CHAIRMAN'S REPORT
FOR THE YEAR ENDED 31 MARCH 2014**

I am delighted to have this opportunity to tell you about ELBA's progress over the past year and to share our exciting new plans for the future.

In recent years, as the squeeze on the public sector has forced sizeable cuts to grant funding, ELBA has taken the opportunity to rethink its income sources and its future within the charitable side of the CSR sector through a strategic review conducted with the help of New Philanthropy Capital.

After the excitement and highlights of the Olympic year in 2012, 2013 was always going to mean ELBA would have to work harder to match those achievements. To remind you of the Legacy 2020 outcomes, ELBA engaged over 20,000 young people with the In the Parks initiative, based on sports sampling working with around 80 local clubs, involved nearly 300 Represent London school students as Team London ambassadors, helped 809 people into work and, more generally, placed 12,167 volunteers from member companies.

Well together we've done it! Volunteer numbers this year are up to 12,565; we've helped 754 people into work and provided information, advice and guidance (IAG) for another 1,500. ELBA launched the London Works recruitment agency in January; embedded the BIG Alliance project successfully into Islington; conducted a Strategic Review and implemented its recommendations; all whilst providing partnership support to East London Business Place (ELBP), our joint effort with Canary Wharf on local procurement that has helped local businesses deliver contracts worth £1 billion, and to Create London, the highly successful cultural organisation, supported by the six Growth Boroughs and several ELBA members, which delivered audiences of almost one million across a dozen projects in 2013/14.

I am particularly pleased that ELBA has reviewed its relevance and efficacy as our members look to us to provide ever more in-depth reporting, impact assessment, skills-based volunteering and innovation. ELBA in future will focus its work on community development, employment and education. We're now refashioned into three teams, Community Works, Education Works and Employment Works, working across boroughs to meet members' desire to be active in more than one area at a time whilst making that participation easy and simple to administer..

Each team will hold a members' Forum at least twice a year (quarterly for Employment Works), and the first Forum combined all three teams in the ELBA Futures Forum held at Credit Suisse on 16 July this year.

Already our teams have been hard at work for several months with considerable success. Education Works has taken the successful Business Action Groups for Schools (BAGs) from its pilot in Newham into Waltham Forest and in recent months has engaged over 7,000 school children. The Hackney Schools Mentoring Programme (HSMP), renamed Mentoring Works, has been introduced to two Islington schools and will be in two more from October as we spread good practice across everywhere we work.

Employment Works completed several projects last year including Boost for L&Q and NRA for Newham Workplace. The key event for Employment Works, however, was the launch in January of the London Works agency – supported by Barclays, the GLA, the City of London Corporation, UEL, the Royal Borough of Greenwich and others. Its graduate recruitment service has supported 30+ local university graduates into work in the City and Canary Wharf to date. Community Works continued to deliver significant interventions across the Growth Borough areas, with more than 400 team challenge events involving 8,000 volunteers, and many direct community interventions across all areas, ranging from business planning, marketing and IT advice to supplying trustees, chairs and mentors. More skills-based opportunities, matching specific company skills to specific community needs, will be central to what ELBA does in the future.

Our flagship embedded project manager programmes in Shoreditch, Central Hackney, St Paul's Way and Boundary Estate / Bethnal Green continued to be supported by UBS, KPMG, Société Générale, Nomura, Catlin and newcomers State Street. Thanks to all for their support of these targeted and effective efforts.

Financial Summary

The end of Olympic Lottery Distributor grants in 2012 meant that our gross income reduced by more than £1m in the current year as the Transformers Grants Programme came to an end, having made more than 300 awards totalling £1.6m to local organisations. Core income at almost £800,000 held up well with eight new members, despite inevitably losing a few members to geographic relocation and budget cuts. Our earned surplus of £22,000 is welcome, but it represents a net margin of under 1% on turnover, reflecting the fact that member contributions were last increased in 2009. Since then there has been RPI inflation of 17.2%, ELBA's costs have risen similarly, and we now have the statutory additional costs involved in designing and implementing a new auto-enrolment pension scheme for all staff that launched on 1 July.

