# NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30 SEPTEMBER 2013

#### 1. ACCOUNTING POLICIES

### **Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

#### **Turnover**

Turnover represents net invoiced sales of goods, excluding value added tax, except in respect of service contracts where turnover is recognised when the company obtains the right to consideration.

## Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life.

Improvements to property (rented)

Plant and machinery

Fixtures and fittings

- Straight line over 10 years

15% on reducing balance

15% on reducing balance

Motor vehicles - 33% on cost and 25% on reducing balance

Computer equipment - Straight line over 3 years

#### Stocks

Stock is valued on a first in first out basis at the lower of cost and net realisable value, after making due allowances for obsolete and slow moving items.

### **Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

### Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

### Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.

#### 1. ACCOUNTING POLICIES - continued

### Employer-financed retirement benefit scheme (efrbs)

The company has established trusts for the benefit of employees and persons connected with them. Monies held in these trusts are held by independent trustees and managed at their discretion. The trustees are empowered to provide both retirement and other employee benefits.

Where the company retains future economic benefit from, and has de facto control of the assets and liabilities of the trust, they are accounted for as assets and liabilities of the company until the earlier of the date that an allocation of trust funds to employees in respect of past services is declared and the date that assets of the trust vest in identified individuals.

Where monies held in a trust are determined by the company on the basis of employees' past services to the business and the company can obtain no future economic benefit from those monies, such monies, whether in trust or accrued for by the company are charged to the profit and loss account in the period to which they relate.

Where monies held in a trust are determined by the company on the basis of employees' past services to the business and are payable after completion of the employment, such monies are charged to the profit and loss in the period during which services are rendered by employees.
