NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30 NOVEMBER 2006

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005)

The financial statements have been prepared on a going concern basis which assumes that the company will continue in operational existence for the foreseeable future

The validity of this assumption depends on the continued support of the company's director and its creditors

If the company were unable to continue in operational existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet values of assets to their recoverable amounts and to provide for further liabilities that might arise