**EAST LONDON BUSINESS ALLIANCE
(LIMITED BY GUARANTEE)
CHAIRMAN'S REPORT
FOR THE YEAR ENDED 31 MARCH 2014**

These cost pressures, combined with the Board's aspiration to raise ELBA's reserves to match six months' operating costs in line with Charity Commission recommendations, means that we need to ask members to increase their contributions by 20% with effect from 1 October.

We regret having to raise costs but, if we are to ensure ELBA is staffed and equipped to deliver the support and facilitation east London and our members need, then this is unavoidable. We look forward to having your continued support, enabling ELBA to operate more effectively, earning suitable annual surpluses that will ensure ELBA's continued operation at the level required by the community and ELBA's members.

Thanks

No Chairman's report would be complete without offering some thanks, so starting with members – thank you for your volunteers, your support of ELBA's strategic review and your financial contributions all of which makes our work possible. To ELBA's excellent management, staff and my much-valued Board colleagues, I extend my sincere thanks for their continued exemplary efforts and commitment to great outcomes that come from supporting our east London communities, the individuals who make our work so rewarding.

**R H Reid
Chairman and Trustee
13 November 2014**

**EAST LONDON BUSINESS ALLIANCE
(LIMITED BY GUARANTEE)
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2014**

The Trustees present their report and financial statements for the year ended 31 March 2014.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's Memorandum and Articles of Association, applicable law and the requirements of the Statement of Recommended Practice, "Accounting and Reporting by Charities" issued in March 2005.

Reference and Administrative Details of the Charity

Full details can be found on the page preceding the contents page, including the list of Trustees (who are also directors for the purposes of company law) who served during the year.

No new Trustees were welcomed to the Board during the year. Resignations after more than 30 combined years of service were received from David Robinson, David Willetts and Ruwan Weerasekera who leave with the Board and staff's grateful thanks for all their excellent efforts over the years.

Governance, Structure and Management

Governance

The ELBA charity is a company limited by guarantee with no share capital. None of the Trustees has any beneficial interest in the company. All of the Trustees are members of the company and guarantee to contribute such amount as may be required (not exceeding £100) to the company's assets in the event of a winding up. ELBA's charity business is conducted under the framework of its governing Memorandum and Articles of Association, prepared under the Companies Acts 1985 and 2006.

Trustees are usually selected from the ranks of existing or past chairs of ELBA's Sector Forums and Boards that supervise the work of ELBA staff and volunteers in the east London boroughs, including all of the Olympic Growth Boroughs, which remains ELBA's main geographical area of activity although ELBA now runs a project known as the BIG Alliance in the London Borough of Islington on behalf of Islington Giving, a consortium of local charitable trusts. Generally senior business people with wide experience and knowledge of Corporate Social Responsibility (CSR), Trustees will usually have had several years' experience of ELBA's involvement in the community and will have served on Forum or Board committees from time to time.

Further induction and training of Trustees is done by providing them with copies of the Memorandum and Articles of Association, the last available annual report and accounts, current management accounts, budgets and relevant sector Forum reports as well as a copy of the Charity Commission's Charitable Purposes and Public Benefits documents together with the guide to the role and responsibilities of charity trustees. The chief executive provides introductions to other Trustees, ELBA staff, policies and procedures as required.

Organisational Structure

In addition to the Board of Trustees, ELBA has three sector Forums/Boards which supervise the work of the Community Works, Education Works and Employment Works teams. The Jobs board meets quarterly and the others meet on at least two occasions each year to review ELBA's volunteering and other activities carried out through the executive team of programme directors and project managers. ELBA's employment initiatives, which helped 754 people into work during the year under review, are monitored by its Jobs and Enterprise board which has more than twenty member companies amongst its number.

Setting the overall strategy and monitoring of the Charity's overall performance is the responsibility of the Board of Trustees, which is led by Richard Reid, London Chair, KPMG supported by Chris Watson, a partner at CMS Cameron McKenna as Community Works Chair, Terry Waldron of Barclays Bank who chairs the Jobs board and Eileen Taylor MD of Deutsche Bank UK and Mike Byrne of Accenture who look after the Education Works Forum. Deputy Chair, Mike Cooper-Mitchell chairs the Finance & General Purposes committee (Finco) which is a sub-committee of the main Board and is charged with monitoring and reviewing the charity's performance, in particular its financial outcomes on a regular quarterly basis.

