31 DECEMBER 2014

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as each trustee is aware, there is no relevant audit information of which the company's auditor is unaware; and
- each trustee has taken all steps that they ought to have taken as a trustee to make themself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ABDO COLLEGE OF EDUCATION

YEAR ENDED 31 DECEMBER 2014

We have audited the financial statements of the Abdo College of Education for the year ended 31 December 2014 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND AUDITOR

As explained more fully in the Trustees Annual Report, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees Annual Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2014
 and of its incoming resources and application of resources, including its income and expenditure,
 for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ABDO COLLEGE OF EDUCATION (continued)

YEAR ENDED 31 DECEMBER 2014

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Trustees Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 DECEMBER 2014

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, except for investments which are included at market value and the revaluation of certain fixed assets, and in accordance with applicable United Kingdom accounting standards and the requirements of the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued in March 2005 (SORP 2005).

Cash flow statement

The trustees have taken advantage of the exemption in Financial Reporting Standard No 1 (revised) from including a cash flow statement in the financial statements on the grounds that the company is small.

Donations

Donations received for the general purpose of the charity are included as unrestricted funds.

Investments

Investment assets are included in the balance sheet at market value. Unrealised gains and losses on revaluations and realised gains and losses on disposal are taken to the statement of financial activities dealt with in the relevant fund.

Amortisation

Amortisation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Website - 33% straight line

Fixed assets

All fixed assets are initially recorded at cost. Depreciation is calculated to write off the cost of an asset, less its estimated residual value, over the useful economic life of the asset as follows:

Computer Equipment - Straight line over useful economic life of asset

Fixtures and Fittings - Straight line over useful economic life of asset

Laboratory Equipment - Straight line over useful economic life of asset

Leasehold Improvements - Straight line over the life of the lease

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 DECEMBER 2014

1. ACCOUNTING POLICIES (continued)

Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

Pension costs

The company contributes to the personal pension plans of certain employees, subject to a maximum of 10% of the employee's annual salary. Such contributions are held independently of the company's finances. The contributions made are charged to the profit and loss account as they arise.

Income from trading activities

Course fees are recognised in full upon commencement of the course with an accrual made to represent the direct costs incurred after the year-end in connection with the provision of the course. Textbook sales are accounted for at the time of sale.

Resources expended

Resources expended are recognised upon commencement of the course on an accrual basis to match the expenses connected with running the courses with the fee income received. Costs deemed to be directly attributable to the running of the college courses are allocated to direct charitable expenses including charges from The Association of British Dispensing Opticians and the irrecoverable element of VAT.

Going concern

The ABDO College, a registered charity, was originally established under the auspices of The Association of British Dispensing Opticians. As part of its support for the charity the Association entered into a deed of grant on the 14th February 2011 to assist the ABDO College in meeting its debts as they fall due and in the furtherance of its charitable objectives for a period of five years.
