Directors' Report

Global markets remain imbalanced with economic and monetary fear across nations. The consumers are invariably affected by the conditions that require them tightening their belt. The Company at large is affected by economic conditions and consumers increasingly very tight budget.

In order to maintain operation, the director's are now investigating other markets within Middle East where consumer seems to be less affected by current world banking turmoil.

Director

A handwritten signature in black ink, appearing to read 'B. Abasi' with a stylized flourish at the end.