Membership of Finco is set at a minimum of five people comprising ELBA's Deputy Chair, two further Board members or co-opted members with a financial background, the Chief Executive and the Finance Manager. Finco meets quarterly to review operating and management accounts, annual audited financial statements and policies related to financial management, including risk.

The Board delegates day-to-day running of the organisation and the achievement of its strategic interventions to the Chief Executive and the experienced team of senior programme directors and project managers.

**EAST LONDON BUSINESS ALLIANCE
(LIMITED BY GUARANTEE)
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2014**

In a major new departure for ELBA, the Board authorised the setting up of a new, not for profit trading subsidiary to be known as London Works (LW). LW will operate as a key part of ELBA's employment and employability efforts. It will provide temporary and permanent recruits for member and non-member companies drawn mainly from the academic output of east London's universities. LW, which launched in January 2014, is funded in its initial stages by grants from Barclays Bank, the Greater London Authority, the City of London Corporation, the University of East London and the Royal Borough of Greenwich. It is expected to move into trading surplus over the course of the next couple of years and to be self-sustaining in the longer term.

Risk Management

The Trustees have a risk management strategy which comprises:

- an annual review by the Trustees of the risks the charity may face;
- annual review by Finco of the charity's business continuity plan;
- the establishment of systems and procedures to mitigate those risks identified in the plan; and
- the implementation of procedures designed to minimise any potential impact on the charity should those risks materialise.

Particular attention has focused on non-financial risks arising from fire and general health and safety issues and Finco has laid down that an annual risk check is required to be reported upon to Finco. A key element in the management of financial risk is the setting of a reserves policy and its regular review by Trustees. The Trustees have an ambition to continue to accumulate reserves until these reserves represent at least 6 months' worth of core operating costs.

The main risk to the charity would be failure by members to make contributions and, consequently, the member payment records are submitted for detailed review to all Finco meetings. In addition the Finance Manager pursues a rigorous automated monthly credit control procedure which has proven successful in minimising bad debt.

Objectives and Activities

The Charity's main objectives are to promote and improve the efficiency of charities and community organisations, particularly those active in the boroughs of Hackney, Newham, Tower Hamlets, Greenwich, Barking and Dagenham and Waltham Forest as well as the wider east London area, and to support them in the direct furtherance of their respective charitable and other objectives. In order to achieve these objects the Charity's strategies include:

- Encouraging private and public sector co-operation and acting as a focus for others in the economic and social improvement and development of the east London boroughs
- Facilitating the improvement and development of the physical and cultural environment of the same area
- Providing opportunities for members to devise and implement local employment initiatives
- Playing a leading role in the training, educational and enterprise requirements in the area

The charity's main aim is to bring the time, skills, influence and resources of the private sector to help build the capacity of local organisations and regeneration programmes in east London. In doing so, we aim to improve the effectiveness and sustainability of community organisations, educational establishments, SMEs, social enterprises and other east London entities, thereby contributing to the greater well-being of the whole community.

Objectives and strategies for the year were summarised in ELBA's business plan, which was approved by the Board in February 2013. The plan looked at developing the key themes of ELBA's work. **Community** – across the boroughs through direct employee volunteering to meet identified community needs **Employment** – by capacity building the sector, ring fencing opportunities for local people through ELBA membership and focusing on graduates with the expansion of the flagship EaGLES and Career Capital schemes for undergraduates in these areas and the launch of the London Works recruitment agency. **Education** – by expanding the new, highly successful Business Advisory groups for Schools (BAGS) programme to Waltham Forest and to more schools in Newham.

More details of performance against this plan are contained in the Chairman's statement beginning on page 1.

The ELBA charity does not make grants of any sort in its own name and has no programme of related investments. Volunteers working on projects implemented by the East London Business Alliance carry out a variety of activities ranging from team challenges, which can involve clean-ups, painting and local area regeneration to mentoring community leaders, joining the boards of local community organisations, supporting start-up businesses and working with a few hundred year ten and twelve school children in Hackney through the Schools' Mentoring Programme.

