The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Other accounting policies

Deferred tax is recognised in respect of all timing differences, that have originated but not reversed at the balance sheet date, that will result in an obligation to pay more (or less) tax at a future date.

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset.

Deferred tax is measured on an undiscounted basis at tax rates that are expected to apply when the timing differences reverse.
