Directors' Report

The economic climate and down ward trend in GDP movement backed with financial storms has not been a help to most businesses. ABC has been faced with similar situations and has managed to maintain its presence in the market place.

Significant assistance has been given by the director to keep the Company's operational abilities in hope of better times.

S 249A (1) of companies Act 1985 has been used in preparation of accounts

The director acknowledges his responsibility for ensuring that the company keeps accounting records which comply with Section 221 of the Companies Act 1985.

The director acknowledges that the accounts represent true and fair view of the company and it's loss for period ending 31st March 2009 in accordance with the requirement of the Section 226 of the companies Act 1985 and which otherwise complies with the requirement of this Act relating to accounts, so far as applicable to the company.

The directors have taken advantage of the Company's Act 1985 in not having these accounts audited under Section 249a (1) (total exemption).

The director herewith gives notice that no notice has been deposited by shareholders to have the accounts audited. The director is the sole share holder and creditor of the business.

The director has again extended the credit for the benefit of the Company from his personal funds. He believes the market presence should be maintained even under the current difficult conditions and credit crunch that are predominate the current economic conditions. To that end Company is currently in merger negotiations.