**EAST LONDON BUSINESS ALLIANCE
(LIMITED BY GUARANTEE)
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2014**

ELBA continued to work closely with the local boroughs to ensure that local needs and targets were identified in timely fashion and ELBA resource brought to bear. Established employment and employability schemes were to the fore in our concerns and nearly 800 people were assisted into permanent employment, with over 1,000 more benefiting from courses, seminars and other advice from member companies.

Financial review

As a general rule, much of the main ELBA core operating costs are covered and provided by the annual contribution made by its member companies. On the other hand, project funding, as the name implies, has derived mainly from corporate grants and donations as well as various third party charitable trusts such as the **Esme Fairbairn Foundation, Cripplegate Foundation, Islington Giving, City Bridge Trust, the L&Q Foundation** and a number of City Livery companies as well as some of the local boroughs including **Newham, Hackney and Waltham Forest**, all of whom have been substantial supporters as have the **Greater London Authority** and the **London Legacy Development Corporation**. 2013/14 has seen continuing reductions in public sector funding availability which has necessitated changes to the funding structure of a number of ELBA projects and we see no prospect of that changing. The private sector has responded well to this need so far and we are confident of continuing to derive corporate support for the community needs of east London through expanding and improving the nature of ELBA's interventions.

Member companies support the many projects implemented by the East London Business Alliance, mainly through the provision of volunteers although some, including **Accenture, Barclays, British Land/Broadgate Estates, Canary Wharf Group, Catlin, City of London Corporation, Credit Suisse, Deutsche Bank, KPMG, Linklaters, Macquarie, Morgan Stanley, Nomura, Societe Generale, State Street Bank and UBS** have made additional contributions in the year under review to specific projects. Member contributions were a little ahead of expectations at £761,000, some 1% up on 2012/13 given that member numbers were maintained over the year. There has been no increase in member contribution rates since 2009.

~~Total income reduced to just over £3.1m, (2013 - £4.0m) mainly as a result of the cessation of the Olympic Lottery Distributor funded Transformers grants programme which accounted for more than £1m of income in the previous year. Underlying income from corporate members held up well overall allowing the delivery of just over 20 discrete projects detailed later in this report.~~

At an operating level, before transfers to designated reserve funds, the charity earned a surplus of almost £22,000, a marginal reduction on the £37,000 of the previous year. Representing, as it does, a margin on net turnover of less than 1% it can be seen that building unrestricted reserves to the desired level will be a longer exercise than originally planned. Costs continued to be strictly controlled and were in line with the previous year excluding the Transformers grants.

The net outflow on restricted fund projects totalled £62,000 representing the excess of current year spend over income which was fully funded from the £766,000 of restricted funds brought forward from last year. Accounting for restricted projects is undertaken mainly on a cash flow basis, unlike unrestricted or CORE funding, which is accounted for on a full prepaid and accruals basis.

Public Benefit

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning our future activities.

The main objectives of the charity

To promote and improve the efficiency of charities, community organisations, public sector agencies and other regeneration bodies, particularly, but not limited to, those active in the east London boroughs of Hackney, Newham, Tower Hamlets, Greenwich, Barking and Dagenham, Waltham Forest and Islington and to support them in direct furtherance of their respective objects through the promotion of private and public sector involvement in the economic and social improvement and development of the wider east London area.

To promote, for the benefit of the public, urban regeneration in areas of social and economic deprivation in the wider east London area by all or any of the following means:

- relief of financial hardship;
- relief of unemployment, the advancement of education, training or retraining, particularly among unemployed people and providing unemployed people with work experience; the provision of financial assistance, technical assistance or business advice or consultancy in order to provide training and employment opportunities for unemployed people in

**EAST LONDON BUSINESS ALLIANCE
(LIMITED BY GUARANTEE)
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2014**

case of financial or other charitable need through help: (i) in setting up their own businesses, or (ii) to existing businesses;

- creation of training and employment opportunities by the provision of workspace, buildings and/or land for use on favourable terms;
- provision of housing for those who are in conditions of need and the improvement of housing in the public sector or in charitable ownership provided that the support shall not extend to relieving any local authorities or other bodies of a statutory duty to provide or improve housing; the maintenance, improvement or provision of public amenities;
- protection of recreational facilities for the public at large or those who by the reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances, have need of such facilities;
- protection or conservation of the environment; the provision of public health facilities and childcare and the promotion of public safety and prevention of crime.

