# Report of the Trustees for the Year Ended 30 September 2019

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 September 2019. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

#### **OBJECTIVES AND ACTIVITIES**

### Objectives and aims

The objects of the charity are the establishment and maintenance of a Sanctuary where unwanted or stray animals of all kinds can be received at all times and to find good permanent homes for such animals or, if unsuccessful, to keep them in the sanctuary for the rest of their lives so long as it is practicable so to do.

The policy of the charity continues to be to seek the necessary finance and support to continue to operate the Sanctuary so as to comply with the above objects.

#### Public benefit

Our stated objectives and activities deliver public benefit by promoting human morality through the encouragement of kindness to animals and discouraging cruelty to animals. By rehoming animals we seek to create happy homes for humans and animals alike.

We have referred to the guidance contained in the Charity Commissions general guidance on public benefit when reviewing our aims and objectives in planning our future activities.

#### STRATEGIC REPORT

#### Achievement and performance

Charitable activities

The trustees consider that the overall performance of the charity during the year has been satisfactory. Over the period 45 dogs were admitted and 70 were adopted. 345 cats arrived and 353 were found new homes. New arrivals of rabbits totalled 59 and 61 were rehomed.

The staff at the Sanctuary should again be congratulated on their continuing level of hard work in their care of the animals.

The charity would not be able to provide the service of caring for animals without the valuable assistance of the numerous willing supporters and volunteers.

### Financial review

Investment policy and objectives

The substantial legacy accounted for in 2015 which crystallised in 2016 in the form of a share portfolio is reflected in note 14. During the year, the charity made a gain of £30,387 as the result of sale of investments within the portfolio.

The remainder of the charity's investment funds are held in the form of a bank base rate tracker deposit account. This provides for immediate access to these monies in the form of periodic transfers to the current bank account, at the same time ensuring a reasonable rate of interest on the deposit funds held.

# Report of the Trustees for the Year Ended 30 September 2019

#### STRATEGIC REPORT

#### Financial review

Current year

Total incoming resources amounted to £642,925 (2018 £598,167), of which legacies accounted for £110,730 (2018 £71,079). The total realised gain on share investments amounted to £30,387 (2018 £20,560). Total resources expended were £973,389 (2018 £1,005,632) and this has resulted in a deficit for the year of £300,077 (2018 £386,905), before unrealised gains.

Unrealised gains represent the increase (or decrease) in market value of investments held that are not yet sold.

Net current assets have decreased from £291,551 to £277,221.

Reserves at the end of the financial period equal £1,602,822 (2018: £1,930,085).

#### Reserves policy

Given the unpredictable nature of incoming resources relating to legacies, it is now the policy of the charity to aim to maintain unrestricted funds at a level which equates to at least 36 months unrestricted expenditure. This should then provide sufficient funds to cover management and administrative support costs.

#### Future plans

Fund raising and publicity initiatives are planned in order to continue to spread the word regarding the valuable work of the charity in these difficult economic times.

### STRUCTURE, GOVERNANCE AND MANAGEMENT

### Governing document

The Oxfordshire Animal Sanctuary is a company limited by guarantee and a registered charity governed by its Memorandum and Articles of Association. The company was incorporated on 6 November 2000 and registered as a charity on 14 April 2003.

### Recruitment and appointment of new trustees

When a vacancy arises new trustees are appointed by the existing trustees. The new trustee is generally only selected on the basis of his or her known support for the aims of the charity and typically this support will have existed for a number of years.

#### Organisational structure

The charity is managed by the trustees. The charity employs a manager who is responsible for the day to day running of the Sanctuary as well as other operational duties. A body of employees look after the animals. Managers are employed to run each of the shops, volunteers are also utilised to assist the Sanctuary manager and the shop managers.

### Induction and training of new trustees

The induction and training of new trustees involves making them aware of their responsibilities, the governing document and the administrative procedures of the charity.

#### STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of The Oxfordshire Animal Sanctuary for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the trustees are aware, there is no relevant information (as defined by Section 418 of the Companies Act 2006) of which the charitable company's auditors are unaware, and each trustee has taken all the steps that they ought to have taken as a trustee in order to make them aware of any audit information and to establish that the charitable company's auditors are aware of that information.

### **AUDITORS**

The auditors, Cunnington & Co Ltd, will be proposed for re-appointment at the forthcoming Annual General Meeting.

C Andrews - Trustee

### The Oxfordshire Animal Sanctuary

### Independent Auditor's Report to The Oxfordshire Animal Sanctuary

### **Opinion**

We have audited the financial statements of The Oxfordshire Animal Sanctuary(the 'charity') for the year ended 30 September 2019, which comprise the Statement of Financial Activities, Balance Sheet, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is United Kingdom Accounting Standards, comprising Charities SORP - FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and applicable law (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charitable company's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 September 2019 and of its results for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

### Matters on which we are required to report by exception

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- · the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of trustees remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit.

### The Oxfordshire Animal Sanctuary

### Independent Auditor's Report to the Members of The Oxfordshire Animal Sanctuary

### Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities (set out on page 4), the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
  charity's internal control.

### The Oxfordshire Animal Sanctury

### Independent Auditor's Report to the Members of The Oxfordshire Animal Sanctuary

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business
  activities within the charity to express an opinion on the financial statements. We are responsible for the
  direction, supervision and performance of the charity audit. We remain solely responsible for our audit
  opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### 13. TANGIBLE FIXED ASSETS - continued

Included in cost of freehold property is freehold land of £200,000 (2018 - £200,000) which is not depreciated.

The Trustees are of the opinion that the current market value of freehold land and buildings is greater than the carrying value in the accounts. However, as no imminent sale of these assets is anticipated, the Trustees consider that obtaining a current market value would incur additional costs which would not benefit the operational capacity of the charity.