Reserves Policy

The Trustees have expressed a desire to hold unrestricted reserves equal to at least six months' purchase of core operating costs (£600,000). They are aware that this target may take some years to reach from the current level of £399,000 but believe that this is achievable over the medium term. They have taken the opportunity to establish a Designated Reorganisation Reserve, which will be used for certain specific, but as yet unquantifiable, expenditure in the future. A partial spend amounting to £17k in respect of the cost of ELBA's strategic review conducted with the aid of New Philanthropy Capital was charged to the designated reserve fund during the year.

Plans for the future period

The general economic outlook has improved considerably since last year and ELBA has benefitted from that uplift across all of its projects and programmes with more volunteers and an improving willingness from members to help in achieving our goals. The restructuring of ELBA's core efforts after completion of the strategic review to focus on community development, education and employment has given the Board and the management and staff a clearer direction on what ELBA wants to do and on how to do it. Our focus in 2014/15 will be on improving and upgrading our impact reporting and evaluation – recognising the need for third sector organisations to further professionalise to meet the demands of their communities and their members and supporters. In addition, we will continue to roll out ELBA best practice to more boroughs and, of course a major ambition will be to embed the London Works Agency and its services with members and prospective members alike

In the medium to longer term, ELBA will continue to support the aims and objectives of the Greater London Authority and the London Legacy Development Corporation for the area, which strive to support the key Growth Boroughs' target of achieving "convergence" with the rest of London.

Auditors

The auditor, PKF Littlejohn LLP, will be proposed for re-appointment at the Annual General Meeting in accordance with Section 485 of the Companies Act 2006.

**R H Reid
Chairman and Trustee

(LIMITED BY GUARANTEE)
STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 MARCH 2014**

The Trustees (who are directors for the purpose of company law) are responsible for preparing the Report of the Trustees and the Financial Statements in accordance with applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under that law the Trustees have elected to prepare the Financial Statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Trustees must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the surplus or deficit of the charitable Company for that period. In preparing these Financial Statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departure disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable Company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable Company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable Company's website. Legislation in the United Kingdom governing preparation and dissemination of Financial Statements may differ from legislation in other jurisdictions.

Disclosure of Information to Auditors

The Trustees who held office at the date of approval of this Trustees' Report confirm that, so far as they are individually aware, there is no relevant audit information of which the Charity's auditors are unaware; and each Trustee has taken all steps that they ought to have taken as a Trustee to make themselves aware of any relevant audit information and to establish that the Charity's auditors are aware of that information.

**EAST LONDON BUSINESS ALLIANCE
(LIMITED BY GUARANTEE)
INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF EAST LONDON BUSINESS ALLIANCE**

We have audited the financial statements of East London Business Alliance for the year ended 31 March 2014 which comprise the Consolidated Statement of Financial Activities, incorporating an Income and Expenditure Account, the Consolidated and Parent Company Balance Sheets and the related notes 1 to 16. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charitable Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable Company and the charitable Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Trustees and Auditor

As explained more fully in the Trustees' Responsibilities Statement, set out on page 7, the Trustees (who are also the directors of the charitable Company for the purposes of company law) are responsible for the preparation of the Financial Statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the Financial Statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the Financial Statements

~~An audit involves obtaining evidence about the amounts and disclosures in the Financial Statements sufficient to give reasonable assurance that the Financial Statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees; and the overall presentation of the Financial Statements. In addition, we read all the financial and non-financial information in the Report of the Trustees to identify material inconsistencies with the audited Financial Statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.~~

Opinion on the Financial Statements

In our opinion the Financial Statements:

- give a true and fair view of the state of the Group's and the parent charitable Company's affairs as at 31 March 2014, and of the Group's charitable incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

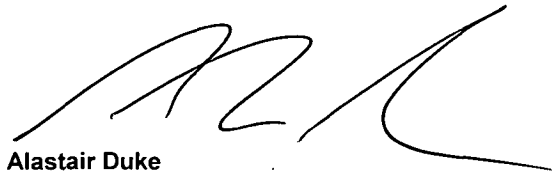

In our opinion the information given in the Report of the Trustees for the financial year for which the Financial Statements are prepared is consistent with the Financial Statements.

**EAST LONDON BUSINESS ALLIANCE
(LIMITED BY GUARANTEE)
INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF EAST LONDON BUSINESS ALLIANCE**

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the Financial Statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report.

1 Accounting policies

1.1 Basis of preparation

The financial statements have been prepared under the historical cost convention.

It is the opinion of the Directors /Trustees that the use of the going concern basis of accounting is appropriate because:

- there are no material uncertainties relating to events or conditions that may cast significant doubt about the ability of the charitable Company to continue as a going concern;
- there is reasonable expectation that the charitable Company has adequate resources to continue in operational existence for the foreseeable future.

The charity has taken advantage of the exemption in Financial Reporting Standard No.1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

The financial statements have been prepared in accordance with applicable United Kingdom Accounting and Financial Reporting Standards, the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005 and the Companies Act 2006.

The consolidated financial statements consolidate the financial statements of East London Business Alliance and its subsidiary undertaking, London Works Agency Limited for the period ending 31 March 2014.

1.2 Incoming resources

Income from membership contributions and grants is credited to the SOFA at the time the commitment is agreed and an invoice issued by ELBA. Contributions and income received in advance, which is wholly attributable to future periods, is deferred to the Balance sheet and transferred to the SOFA in the period to which it relates.

Trading income is invoiced on an accruals basis.

1.3 Resources expended

Expenditure has been included in the Financial Statements on the accruals basis and is stated inclusive of VAT for ELBA. LWAL is VAT registered and the expenditure is therefore included net of VAT.

Support costs represent staff and office costs and are apportioned to charitable activities, costs of generating funds and governance costs on the basis of estimated time spent on those activities.

The company benefits from contributed resources including premises and staff time. This is often very difficult to quantify in financial terms and where it is not considered to be material is not reported upon.

1.4 Net movement in funds

The net movement of restricted funds represents payments in respect of projects which are met from both current year income and brought forward funds.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets over £1,000 are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:-

Computer equipment	33% Straight line
Motor vehicle	25% Straight line
Fixtures & Fittings	25% Straight line

1.6 Leasing and hire purchase commitments

Rentals payable under operating leases, where substantially all of the benefits and risks of ownership remain with the lessor, are charged to the SOFA on a straight line basis over the lease term.

1.7 Pensions

The charity operates a defined contributions pension scheme which is open to all members of staff and the pension charge represents the amount payable by the charitable company to the fund in respect of the year.

1.8 Accumulated funds

Restricted funds are subject to specific conditions by donors as to how they may be used.

1.9 Designated Funds

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes. The aim and use of the funds is set out in the notes to the Financial Statements.

1.10 Taxation

As a registered charity, the company is generally exempt from Corporation Tax in respect of its charitable activities. The company is not registered for VAT and items in the Financial Statements are stated inclusive of VAT, where applicable.

9 Share capital and the liability of members

The company has no share capital, being limited by guarantee. Each member of the company undertakes to contribute such amount as may be required (not exceeding £100) to the company's assets if it should be wound up while he or she is a member or within one year after he or she ceases to be a member.

In the event of the company being wound up or dissolved, any surplus property shall be given or transferred to some other charitable institution having similar charitable objects to the company. The property cannot be paid to or distributed among members of the company.

16 Subsidiary Undertaking

These consolidated financial statements include the financial statements of the subsidiary company London Works Agency Limited. London Works Agency Limited is a private company limited by guarantee registered in England & Wales (Company No. 08525614). The company was set up as a staff recruitment agency to provide pathways to work in the City and Canary Wharf for local graduates and A Level school leavers.

The turnover for the year of the subsidiary company was £10,391 agency fees as well as £123,829 of project funding grants and it had net assets at the 31 March 2014 of £Nil.
